Modification of Pan American Games Selection Procedures

Upon Motion properly presented and seconded, the following Resolution was approved:

RESOLVED: The Pan American Games Selection Procedures for the United States are modified to permit one male player and one female player, who is ranked within the Top 50 in ITTF World Ranking, to be chosen as a Member of the Team representing the United States without playing in the US National Team Trials.

Meeting adjourned.

End. 22 11-11a
