Course Description:

The ITTF Level 2 Course is a 36 hour course normally held over six days while holding two (3-hour) sessions each day. The course material and syllabus can be found in the ITTF Advanced Manual. This material is a big step "up" from the ITTF Level 1 Course and it is highly recommended that all participants get a copy of the ITTF Advanced Manual and spend time in study before attending the course. It is recommended that course participants get the Advanced Manual at least one month before the course for self-study.

While the ITTF Level 1 Course is a general preparation course for coaches working with beginners and especially children, the Level 2 Course covers how to teach much higher level technical skills to fulfill the needs of athletes from 1800-2400 USATT Level.

ITTF Level 2 Course is officially recognized by ITTF and has the following requirements:

- Attendance at 36 hour course conducted by an ITTF approved Course Conductor
- Passing both a verbal and practical exam.
 - **Grading:** The ITTF Level 2 Course offers much higher level of material than that found at the Level 1. There is a two-part test consisting of a verbal and practical exam. The test total is 20. Those that score 10-14 pass ITTF L2 but are not eligible to do ITTF L3 in the future and are listed as ITTF Level 2. Those that score 15-20 are eligible to attend ITTF L3 in the future and are listed as ITTF Level 2*. **Scores from 1-9 do not pass the course.**
- After the course, 50 hours coaching practice must be completed.
- From the 50 hours coaching practice, 5 hours must be supervised by the ITTF Course Conductor or a person appointed by the ITTF Course Conductor.
