An NPC obtaining slots through the Continental Qualifier Allocation method can only be allocated a maximum of two (2) male and two (2) female qualification slots for a maximum of four (4) slots. Exceptions may be made via the Bipartite Commission Invitation Allocation method. In case of a Bipartite Commission Invitation the slot is allocated to the individual athlete, not to the NPC.

USA Taekwondo may, but is not required to, submit an application for a bipartite slot depending on whether or not, as determined by the Discretionary Selection Committee, there are athlete candidates who meet the criteria in Section 2.2 below and who are capable of medal potential, can positively impact team performance, or are considered to be on track to produce a top three podium result in the near future.

Qualification System

METHOD	QUALIFICATION
K44 World Ranking List Allocation	<p>The four (4) highest-ranked K44 athletes in each weight category on the WT Para Taekwondo World Ranking List as of January 1, 2020 each obtain one (1) qualification slot for their respective NPC. If an NPC has more than one athlete ranked in the top-4, the respective slot(s) shall be allocated to the next highest athlete from an NPC not yet qualified.</p> <p>Any slots that cannot be allocated under this method shall be allocated via the Bipartite Invitation method.</p>
K43 World Ranking List Allocation	<p>The two (2) highest-ranked K43 athletes in each weight category on the WT Para Taekwondo World Ranking List as of 1 January 2020 each obtain one (1) qualification slot for their NPC. If an NPC has more than one athlete ranked in the top2, or if the NPC has already obtained a qualification slot in the respective medal event, the slot(s) shall be allocated to the next highest athlete from an NPC not yet qualified.</p> <p>Any slots that cannot be allocated under this method shall be allocated via the Bipartite Invitation method.</p>
2020 Continental Qualifier Allocation	<p>The highest ranked athlete in each medal event at each of the five (5) Continental Qualification Tournaments obtains one (1) qualification slot for their NPC. Only athletes may enter their Continental Qualification Tournament whose NPC has not yet obtained at least two (2) male and/or two (2) female qualification slots through the allocation methods above. Athletes can only enter a medal event for which their NPC has not yet obtained a qualification slot.</p> <p>In case a Continental Qualification Tournament does not take place or a particular medal event is not offered at a Continental Qualification Tournament, the qualification slot(s) shall be awarded to the highest ranked athlete(s) from that Continent on the WT Para Taekwondo World Ranking List as of 1 May 2020.</p> <p>Any slots that cannot be allocated under this method shall be allocated via the Bipartite Invitation method.</p>
Bipartite Commission Invitation Allocation	<p>Eligible athletes will be considered by the IPC and WT for Bipartite Commission Invitation slots up to the total quota per medal event (twelve (12) entries per event).</p> <p>To be considered for a Bipartite slot, NPCs must submit an official application in writing to WT by 18 May 2020.</p>

Team Selection

- a. U.S. athletes who earn a qualification slot for NPC USA via the 2020 World Ranking List Allocation criteria above will be nominated to the Team, provided the athlete meets all other eligibility requirements.
- b. USA Taekwondo (USATKD) shall be allowed to enter athletes to compete for additional places via the **2020 Continental Qualifier, the PATU Qualification Tournament (March 2020, Costa Rica)**. USA Taekwondo will be allowed to enter up to two (2) athletes per gender in the Qualification Tournament, unless USATKD has already automatically qualified for the 2020 Tokyo Paralympic Games. For example, if USATKD has qualified one (1) female athlete for the Paralympic Games, then only one (1) additional female athlete will be allowed to be entered in the Qualification Tournament. If USATKD has already qualified two (2) female athletes for the Paralympic Games, then USATKD will not be allowed to enter any other female athletes in the Qualification Tournament.
- c. The USATKD Paralympic Athlete Selection Committee will select the athlete(s) to compete in the Pan Am Qualification Tournament through the process outlined in Section 2. Athletes who are selected to compete in the Pan Am Qualification Tournament will be notified via email from the High Performance Department prior to online registration deadlines: worldtkd.simplycompete.com
- d. Any athlete earning the automatic qualification slot for USA Taekwondo via the 2020 January WT Para Taekwondo World Ranking or the 2020 Continental Qualification Tournament will be named to the 2020 Tokyo Paralympic Games Team, provided the athlete meets all other eligibility requirements.
- e. Bipartite Selections are determined by World Taekwondo and are given to specific athletes rather than an NPC.

