

I've booked my stay at The LINQ, how do I access my benefits?

How to Redeem Your Free Event:

When you register for the US Open, **leave off one event** you would like to play, USATT will not give a refund for an event that has already been entered. Then send your reservation confirmation number and the event you would like to enter to Admin@USATT.org. USATT will then add this event to your registration.

(Note: You must be entered into at least one event already, the free event carries a maximum value of \$25)

Monorail Pass and High Roller Ticket:

When you check in at The LINQ, they will give you a single ride, one time use Monorail pass so that you can get to the convention center. At the convention center, come to the registration desk, where you will get your player packet for Nationals, and we will give you your full monorail pass for the week along with your High Roller ticket.

(Note: Each hotel room gets up to 2 Monorail passes and 1 High Roller ticket)

\$25 Food and Beverage Credit:

This will be handled in the form of a credit to your hotel room bill at checkout. You will need to visit one of the restaurants/bars inside The LINQ and, rather than paying for your tab there, charge it to your room. This charge will then appear on your hotel room bill and The LINQ will apply the \$25 credit to your bill when you checkout.

(Note: If your tab from the restaurant is greater than \$25, you will be required to pay the difference at checkout)
