**Who is Eligible to Enter?**

Teams representing a USAV Member Organization and who are authorized by their organization’s executive/Regional Commissioner may submit an entry application. Additionally, non-USA teams are permitted to enter the USAV Open, AA, A, BB or B, Masters / Seniors or Sitting championships and shall meet the prescribed eligibility rules. All participants / roster personnel from USA domestic teams, in addition to being a member of the organization they represent, must be a current registered member of USA Volleyball.

**Eligibility Requirements – General**

Eligibility rules for teams and athletes in all tournaments of the USA Volleyball Open National Championships shall be those legislated and implemented by the organization that each team and participant represent, as well as those of USA Volleyball included in the Bylaws, Operating Code and policies adopted by the USAV Board of Directors. *It shall be the responsibility of team representatives and participants to obtain this information and be familiar with these requirements, especially those detailed in Article X of the USAV Operating Code published in the USA Volleyball Guidebook.*

All teams and persons listed on the official entry application forms for participating teams shall be eligible under the rules of the organization they represent, as well as those of USA Volleyball specifically as follows:

1. **ALL** participants (i.e.; players, coaches, managers, trainers, team representatives/ofﬁcials) must currently be registered as members of USA Volleyball, or with their own national volleyball federation and be at least 18 years of age.
2. Players are required to adhere to the rules and regulations of the organization which they represent as well as those of USA Volleyball.
3. **ALL** players competing in a Club (AA, A, BB, B) Championship Tournament shall be eligible for that Club tournament only. Players may be eligible for non-Club tournaments if otherwise eligible and not concurrent. All participants shall be registered strictly in accordance with the rules and regulations of the Member Organization they represent.
4. **ALL** current REGULAR REGISTRANTS of USA Volleyball and properly registered participants from other national volleyball federations are eligible to participate in Events for which they are eligible.
5. Teams will be restricted to participate in one Championship Tournament during any one session. With the exception of #3 above, for those Championship Tournaments that are not conducted concurrently, a team/player may participate in a second Championship Tournament.
6. A player’s name shall not appear on more than one roster except as authorized. Should this infraction occur, first participation shall determine the player’s team, and he / she will be declared ineligible for any other teams on whose roster his / her name appears. Responsibility for this will rest collectively and jointly with the Regional Commissioner / Organization Executive, the individual participant and the Team Representative.
7. Non-USA players (individuals) whose names appear on the roster of any domestic team must be registered with the National Federation they represent and fill-out the appropriate paperwork.
8. A non-USA team composed entirely of non-USA players shall register all of its players with its national volleyball federation. Non-USA teams shall purchase insurance from USA Volleyball at the current established rate.
9. Any participant causing disruptive or unfavorable action to USA Volleyball during these Events as determined by the Competition Director / Designee of the Event shall be liable for disciplinary action by the Event Arbitrator. Such disruptive or unfavorable action includes that which occurs at the playing venue or anywhere in the host city during the scheduled events, including pre-event days a participant is in the host city.

10. Teams competing in the 1st session may be eligible to participate in another tournament of the 2nd session (see: “Eligibility for Participation in Two Championship Tournaments”).

11. Teams entering the Open, Sitting and Masters / Seniors tournaments may be conglomerate. Conglomerate teams shall be considered those teams composed from any source and essentially a group of players who may or may not have played together prior to this Event. All participants must be currently registered members of the Member Organization they represent.

   a. Conglomerate teams participating in the Sitting and Masters / Seniors tournaments shall represent a USAV Member Organization or another national volleyball federation. The appropriate authority from the Member Organization/Country the team is representing must verify all conglomerate team rosters.

   b. Conglomerate teams participating in the Open tournaments must ensure that each participant is properly registered with USA Volleyball or another national volleyball federation in the approved manner. The appropriate authority must verify and approve the roster prior to competition.

   c. Conglomerate teams are not required to participate in earlier USA Volleyball or RVA sanctioned competition unless it is required of the Member Organization they represent.

11. Players registered in a national volleyball federation other than through USA Volleyball shall obtain the required permission and release from their respective country’s national volleyball federation.

