Required USATT Statements:

- 1) Events with insufficient entries may be cancelled at the discretion of Triangle Table Tennis, and fees refunded.
- 2) If a rating event is cancelled, player will automatically be placed in the next highest rating event.
- 3) The current USATT rating system will be used for the purposes of conducting all draws with the possible exception of hardbat events if offered. For players who do not have a USATT rating, an estimated USATT rating will be assigned based upon a recommendation by a coach who knows the player or by visual evaluation of the player by a coach, whenever possible.

Unrated Players (players without a USATT rating):

Unrated U. S. players may enter any Open or Championship event for which they are otherwise eligible. Unrated players may enter any rating events, but for purposes of seeding, will not be allowed to advance beyond the first round (if they win that first round group). For rating events with only one round, the player may not receive a trophy if they win the event. In that instance, the second place finisher in the first round group shall advance. The exception to this policy is an unrated event if so offered. Unrated players at qualification time can't enter rating doubles events. The Tournament Director will be the final authority on a player's rating status.

Doubles or Team Partners:

Players **MUST pre-register** with a partner for all doubles or teams events (if applicable). **TTTC will NOT arrange for a doubles or teams partner.** TTTC can not be responsible for the non-participation of your selected Doubles or team partner. It is the responsibility of the players to contact his/her doubles or teams partner about participating in (and paying for) the event. No refunds will be given for an event if a partner is not available.
