IMPORTANT INFORMATION ABOUT CHECK IN ON JUNE 25TH – 14's/15's AGE GROUP: Due to circumstances out of our control, we will be moving Team Check-In on June 25th for the 15s Age Division to an off site location from 3PM – 10PM. Because of the Ford Firework Show in Downtown Detroit, there will be multiple street closures and heavy foot traffic. Teams will still be able to check in their 15s at the COBO center on June 25th from 10AM – 2PM, however we will be moving to the offsite location starting at 3PM and will be there until 10PM to help alleviate teams trying to get in to downtown during this time. Teams will most likely need to take alternate routes to get to their hotels on this day because of certain street closures.

OFF SITE LOCATION FOR TEAM CHECK IN ON JUNE 25th (starting at 3pm – 10pm)

Hilton Garden Inn Detroit Metro Airport
31800 Smith Rd
Romulus, MI 48174

If your 14's team is playing in the afternoon wave on June 25th please arrive early as people begin to line the streets starting around 12pm for the fireworks show. Please expect delays leaving the COBO Center.

Detroit Police Department will be enforcing a curfew on June 24th and 25th from 6pm-6am for anyone under the age of 18. All minors must be accompanied by an adult during these times and must have their credentials/tournament wristbands on them at all times.

For more information about street closures please follow these links <https://usavgjnc.visitdetroit.com/> and <https://theparade.org/ford-fireworks/parking-information/>.

HOTEL INFORMATION:

USAV has a Stay & Play Policy for this event. Hotel reservations should have been made through Team Travel Source, our hotel reservation specialists this year. If you did not book your reservations through Team Travel Source or did not receive approval for a waiver you could be subject to loss of your bid. If you have changes or concerns about your reservations please call 844-875-4586 or try the Team Travel Source website (www.teamtravelsource.com).

FOOD, COOLERS AND CHAIRS:

These items **WILL NOT BE ALLOWED** in, or outside of the building and will be subject to confiscation from the Detroit Convention Center security. For your safety, security and peace of mind, keep coolers in your vehicles. The Detroit Convention Center will be selling food in the venue and they have made an effort to provide a good variety of options. Although we ask that they try to sell a few healthy snacks, we cannot control what they will ultimately sell.

1. In an effort to make the registration process more efficient we have designated the day before competition begins to all age divisions for check-in. We do encourage teams to check-in early if you are on site prior to your check-in date. However, priority will be given first to the age divisions designated to that day. **Teams must be completely checked in prior to closure of registration (9PM) on their designated registration day.** Teams that fail to check-in during this time frame will be penalized by forfeiting their first match of the tournament. Teams will not be allowed to check in the morning or afternoon of play. Please arrange travel accordingly to ensure you arrive on your check-in day. If you are delayed for any reason, please send an email to Cassidy.bush@usav.org.
2. Only the team representative, club director or coach should go to the check-in of the Cobo Center to register the team(s).
3. Credentials will be issued to verified personnel only, duplication of personnel from one roster to another **WILL NOT** get the additional credentials. All rostered adult staff must be registered with their USAV region and have passed a background screening through the USAV screening process and must have completed the USOC SafeSport course. If roster additions will be made onsite, event staff will have to be able to verify USAV membership and background clearance through the official membership database.

WHAT TO BRING TO CHECK-IN:

- Players' birth certificates (legible photocopies acceptable) - Must show at check-in only; you do not need to turn in a copy. (Copies of a driver's license or passport will be accepted as well). The Coach or Team Rep should have the copies accessible court side in case any player is challenged for identity.
- **MEDICAL RELEASE FORMS:** Teams must have a copy of their completed medical release forms to show at check-in. As in past years, we are not collecting them you just need to show them. The forms **must** be with the team coach or team representative throughout the tournament. **No** player will be allowed to participate without a copy of the medical release form in the possession of the coach/team rep.
***Suggestion:** Have your copies of the team's medical release forms in a folder. Alphabetize them and even place them in plastic sleeves for easy manipulation.
- You are welcome to print a copy of your event roster to bring with you. A copy will be provided at check-in for verification purposes. You can access the exact roster USAV will print by clicking on the team name in AES and where you see the event listed, click on the "Print" roster. All adult members listed as "Staff" including Chaperones must have passed a background screening through your region and must be members of USA Volleyball and all rostered adults must complete the USOC SafeSport course, no exceptions. All verified membership should be "USAV" verified, "RC" will only be accepted for Team Managers under 18 and Puerto Rican teams. If you have an "N", please try to get this cleared prior to arrival. If you need assistance with this send an email to gjnc@usav.org.
- **TEAM TRAVEL POLICY** – in lieu of the chaperone requirement, USAV has implemented this new policy. Please make sure you have a copy of your team travel policy on hand. If you do not have a team travel policy in place, USAV will provide you with one. You can find USAV's sample team travel policy in Chapter 2 of the Tournament Manual.

