Pursuant to the Panel’s request for convenient hearing dates, Petitioner’s counsel has chosen to not provide any dates and has declined to participate in a USA Taekwondo hearing before a Judicial Committee hearing panel appointed to hear the matter. Counsel has also engaged in extended self-serving, misleading letter writing undeserving of a reply.

Petitioner’s refusal provides no alternative to termination of this proceeding, based on the conduct of Petitioner, as the Hearing Panel cannot proceed in a case where Petitioner objects to its jurisdiction and refuses to participate.

This proceeding is terminated for Petitioner’s refusal to participate in a Judicial Committee Panel hearing.
