Double elimination format will be used starting with the semi-finals.

Double elimination format Explanation:

Two defeats eliminate an entry in this tournament format. The losers in the first rounds move into the Loser's Bracket. The athletes that advance farthest in either bracket meet each other in the final match. Should the winner of the Loser's Bracket defeat the winner of the Winner's Bracket, the athletes are re-matched for the berth on the team.

Byes are distributed in the first round of the original elimination brackets as in a single elimination tournament.

Seeding Criteria:

Athletes will be seeded based on the results of the 2013 National Championships. Those athletes competing in a different weight division than the weight category in which they had medaled will be seeded below the athletes who medaled in the designated weight category.

The winner of each weight category at the USAT – Cadet Team Trials will represent the United States at the WTF – 1st Cadet World Championships in Baku, Azerbaijan.
