If 6 or more athletes register and make weight in a single weight division the athletes will compete in a Double Elimination Format with seeding. The winner of the Double Elimination Bracket in each weight division is waived from Phase 4 – 2012 National Team Fight-Off and named to the 2012 National Team.

**Competition Format for divisions WITH a 2011 World Championship Medalist:**

In each division with a 2011 World Championships Medalist, all athletes except the 2011 World Championship Medalist compete in a double elimination competition format. The Winner of the Double Elimination Format as outlined below. The winner of the Double Elimination format will advance to Phase 4 – National Team Trial Fight-Off.

**Round Robin Competition Format Explanation:**

The round robin tournament format consists of all individuals playing each other one time. The round robin schedule has fixed schedules; all athletes know exactly who they play and what time they play them, which offers some advantage to athletes in preparing for the tournament and upcoming games. Seeding does not affect the outcome because the cumulative results of all games played determine final standings.
The top two finishers of the 2012 National Team Trial will advance to Phase 4 – 2012 National Team Fight-Off that will occur on the same dates immediately following the conclusion of the round robin matches. In Phase 4 – the division winner only needs to beat the second place athlete once to advance, while the second place athlete will need to beat the division winner twice to advance. In the case of a tie at the end of regulation, standard sudden death regulations apply.

The Drawing of Lots for Round Robin:
The Drawing of Lots will take place at registration as each athlete checks-in for the event. Each weight division will have a separate bag with a ping pong ball with the number of seeds competing within the weight division. Each athlete will pick one ping pong ball from the bag which will be their corresponding seed. The seed of the athlete will be represented on the schedule which will be dispersed to the athletes at registration. The drawing of lots will be completed for each weight division. If a pre-registered athlete does not show for weigh-in or does not make weight, his or her matches corresponding with his or her seed will remain in the schedule and no result will be determined for those matches.

ROUND 1: 1 v 4  2 v 3  
ROUND 2: 1 v 3  4 v 2  
ROUND 3: 1 v 2  3 v 4  

The following tie-breaking procedure will be administered to determine the top finishers should this scenario arise.

1. 2-way tie in round robin competition:
   a. This tie will be broken based upon head-to-head competition. If only two athletes have identical records, then the winner of the head-to-head competition shall be designated the number one seed and the loser of the head-to-head competition will be declared the number two seed.

2. 3-way tie in round robin competition:
   a. Each athlete will participate in the drawing of lots to determine the fight match-ups which will be as follows:
      i. Match #1 – Draw B v. Draw C  
      ii. Draw A receives a bye  
      iii. Match #2 – Winner of Match #1 v. Draw A
   iv. Determining Results
      1. The winner of match #2 is declared the number one seed.
      2. The loser of Match #2 is declared the number two seed.
         a. The number one and number two seed will participate in a Fight-Off as described below.
      3. The loser of Match #1 is declared the 3rd place finisher.
Double Elimination Format Explanation

Two defeats eliminate an entry in this tournament format. The losers in the first rounds move into the Loser’s Bracket. The athletes that advance farthest in either bracket meet each other in the final match. Should the winner of the Loser’s Bracket defeat the winner of the Winner’s Bracket, the athletes are re-matched for the championship.

Byes are distributed in the first round of the original elimination brackets as in a single elimination tournament.

Seeding Procedures for Double Elimination:

If the athlete receiving the performance waiver switches weight divisions from which they received the performance waiver, they will be seeded according to criteria #5 below at the Phase 3 – National Team Trial.

Seeding for each weight division will be administered by the prioritized list below:

1. 2011 Olympic Qualification Team member.
2. 2011 World silver and bronze medalists – per medal value, Silver, Bronze.
3. 2011 National Team member.
4. 2011 Pan American Games Team member.
5. Athletes with performance waivers who are switching divisions.
6. This is followed by a random draw of all 1st place finishers from the PHASE 2 – 2011 Senior National Taekwondo Championships – World Class Division
7. This is followed by a random draw of all 2nd place finishers from the PHASE 2 – 2011 Senior National Taekwondo Championships – World Class Division
8. This is followed by a random draw of all 3rd place finishers from the PHASE 2 – 2011 Senior National Taekwondo Championships – World Class Division.

