- 17. Refund** There will be no refunds.
- 18. Defaults:** By defaulting a match after the draw is done, for whatever reason, USATT has to assume that this athlete is no longer able to participate in the remainder of the event and any remaining matches in that event will be forfeited.

It has happened several times that players have given up in the middle of the tournament or simply stopped to compete, meaning, they have not completely finished the tournament. We are referring here rather to situations in which players

simply didn't continue or appeared from one day to the other, possibly lost the desire due to not achieving the expected results or seeing no sense in the consolation or placement matches.
In case of defaulting, the athlete must receive permission from the HPD or USATT Referee to compete in any other event in the tournament.

19. Premature Departure: Participation in our tournaments is only possible if the athletes can guarantee right from the start and plan in advance that they will be able to finish the tournament in terms of the time schedule. Deliberately planned or even booked premature departure will no longer be accepted.

20. Racket Controls: If racket control includes official test for VOC, miniRAE devices will be used according to the ITTF decision. In this case, players will be invited to voluntarily tests their rackets before competition starts.
The ITTF Equipment Committee strongly recommends all players to make certain that new coverings are aired 72 hours before use.

21. Motion & picture: By entering the event, players agree to abide by all USATT rules and by the rules and regulations of the Organizing Committee. All individual players agree under the auspices of USATT and its agents in all matters concerning television coverage to be video internet webcasting, motion picture and photographic coverage of any kind. Participants release all rights, or rights held by their agents or sponsors, in all matters relating to television and web casting coverage, video and motion picture coverage, and photographic coverage of any any kind. A participant's refusal of above listed coverage may be subject to suspension or dismissal from the competition.
