

Level II/Level II Endurance Recertification Process

Recertification Requirements

All information on the USA Triathlon coaching recertification process can be found online at <https://www.teamusa.org/USA-Triathlon/USAT-for-Me/Coaching/Recertification>. Everything will need to be submitted in the online recertification form found here: www.usatriathlonuniversity.com/login.

Requirements:

- 20 CEUs
- CPR
- Background check
- Service to the Sport
- SafeSport

Directions on how to complete all of the required steps can be found on the following pages. Steps can be completed in any order, however ALL must be completed before you submit for recertification.

CEUs

Level II/Level II Endurance Certified Coaches will need to earn 20 total CEUs for recertification. Of those 15, 5 must be USAT approved. Level II Endurance Coaches must have 3 CEUs focused on endurance.

USAT Approved CEUs: <https://www.teamusa.org/USA-Triathlon/USAT-for-Me/Coaching/Education/USAT-Approved-CEUs>

Non-USAT Approved CEUs: <https://www.teamusa.org/USA-Triathlon/USAT-for-Me/Coaching/Education/Non-USAT-CEUs>

If you take a course that you would like reviewed for non-USAT CEUs, please submit the [online review form](#).

Any CEUs completed on the University system (webinar/newsletter/DVD/book exams) will be automatically tracked on your account. Anything in-person (clinic CEUs, conferences, etc.) must be tracked on your own.

CPR

All Certified Coaches must have current CPR at all times. CPR renewal can be done online and any legitimate organization is accepted (examples include American Heart Association, American Red Cross, YMCA).

Coaches must show proof of a CPR card or signed letter from an instructor.

In order to recertify, coaches must have a CPR card that does not expire before their recertification deadline regardless of when they submit for recertification.

- Example: if a coach expires on December 31, 2018 but submits recertification on August 1, 2018, their CPR card must have an expiration date after December 31, 2018.

Background Check

All Certified Coaches must complete the NCSI background check. Complete step by step directions can be found at the link below. Service to the Sport

Coaches must complete the Service to the Sport form which shows their contribution to the triathlon community. Service to the Sport is defined as the way you have given back to the sport of triathlon, above and beyond your normal coaching duties.

Examples include but are not limited to: coaching or presenting at a triathlon camp/clinic, holding local/regional/national coaching positions, writing an article for the Performance Coaching Newsletter, volunteering at a triathlon race, etc.

The Service to the Sport form is now included within the recertification form. No separate attachment is required.

SafeSport

Coaches need to complete the [U.S. Center for SafeSport course](#) in order to recertify. This is a free online course. This course is around 3 hours and worth 3 USAT CEUs. *Please note this course is different than previous years.*

Complete step-by-step instructions on how to complete the program can be [found here](#). The access code for the program is FDV2-N6TL-T4GA-SWNZ.

You must complete all three sections of the course:
