Agreement with the USATKD High Performance department must have been reached prior to the required event.

2. In the case of an athlete who wishes to attend a World Taekwondo Sanctioned G2 event that conflicts with a U.S. domestic event that is required in the selection procedure, a waiver of the requirement may be granted so long as the following requirements are met:

   d. **Please do not book travel until you have received confirmation from the USA Taekwondo High Performance Department that your waiver request has been granted. If you request and are granted a waiver but then subsequently do not attend the G2 ranked event then the waiver will be revoked, and this will effect your eligibility for the U.S. National Team, except in the case of injury, which should be demonstrated through supply of a signed physician’s opinion confirming your inability to compete on medical grounds at your earliest convenience.

If an athlete is ranked #1 in two or more weight divisions in the U.S. National Ranking system, that athlete must declare 6 weeks before the 1st weigh in date of the National Team event which division they intend to compete. The #2 ranked athlete will then be nominated in the division that the 1st place athlete does not choose.

For Senior athletes, if there is a tie for the #1 ranked athlete in a division, the athlete with more group II points (points earned in World Taekwondo G-level events) will be nominated to the U.S. National Team.

For Junior and Cadet athletes, if there is a tie for the #1 ranked athlete in the division, the athlete who had a better result at the current year’s U.S. Open will be nominated to the team. In the case that both athletes earn a bronze medal, the athlete who lost to the gold medalist will receive priority over the athlete who lost to the silver medalist.
