

USATT Athlete Safety Policy – Safe Sport Compliance Protocol

Adult Participants in Positions of Authority and Adult Participants Requiring Training

USA Table Tennis is committed to maintaining a safe and healthy environment in which our members and athletes can train and compete.

As a part of this effort, USATT Safe Sport Policy requires that Adult Participants, as defined in USATT's Safe Sport Policy, who hold, or are seeking to hold, certain **Positions of Authority ("POA")**, must become **fully SafeSport Compliant**. Furthermore, Adult Participants who have regular contact with and/or authority over minor-aged athletes must become Safe Sport Trained (**Adult Participants Requiring Training** – See Below).

DEFINITION OF AN "ADULT PARTICIPANT"

USATT Safe Sport Policy defines an **Adult Participant** as:

- c. Within the governance or disciplinary jurisdiction of USATT and/or USATT Affiliated Member Clubs;

ADULT PARTICIPANTS IN USATT POSITIONS OF AUTHORITY REQUIRING FULL SAFE SPORT COMPLIANCE

The USATT **Positions of Authority** requiring **Full Safe Sport Compliance** are:

FULL SAFE SPORT COMPLIANCE

Full SafeSport Compliance is a two-part process: (i) **annual** completion of SafeSport Training presented by the US Center for SafeSport at **SafeSportTrained.Org**; and (ii) submission to a criminal background check **every two years**.

SafeSport Training must be successfully completed every year. The first time a person takes SafeSport Training, that person must complete the **Core Training Course**. After that first year, that person may be eligible to take a **Refresher Course**, which presumes a certain level of knowledge and experience with SafeSport and, thus, requires less time to complete. Please see below on how to log into **SafeSportTrained.Org**.

The Criminal Background Check must be completed every two (2) years. There are certain rules and procedures related to criminal convictions that may disqualify an individual from holding certain roles at USATT, including membership. Please see the USATT Safe Sport Policy for a description of the “Red Light Review” procedure related to potentially disqualifying criminal convictions and the procedures related to the “Red Light Review” process.

Persons who are not fully Safe Sport Compliant shall not serve in a Position of Authority. Persons undertaking a new Position of Authority must undergo a new Criminal Background Screening prior to commencing such new role or competition.

ADULT PARTICIPANTS REQUIRING TRAINING

USATT’s Safe Sport Policy also requires that Adult Participants in the sport of table tennis who do not hold – or are not seeking to hold – USATT Positions of Authority (noted above) but who have Regular Contact and/or Authority Over Minor Athletes must undergo annual Training provided by the US Center for SafeSport at **SafeSportTrained.Org**.

Such persons are referred to as **Adult Participants Requiring Training**.

An **Adult Participant Requiring Training** is defined as:

An Adult Participant who has Regular Contact with, or Authority Over, a minor-aged amateur athlete, who is not the Adult Participant’s own child.

For the purpose of USATT’s Safe Sport and Minor Athlete Abuse Prevention Policy:

1. **Regular Contact** is defined as: ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s); and
2. **Authority Over** is defined as: when one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person.

Adult Participants Requiring Training must complete SafeSport Training provided by the US Center for SafeSport (**SafeSportTrained.org**) on an annual basis.
