

2017 Athlete Guide To State Championship and National Championships

Where Olympic Journeys Begin™

2017 Major Changes

- There is no on-site registration at any State Championship or National Championship.

SPARRING

- State Associations will have a World Class and Grassroots divisions for CADET SPARRING black belts only.
- To qualify for a World Class at the National Championships, an athlete must participate** at a State Championship in that World Class division they wish to compete in.
- Winner of the cadet Grassroots divisions will no longer qualify for the World Class division because Grassroots division will use Junior Safety Rules and World Class divisions will use Full Head Contact Rules (see competition rules for full explanation of these rules)
- Once qualified for a World Class division, an athlete is no longer eligible for Grassroots divisions.

Cadet Poomsae; Junior Sparring and Poomsae; Senior Sparring and Poomsae black belts will have World Class Divisions ONLY (no Grassroots divisions). Those athletes that participate** at a USA Taekwondo State Championships in the these black belt divisions will qualify for the World Class Divisions.

PROOF OF BLACK BELT REQUIREMENT

- Continuing from 2016, if an athlete doesn't have a black belt certification uploaded to their profile or provide a copy of certification at the time of registration, the State Association will be able to utilize the black belt verification form (see attachment C) The form will include contact information so that USA Taekwondo can track that each person provides a copy of their black belt certification by the National Championships. If a copy is not provided at the National Championships then the athlete's coach and/or instructor will be required to apply for a USA Taekwondo Dan black belt certificate at the time of registration. For more information on the USA Taekwondo Dan certification program follow this link: <http://www.teamusa.org/USA-Taekwondo/Resources/Dan-Certification-Program>

How do I qualify?

1. An athlete must first register or renew their USA Taekwondo membership.
2. Once a member, an athlete must register and participate at a State Championship.
3. State Championships are held across the nation, January through the April 30. For a detailed list of State Championships, please refer to our website at: <http://www.teamusa.org/USA-Taekwondo/Event-Calendar>.
 - a. If a state does not host a State Championship, all athletes will have to travel to another state to attend a State Championship in order to qualify for the 2017 National Championships.
 - b. ****An athlete MAY compete in the same WORLD CLASS weight (sparring) and/or age category (poomsae) in MULTIPLE STATE CHAMPIONSHIPS.**
4. For Cadets wishing to compete in a World Class Division at the 2017 National Championships, they must participate** in that division at a State Championship. Winning the Grassroots division no longer qualifies an athlete for the World Class divisions. Once an athlete has qualified for the National Championships in their respected division (Grassroots/ World Class) they MAY NOT, under any circumstance, move to the other division (Grassroots/ World Class)
5. Once an athlete has participated** at a State Championship, they are automatically qualified to compete at the National Championships. For a complete list of Athlete Qualifications and Divisions please refer to page 5.
6. The 2017 National Championships will be held in Detroit, Michigan, June 29 – July 6. For more details about Nationals, please visit our website www.usa-taekwondo.us.
7. For detailed selection procedures on how your athlete can make a National Team, please follow this link: <http://www.teamusa.org/USA-Taekwondo/HP/Athlete-Team-Selection-Procedures>

USA Taekwondo Membership

To participate at a State Championship, the participant must first register as an athlete for \$45.00. When registering, choose the option “USA Athlete, Coach, Instructor and/or Club Owner, Referee..”

If a Support membership is chosen, these members are not eligible for competition

The easiest and fastest way to register, is to visit our website, www.usat.hangastar.com, and click “Sign Up”.

Do I Need a WTF Global License (GAL) to compete?

Athletes are not required to obtain a World Taekwondo Federation (WTF) Global License if they ONLY plan to compete at a USA Taekwondo sanctioned event (i.e. State or National Championships). Global Licenses are only required for WTF sanctioned events such as the U.S. Open.

Do I Need to complete a Background Check?

USA Taekwondo has implemented Safe Sport and it is now a requirement for members in a supervisory position with our Taekwondo athletes to undergo and successfully complete a background check.

