No excuses, lets win now!

USA Team Handball has the potential to be the BEST in the world. For too long we have been repeating the same mistakes over and over. I have been successful at every level. I started playing handball in college at Georgia Tech where I became vice president. I moved to Los Angeles and became president of the Los Angeles Team Handball Club leading to two National Championship and two silver medals. I played 2 years with the USA National Team. I recently started and coached the Men's team for USA Beach Handball qualifying for 2 World Championships and winning the Gold Medal at the Pan American Championships. Chairman of the largest and most transparent search to hire Robert Hedin as Men's National Team Coach.
