RULES

The 2022 US National State Qualification Table Tennis Tournaments will be conducted under the USATT Rules. All decisions by the Tournament Director and/or Competition Manager and/or Referee will be final, and contestants upon entering agree to abide by them.

Equipment: Balls: Nittaku Premium 40+ (White). Venue Tables: Sixteen Butterfly 25 Tables. Flooring: Table Tennis Rubber Floor.

Rackets in all events are subject to random testing for volatile organic compounds (VOCs). Any glues containing VOCs will cause the racket to fail.

Clothing: The USATT Dress Code will be enforced. No white clothing will be allowed. Players must wear the assigned number or their name on the back of their shirt when competing. Names must be large and visible to spectators. It is recommended that each player come to the table with 2 distinctively different colored shirts.

PLEASE NOTE THAT THERE ARE NO REFUNDS if participant elects to drop out of the tournament or if the participant elects to withdraw from an event. There is a \$15.00 processing fee for participants who present a signed doctor's note for the purposes of withdrawal.

PLAYING FORMATS

All matches will utilize the 11-Point Rule and will be played as a best of five match.

Each event's playing format is dependent on the number of participants in each particular event. The Tournament Director and/or Competition Manager reserves the right to change the format of any or all events in order to preserve fundamental fairness in the tournament. Otherwise all events will be played as follows: Stage One will be RR groups; and STAGE Two will be played in a single elimination format.

The Competition Manager reserves the absolute right to cancel any event due to lack of registrants. The recommended number of participants for each event is set out below; however, the Competition Manager in his or her discretion may elect to proceed with an event that has fewer than the recommended number of participants, provided there are a minimum of three (3) actual participants for that event, with the exception of Para events in which case the minimum number of participants is two (2).

EVENT SCHEDULING

Events are not guaranteed to be completed on the same day that they begin. No refunds will be given for early departure. An entrant's signature on the tournament entry form acknowledges that the dates are acceptable for participation in the registered events regardless of any holidays, federal, state, local, religious, or foreign.

DEFAULTS

The Tournament Referee has the authority to determine that a default for any reason, other than illness or injury, is to be considered a final and complete default of the opportunity for any further participation whatsoever in the State Qualification Tournament. However, an athlete may appeal to the Referee, who may seek the guidance from the CEO of USATT, for the right to be permitted to participate in a separate Youth and/or Men's or Women's Championship Event for which the athlete has previously registered other than the Event in which the athlete defaulted. The Tournament Referee is vested with the sole authority, with the guidance of the CEO of USATT, but without opportunity for appeal, to determine whether the athlete should be permitted to compete in a said separate Event.

SEEDING

To the extent that seeding in an event is required, all seeds will be based upon the USATT Rating List generated on January 15, 2022.

AWARDS

All event champions will receive an automatic bye into the main draw of the champion's particular event at the US National Table Tennis Championships. The top three finalists in each qualifying events will also receive an appropriate award and certificate confirming the competitor's final position in the US Nationals State Qualifying Tournament.
