To sign onto LearnUpon you’ll need to click on the following link or copy and paste into your web browser.

The above picture will appear. If you do not already have an account, please register for one.

Once registered, LearnUpon will ask you for what state you reside in and what group you belong to. Please indicate “Race Director.”

After you are through, you’ll come to the above picture. You should see the course as you are “Enrolled” in the class. If that’s not the case, please email eventservices@usatriathlon.org

From this point all you would need to do is click on the “Start” button.
When you open up the Course you should see three modules. All three modules will need to be filled out sequentially and cannot be skipped.

The last module is a 5-question quiz which will go over the videos in the course. A race director will need to pass the quiz in order to be eligible to sanction with USA Triathlon.