A member whose sole membership category is ‘athlete’ does not need to take a background check.

If you indicate more than one membership category in your registration (i.e. athlete, coach, referee, instructor and/or club owner) and are over the age of 18, you **MUST** complete a background check before you will be allowed to attend any USA Taekwondo sanctioned event. The background check is required even if you are registering as just an athlete for an event. For example, a member is registered as both an athlete and coach but only wants to attend an event as an athlete. The member is still required to complete a background check since they have an active coach membership.

If you need to complete a Background check, please follow the instructions listed here: <http://www.teamusa.org/USA-Taekwondo/Features/2014/April/03/Required-background-check-reminder>

Athlete Qualifications

Black Belt Athletes 12 and older competing in sparring or poomsae must be a U.S. Citizen. Athletes 11 and younger must only provide proof of residency.

USA Taekwondo State Championships are direct qualifiers for the USA Taekwondo National Championships and the National Championship are a direct qualifier for Team Trials (for cadet, junior and senior black belt divisions), there are certain divisions an athlete must be a U.S. Citizen in order to compete in. Please refer to the chart below to see what documents fulfill the requirement:

***Please send documentation to events@usa-taekwondo.us**

Divisions

All athletes participating** in the following divisions at a sanctioned USA Taekwondo State Championship will automatically qualify an athlete to compete at the USA Taekwondo National Championships. An athlete must compete in the SAME divisions and weight class that he/she wishes to compete in at the USA Taekwondo National Championships.

Sparring: All Belts – Dragon(6-7), Tiger(8-9), Youth(10-11), Junior(15-17), Senior(17-32)& Ultra(33+) & Yellow, Green, Blue & Red belts for Cadet(12-14)

Poomsae: All Belts – Dragon(6-7), Tiger(8-9), Youth(10-11), Cadet(12-14), Junior (15-17), Under 30 (18-30), Under 40 (31-40), Under 50 (41-50), Under 60 (51-60), Under 65 (61-65), Over 65 (66+) (Pairs, Teams and Freestyle)

****An athlete MAY compete in the same WORLD CLASS weight (sparring) and/or age category (poomsae) in MULTIPLE STATE CHAMPIONSHIPS.**

Cadet Grassroots/ World Class : The Cadet Grassroots division will serve as division for those athletes who's coach and parent do not think they are ready to compete using full head contact rules. Athletes that compete in the Grassroots division qualify for the Grassroots division for the National Championships. Athletes that compete in the Grassroots division DO NOT qualify for the World Class division. Cadet athletes that compete in the World Class Divisions cannot participate in the Grassroots Division at the State or National Championships if they have qualified through World Class.

Athletes must compete in the age category according to the age he/she will be as of December 31, 2017. For example: an athlete turns 10 on November 18, 2017, so they would compete as a 10 year old in the given event, even though they are 9 years old at the time of the event for all divisions.

Color Belts: All color belt athletes will be able to compete in a State Championship and National Championships at the current belt in which they hold. For example, an athlete competed at a State Championship as a green belt but has since tested and received their blue belt. This athlete may now compete at the USA Taekwondo National Championships as a blue belt.

- EXCEPTION: If an athlete competed at a State Championship as a red belt and has since been promoted to black belt, the athlete MAY NOT compete in any black belt divisions.

Misc. Information

- If an athlete wants to compete in both Junior and senior divisions, they must compete and qualify for both divisions.
- Winner of the Cadet Grassroots divisions will no longer qualify for the World Class division because Grassroots division will use Junior Safety Rules and World Class divisions will use Full Head Contact Rules (see competition rules for full explanation of rules).
- Once qualified for a World Class division, an athlete is not eligible to participate in a Grassroots division.
- ALL athletes **MUST** participate** in a State Championship to compete at a The USA Taekwondo National Championship. If an athlete is in a state that does not host a State Championship, then will need to participate in another State's championship.

****The word participating means athletes must have officially weighed-in at the event scales and/or stepped on the competition mats in front of the event referees and received a place within the division.****
