

## SafeSport Tutorial Course Procedure:

USA Table Tennis is committed to maintaining safe and healthy environments for all of our members to train and compete in. Taking and passing the SafeSport tutorial course is now a mandatory requirement for all USATT Committee Members, Tournament Directors, Referees, Umpires, Officials, Club Owners, Coaches and anyone else that works with minors.

This guide will explain how to register for an account, sign up for and take the course and then provide proof once you have completed it. Please note that, until proof of completion is provided, it will be assumed you have not met the requirements and you will not be allowed to work in any capacity as a USATT certified coach, official, tournament director, etc.