---

**USAV & FIVB Federation Membership Requirement**

All persons whose names appear on the Official Roster, including players, coaches, team representatives, trainers, and managers must be registered with USAV through a USAV Member Organization or their FIVB Federation. The purpose of this registration is the extension of USAV’s liability insurance program or, in the event of a USA Territory, FIVB Federation Member purchasing event insurance. This will ensure all registered USAV players, coaches, team representatives, managers, and trainers at this Event have liability coverage and Sports Accident Insurance (this is an excess coverage plan). If a medical emergency arises, athletes and coaches much have all necessary documentation to show proof of medical insurance, primary and / or excess coverage.

For all USA Volleyball corporate events, any person who alters any document that certifies the age or identity of a participant, or falsifies any statement which lists the age or identity of a participant, will be sanctioned as follows:

1. be immediately suspended from USAV membership and barred from further participation in the event;
2. be barred from participation in any USAV Corporate events in any capacity for a minimum of two (2) years; and

2. be barred from participation in any USAV Corporate events in any capacity for a minimum of two (2) years; and

Any player in question must provide proof of identity and age eligibility, if requested.

When discovered and confirmed during an event, the above penalties shall be the required **minimum** penalty imposed by the Event Arbitrator or the Event Ethics and Eligibility Appeals Committee.

The Event Arbitrator or the Event Ethics and Eligibility Appeals Committee may recommend a more severe penalty. The Event Arbitrator or the Event Ethics and Eligibility Appeals Committee shall file a report of any age or identity violation with the Corporation's Ethics and Eligibility Committee and with the registering Member Organization with its recommendation.
USA Volleyball Gender Determination Policy

Transgender athletes must request permission to play by submitting a request to the Chair of the Gender Committee. Documentation of testosterone levels may be required. Requests should be sent to ChairGenderCom@usav.org. Below is the Policy that has been proposed but not adopted by the Board of Directors. It will be the basis for the Guidelines used by the Gender Committee.

USA VOLLEYBALL PROPOSED GENDER COMPETITION POLICY (GUIDELINES)

The vast majority of athletes are expected to compete as a member of the gender noted on their birth certificate. The goal of the USAV policy is to permit athletes to compete in the gender with which they identify, while minimizing any competitive advantage which may accrue. Athletes who wish to compete as a member of the gender opposite that recorded on their birth certificate must duly notify USAV of their intent, and provide appropriate medical documentation of their status to the USAV Gender Committee (GC) at least six weeks prior to the competition in which they wish to participate. Sufficient documentation must be provided to permit the GC to determine that the applicant has taken the necessary steps to transition to their adopted gender. At a minimum, this should include medical records documenting the athlete’s intended sexual reassignment (including physicians’ and psychotherapists’ statements, record of hormonal therapy, and the response to such therapy). The GC reserves the right to consult and share relevant information with medical experts, as deemed necessary.

Hormone therapy is a critical component of sex reassignment, but treatment with sex hormones may potentially provide transsexual athletes with an unfair competitive advantage. For this reason, the USAV GC requires that transsexual athletes provide documentation of appropriately managed therapy at the time of initial application to compete. If the athlete is approved to compete as a member of their adopted gender, periodic submission of test results documenting hormonal levels in response to ongoing treatment may be required by the GC. The GC will therefore be responsible for tracking transgender athletes once registered, in addition to serving as the point of contact for all inquiries regarding these participants. The expense of any required testing will be the responsibility of the athlete.

Note: This policy does not apply to any competition or event where the International Olympic Committee’s policy on transgender may apply, or to a competition or event being used as a qualifier for another competition or event where the IOC’s policy on transgender may apply. This may include, without limitation, (i) USA Volleyball National Team qualifiers, competitions or events, and (ii) competitions or events operated or sanctioned by FIVB, the IOC, the International Paralympic Committee or World Para Volley, whether involving beach, indoor or sitting disciplines.

Current transsexual testing requirements are as follows:

**Female to Male, all age groups (prepubertal, pubertal, and adult)**
All athletes must submit appropriate documentation upon request. Testosterone levels must not exceed the upper limit of the normal male reference range for their age group.

**Male to Female:**
All athletes must submit appropriate documentation upon request.
Testosterone levels must not exceed the upper limit of the normal female reference range for their age group.

**Age18 and Over (registered as an Adult)**
Testosterone levels must fall within normal adult female reference range for a minimum of 1 year prior to the application to participate.