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

Discretionary selection will be used for Section 1.3.b., and may be used in the event that an athlete is submitted for bipartite or for replacement athletes. The rationale for utilizing discretionary selection is to allow USA Taekwondo the ability to select athletes based on their overall capabilities, performance and projected development, rather than on a single competition result.

The selections will be based on the professional judgement of the Discretionary Selection Committee with regard to the objective described above.

2.2. List the discretionary criteria and explain how they will be used (if any):

The selection committee will take into consideration World Taekwondo's ranking points, however they will only be considered as one aspect of a wider review of past performance including, but not limited to:

Medals won; quality and quantity of matches; opponents fought; protector scoring system (PSS); and percentage of matches won/lost since January 2017.

- The athlete(s) experienced an injury or illness or there was another personal factor that impeded maximal performance or prevented the athlete from competing in relevant competitions.
- The athlete was reclassified and represents a potential medal in the new sport class or weight category.
- The athlete(s) experienced equipment failure, weather, interference, or other external factors, either natural or caused by others, at a relevant event, that impeded what otherwise likely would have been a qualifying result.
- The athlete demonstrates a trend of improving performance in international competition, as evidenced by matches won, points scored, match style, difficulty of opponents faced, etc.
- The availability of an opportunity specific to the athlete's sport class/weight category.
- The athlete is capable of producing a medal-earning performance, based on past results.
- The athlete, despite age or competing a relatively short time in the sport, has a performance trajectory that is favorable to future international success.

The selection committee may call for, and give appropriate weight to, any evidence they believe may assist them in their selection decision, including detailed statistical information from USOPC performance analysts and/or others.

Where the selection committee reasonably believes it to be necessary, or helpful, they may require athletes seeking selection in a particular division to take part in a fight-off, under current WT Rules, the nature of which will be determined by the selection committee. If a fight off is deemed necessary, athletes will be notified of the date and location at least 30 days prior.

- 2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

USATKD Paralympic Athlete Selection Committee:

- CEO, USA Taekwondo
- Director of High Performance, USA Taekwondo
- Para Head Coach, USA Taekwondo
- Athlete Representative(s) – as designated by the AAC

- 2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

3. REMOVAL OF ATHLETES

- 3.1. Prior to entry by name to the Local Organizing Committee by the USOPC, the NGB/HPMO has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by the NGB/HPMO may be removed for any of the following reasons, as determined by the NGB/HPMO:

- 3.1.1. Voluntary withdrawal. Athlete must submit a written letter to the USA Taekwondo CEO/Executive Director.
- 3.1.2. Injury or illness as certified by a physician (or medical staff) approved by USA Taekwondo. If an athlete refuses verification of his/her illness or injury by a physician (or medical staff) approved by USA Taekwondo, his/her injury will be assumed to be disabling and he/she may be removed.
- 3.1.3. Failure to participate in Mandatory Training and/or Competition as defined in Section 9 of these procedures.
- 3.1.4. Violation of USA Taekwondo's Code of Conduct (Attachment A).
- 3.1.5. Re-classification of the athlete by the IPC, such that the athlete's qualifying performance would not have qualified him/her for the Team.
- 3.1.6. Removal by the IPC of the event in which the athlete qualified for the Team, from the program of the 2020 Tokyo Paralympic Games

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per USA Taekwondo's Bylaws <https://www.teamusa.org/usa-taekwondo/v2-resources/bylaws>) and the USOPC's Bylaws, Section 9.

- 3.2. Once athlete entries have been submitted to the Local Organizing Committee by the USOPC, the USOPC has jurisdiction over the Team, at which time, in addition to any applicable NGB/HPMO Code of Conduct, the USOPC's Code of Conduct and Grievance Procedures apply. <http://www.teamusa.org/Athlete-Resources/Athlete-Ombudsman/Resources/Code-of-Conduct>

4. REPLACEMENT OF ATHLETES

- 4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:
 - 4.1.1. Prior to submission of Entries by Name to the Local Organizing Committee, including any applicable group or committee:

Replacement athletes will be selected pursuant to discretionary selection set forth in Section 2.

- 4.1.2. After submission of Entries by Name to the Local Organizing Committee, including any applicable group or committee:

No replacement of athletes will occur after submission of Entries by Name.