TOURNAMENT CREDENTIALS:

Tournament credentials will be issued to those individuals who were designated on the Official On-line Roster. **ALL** staff members listed on a roster must be registered with the teams' USAV region, must clear a background screening, and must be SafeSport Certified. IMPORTANT IMPACT CERTIFICATION NOTICE!!

IMPACT Clinics are no longer offered at the Junior National Championships. In addition USA Volleyball policies have changed; it is now a requirement that EVERY coach listed on a team roster be minimally IMPACT Certified. Teams will be deemed ineligible and denied access to the 2018 USA Junior National Championships if their coaches are NOT IMPACT Certified. All coaches, Head and Assistants must now be certified to coach.

Please make arrangements prior to the Championships to become IMPACT certified.

For more information on IMPACT Certification, contact your local RVA.

As an alternative, there will be IMPACT Webinars available through USA Volleyball. Visit the USA Volleyball Cap Website for more information or email: cap@usav.org.

Teams will NOT be eligible to participate at the Junior National Championships without meeting the coaching certification requirements.

An IMPACT Certified member of the roster MUST be present at the Scorer's Table during all team officiating assignments.

ROSTERS:

The team roster is limited to 15 players and 5 adults and ***will be in effect throughout the Championships***. ONLY those persons whose names appear on the verified roster will receive credentials and are permitted to sit on the bench.

All changes as of the roster change deadline and made onsite will have to be verified by the USAV registration system and will be charged in the amount of \$25.00 *per change* to the roster(s). These changes will have to be processed at check-in time at the Detroit Convention Center. If the paperwork is not complete, any and all proposed changed personnel **WILL BE** deemed ineligible. **NOTE:** For any staff member additions, USAV membership and background screening clearance must be able to be verified by the USAV membership database.

Roster verification: We are making every effort to get the rosters 100% verified at this point. Please take a look at your rosters on AES and make sure they are correct. You can see the roster that we will print for the event by logging into AES, clicking on the Team Name and clicking on the "Print" roster under the 2018 Girls 'Junior National Championships event.

SCOREKEEPERS CLINICS:

A scorekeeper clinic will be held only before the start of 11s – 13s age groups this year. If you do not have a player or adult on your roster who is a certified scorer, someone from the roster must attend the scorekeeper's clinic.

2018 GIRLS' JUNIOR NATIONAL VOLLEYBALL CHAMPIONSHIPS

WARM UP BALLS & CARTS:

USAV **WILL NOT** be able to provide warm-up balls & carts on every court. With the recent growth of the Girls' tournament, we do not have the inventory of balls and carts to accommodate all of the teams. However, USAV **WILL** have balls available for teams to check-out on a first-come, first-serve basis throughout the tournament. The person checking out the volleyballs will need to provide an ID at the time of check-out (there will be a charge for any balls that are checked out and not returned to USAV).

Note: We do not have enough balls to supply every team so it would be wise to bring balls and carts with you.

PLAY SCHEDULE & RESULTS:

The play schedule is available on the USA Volleyball website and through AES (Advanced Event Systems). Once the tournament begins the results will be updated continuously on this site as well.

<https://www.advancedeventsystems.com/events/13395/divisions> & <https://www.teamusa.org/USA-Volleyball/Calendar/2018/June/25/Girls-Junior-National-Championship/participant-info/schedule> . The waves and finals schedule will also be posted on this link.

GOLD FINALS TIMES & THE FINAL DAY OF PLAY BRACKETS:

All age division teams will play all 4 days (except for the teams in the 11 National Division who will only play for 3 days). The final day of play will be single elimination brackets. Brackets will all start between 8am and 12pm and the final matches scheduled in all brackets other than the Gold might be scheduled as late as 3pm. Take into consideration that courts generally run behind on the final day of play and that the losing team must stay and ref the following match on the court they are playing on.

UNIVERSITY ATHLETE:

University Athlete is the official college coach's communication tool for the Girl's Junior National Event.

All player data is extracted from Advanced Event Systems (AES) and supplied to colleges on their mobile devices. Teams that submit incomplete player information are putting their athletes at a disadvantage for recruiting purposes. It is the responsibility of the Team Representative/designee to input the data into the registration system (AES) accurately and completely for all players. Player information will be supplied to colleges for 15-18 age divisions only.

University Athlete is an important tool for all participants, parents and coaches. Most colleges obtain important information on student-athletes from data collected by University Athlete. For more information on University Athlete please visit their website at www.universityathlete.com. UA would like to encourage all athletes to go on and create their free UA profile.
