The Athletes' Advisory Council makes recommendations to the Board of Directors on issues related to the needs and concerns of the elite athlete members of USA Triathlon including but not limited to:

1. the selection of elite athlete races;
2. the determination of qualification procedures for the selection of members to USA Triathlon's Elite National Team;
3. the establishment and maintenance of elite rankings for USA Triathlon;
4. the adoption, amendment and enforcement of rules relating to competitions in which elite athletes compete; and
5. the procedure for the appointment or election of elite athletes to the United States Olympic Committee's Athlete Advisory Council

The AAC also appoints athletes to any USA Triathlon committee that prepares, approves or implements programs regarding (i) the expenditure of funds allocated to USAT by the United States Olympic Committee; or (ii) the selection of international, Olympic and Pan American Games Team members, including athletes, coaches, administrators and support staff.

The AAC consists of seven (7) members. The three (3) Athlete Directors automatically serve as members of the AAC. The remaining four (4) AAC members may be any member of the elite pool. The AAC meets once per month by conference call.