USA Taekwondo (“USAT”) has created a uniform, transparent and equitable policy for its 2012 Senior National Team Trials that protects USAT’s investment in world class athletes who have produced medals at the 2011 World Championships and/or qualified by placing in the top three at the 2011 World Olympic Qualifier.

Policy: It is in USAT’s best interests to not penalize its world championship medalists who have sustained temporary debilitating injuries prior to USAT Team Trials for any World Championship and Olympic Games. This policy protects USAT’s investment in these athletes while being cognizant of the rights of all other competing athletes in any affected divisions.

Injury Waiver Procedures: 2011 World Championships/2011 World Olympic Qualifier

1. Existing Injury Prior to Trials: Any Medalist, Gold, Silver or Bronze from the 2011 World Championships, or any qualified athlete placing in the top three at the 2011 World Olympic Qualifier, that has a medically documented injury prior to the applicable Team Trials may apply for a medical waiver to a three person Medical Waiver Committee consisting of the Board Chair, the CEO and AAC representative. Said application shall be submitted as soon as possible and generally no later than the final trials registration date unless the athlete can demonstrate good cause that the injury or illness arose after the final registration date for the trials. The reason for this deadline is so a determination on the injury waiver application may be made and then publicized to all trials participants in the affected weight class prior to the trials. That committee shall examine the circumstances of the injury, (i.e. was it sustained in training, competition or other unavoidable accident as opposed to self inflicted such as avoidable car accident where athlete was found to be dui). The committee shall have the right to seek an independent medical examination of the athlete to confirm the severity and expected duration of illness. Said committee shall also have the right to consult with the USOC medical staff or any member(s) of USAT’s Medical Committee in conjunction with any medical waiver application. Said committee may grant or deny said medical waiver. Said grant or denial of a medical waiver may only be appealed within 7 days of the decision directly to a AAA arbitrator as provided in the Amateur Sports Act. Said right of appeal is only permitted to be filed by the injury waiver applicant. No third parties including other trials applicants shall have standing to appeal said grant or denial of the injury waiver application. However, in any such appeal by an injury waiver applicant other athletes affected by that decision shall have a right to be heard.

2. Challenge Matches: The grantee of a medical waiver as noted in section 1, above, shall have a right to challenge the winner of the Phase 3 2012 Senior National Team Trials in the weight division in which the grantee won a 2011 World Championship gold, silver or bronze medal, or finished in the top three at the 2011 World Olympic Qualifier. The date and place for said challenge match shall be set by the medical waiver committee denoted in Section 1, above but shall take place no later than 30 days before the beginning of the
2012 Pan Am Championships or 2012 World Cup, whichever is earliest. USAT shall set a deadline for the grantee to exercise his or her right to a challenge match which shall not be made later than fourteen (14) days after the 2012 Phase 3 Team Trials. USAT shall provide the venue and the officials for said match. The winner of the team trials’ and their registered coach’s travel expenses shall be borne by USAT. The medical waiver grantee shall pay his or her own travel expenses for the event. The athletes in this Phase 4 fight off are both “A” seeds and the athlete that wins two out of three matches shall be declared the 2012 National Team member.

3. Injuries Occurring During Team Trials: As a general rule no injury waiver shall be granted to a World Championship medalist for injuries sustained after they register and weigh in for said Team Trials. This shall apply to injuries sustained during said 2012 Senior National Team Trials competition. However, a 2011 World Championship Medalist, Gold, Silver or Bronze, or an athlete who has finished in the top three at the 2011 World Olympic Qualifier, has the right to apply to the Medical Waiver Committee for an injury waiver in the case of extraordinary circumstances for injuries sustained during the competition. For example, if said 2011 World Championship medalist, or 2011 World Olympic Qualifier top-three finisher, is the victim of an act deemed flagrant, illegal and intentional by the Medical Waiver Committee and is unable to medically complete the trials a medical waiver may be granted. One example of this would be one fighter deliberately attempting to injure or acting so recklessly so as to unavoidably injure another fighter so they cannot compete further in the event. In order for any such appeal to stand the referee shall have been required to call a Gamjon against the appellant’s opponent for the action in question. Said in-event medical waivers shall only be granted for extraordinary circumstances. The Medical Waiver Committee shall have the right to examine videotape and summon any witnesses, including match officials, athletes and coaches, it may deem necessary to make a fair determination.
