INDEPENDENT AUDITORS' REPORT

Board of Directors
USA Taekwondo, Inc.
Colorado Springs, Colorado

We have audited the accompanying statement of financial position of USA Taekwondo, Inc. as of December 31, 2007 and the related statements of activities and changes in net assets, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Corporation's December 31, 2006 financial statements and, in our report dated March 2, 2007, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of USA Taekwondo, Inc. as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of program services and of supporting services for the year ended December 31, 2007 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

USA Taekwondo, Inc. (the Corporation) is the national governing body for the sport of taekwondo, making it responsible for the conduct and administration of amateur taekwondo in the United States. The Corporation qualifies as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income tax. The Corporation is not a private foundation.

Depreciation

Furniture and equipment are recorded at cost as of the date of acquisition or fair value as of the date of receipt in the case of gifts. Depreciation is recorded for office, transportation and athletic equipment using the straight-line method over an estimated useful life of five to ten years. Depreciation expense for the years ended December 31, 2007 and 2006 was \$28,371 and \$31,109, respectively.

Cash and Cash Equivalents

Cash and cash equivalents consist of the Corporation's checking account. At various times during the year, the Corporation's bank balance exceeded the federally insured limits. In the unlikely event of a bank failure, the Corporation might only be able to recover the amounts insured.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the credit history with customers having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year-end will be immaterial.

Prepaid Expenses and Deferred Charges

Event expenses paid for in a fiscal year prior to the occurrence of a scheduled event are deferred and recognized as expenses in the fiscal year in which such events occur.

Notes to Financial Statements

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Compensated Absences

Employees of the Corporation earn a vested right to compensation for unused vacation. Accordingly, the Corporation has made an accrual for vacation compensation that employees have earned but not taken.

Contributions

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

In-kind Revenue

Sponsorship income in the form of in-kind goods such as clothing and airfare are reported as revenue and expense in the fiscal year they are received.

Functional Allocation of Expenses

Certain costs and expenses are allocated among the various programs and supporting service expenses based on salary and related expenses.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Prior-Year Comparisons

The financial statements include certain prior-year summarized comparative information in total but not by net asset or functional expense class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Corporation's financial statements for the year ended December 31, 2006, from which the summarized information was derived.
