It is with great honor and privilege to welcome you to the 2013 California State Taekwondo Championships. Whether you are participating in the South or the North, your efforts and commitment to the sport of Taekwondo truly amazes me. I would like to express my deepest gratitude for your service and passion.

The beginning of 2013 marks the entrance of a new administration for our CUTA organization. At this time, I would like to acknowledge the many men and women who have worked hard to make this change possible. As the newly elected president for CUTA, I will do my best to serve and represent California taekwondo. I am excited to work with veteran and new CUTA officials, who dedicate their expertise to improving our taekwondo community. We hope you come away with a satisfactory experience at these championships.

Dear California Unified Taekwondo members and supporters,

As we approach the opening of our 2013 Championship season it is a great pleasure and honor to serve the California Taekwondo community as a member of the incoming 2013 board. President Yoon has put forth a visionary plan for our organization's future, back dropped against the exciting new competition venues of Pomona's "Fairplex" and the bay area's College of San Mateo. These venues will feature spacious surroundings, convenient access, electronic poomsae scoring and Daedo/Truescore gyoruki scoring with E-Hogu for 12 and over black belts.

The incoming board is determined to provide more services to our member community. Educational programs to improve our athletes, officials, and member schools are planned in order to increase member benefits and help grow Taekwondo in California. We can be proud of our organization as second only to USAT in stature and as a consistent provider of national level competitors. The upcoming championships will showcase some of the best and brightest of our young Taekwondo athletes.

Your new board is dedicated to working together in support of President Yoon, each other, and our CUTA membership to create growth and success in the California Taekwondo community. It is a pleasure to serve as your Secretary General.

Sincerely,

Master Alex M Antipa

2013 CUTA Secretary General

Junior Kyoroogi (Sparring) Safety Rules

A. No Head Contact

Ages 7 & Under (All Belts) and Ages 11 & Under (Color Belt Divisions)

1. In USAT State Championships, National/Regional Qualifiers and USAT National Championships sparring competition, the rules concerning a kick to the face shall be as follows:

- a. Any technique contacted to the head area which does not cause any injury, will be given a warning by the referee (“Kyong-go”).
- b. Any technique, which causes injury to the head area will result in a one-point penalty by the referee (“Gam-jeom”).
- c. If the competitor cannot continue because of the injury to the head area, the attacker will be disqualified.

NOTE: Inability to continue because of fright, crying or loss of will following a kick to the head which did not cause injury does not constitute grounds for disqualification of the attacker.

B. Junior Safety Rules

Ages 8-11 (Black Belts), 12-14 Year Old Cadet Division (Grass Roots Black Belts and Color Belts), and 15-17 Year Old Junior Division (Color Belts)

1. In USAT State Championships, National/Regional Qualifiers and USAT National Championships sparring competition, the rules concerning a kick to the face shall be as follows:

- a. The competitor is allowed to kick to the facial area; however, the kick must be light contact with appropriate control without causing any injury or excessive contact, or the appropriate penalty shall be invoked.

- b. The competitor who executes a successful technique (light contact without causing any injury) shall be awarded three (3) points.
 - c. The competitor who executes a kick to the face which results in a minor injury shall receive a one-point ("Gam-jeom") penalty. A minor injury is defined as abrasion or bleeding caused by non-excessive contact. The referee, with or without consultation with the tournament physician, shall determine if the abrasion or bleeding is a minor injury, and if the attack is a non-excessive one.
 - d. The competitor who executes a kick to the face which results in the inability of the opponent to continue sparring because of injury shall be disqualified. The referee, with or without consultation with the tournament physician, shall determine if the attack is an excessive contact, and if the injury is a major one.
- NOTE: Inability to continue because of fright, crying or loss of will following a legal kick to the head which did not cause injury does not constitute grounds for disqualification of the attacker.

C. 12–14 Year Old Cadet Black Belt Divisions

1. All USAT State Championships will use Junior Safety Rules for Cadet Black Belt divisions. At National Championships, there will be two Black Belt Cadet divisions: Grass Roots and World Class. The Grass Roots Cadet Black Belt division will compete in accordance with Junior Safety Rules; the World Class Cadet Black Belt division will follow Adult Rules. Athletes who are eligible to compete at the USAT National Championships (those qualifying by competing at a USAT State Championship or National/Regional Qualifier) can choose which Cadet National Championship division is appropriate for their skill level at the time of registration. Athletes cannot compete in both divisions.

D. 15–17 Year Old Junior Division Black Belts and Senior Division (All Belts)

1. In USAT State Championships, National/Regional Qualifiers and USAT National Championships sparring competition, the Senior Black Belt adult rules shall apply for these divisions.

Excessive contact to the facial or head area:

Even in the absence of visible injury, such as slight bleeding or abrasion, the referee may deem the contact to be excessive, and declare the appropriate penalty.

Where Junior Competition Rules are in effect per Article 1.B above, the competitor who executes a successful technique to the face (light, controlled contact without causing any injury) shall be awarded three points. This is in accordance with current WTF standards; however, the criteria for "excessive contact" will continue to be strictly enforced.

8-Count

Under Junior Competition Rules, the referee should NOT give an 8-count for ANY technique, even a legal one, to the head area; if a kick to the head is powerful enough to warrant an 8-count, it should be considered excessive, and the appropriate penalty should be declared.

However, the referee can and should begin an 8-count for a legal kick to the trunk area that results in a knock-down condition.

Turning Kicks

Unlike Adult Rules, turning kicks to the head will not be awarded an extra point in divisions competing under Junior Safety Rules.

Successful turning kicks to the body shall be awarded two points in all Junior sparring divisions.
