## Women's Committee 2018 Committee Report

### Mission

The USA Triathlon Women's Committee is a resource for female athletes of all levels and socioeconomic backgrounds by mentoring professional growth and providing opportunities for women in the sport of triathlon.

### 2018 Accomplishments

- Provided 3K in Educational Grants to women looking to further their leadership roles in triathlon
- Partnered with the Leanda Cave Foundation for 'Together We Tri' and helped over 30 women complete their first triathlon
- Awarded 4 individual Women's Committee awards to members of the multisport community who have had an impact on growing women in the sport
- Judy Flannery Award with write ups in multisport zone and the USAT magazine
- Had presence at the Art and Science Symposium and the Outspoken Summit
- Raised our social media numbers (1,561 followers on facebook)
- Provided 3k in Womens Grants towards individuals or groups hosting all women's clinics, training groups, races, etc.
- Updated our USAT Womens Committee website (new, engaging layout that allows for page growth)

### 2019 Objectives

The 2019 objective for the USA Triathlon's Women's Committee are to continue to be a resource for female athletes of all levels and socioeconomic backgrounds through education grants, mentoring opportunities, recognition awards, having a presence at events, and providing grants to support women's only clinics, training groups, races, etc.
