SEEDING FOR CHAMPIONSHIPS

Seeding for the 18sGJNC is determined by Team results throughout the year as collected by USA Volleyball and entered into the official registration system using Team codes. According to these results, the top quarter of all participating Teams in a Tournament (first seeded Teams in the first round of pool play) are seeded numerically by strength.

For example, the strongest 12 teams in a 48-team tournament are determined from the entire field and then are seeded accordingly by strength from seed No. 1 to seed No. 12. Next, the second quarter of all remaining teams is determined based on information from Results Reporting. However, these teams are seeded in a different manner than the first quarter teams. They are seeded primarily in such a way that regional conflicts are avoided and secondarily seeded according to strength.

In the same manner, the third and fourth quarter teams are determined. Then they are seeded first and foremost in the pools where regional conflicts do not occur, and then with stronger teams seeded higher.

TOURNAMENT CREDENTIALS

1. The roster is limited to 15 players and 5 staff personnel.
2. **The roster must identify a Head Coach.** *Optional* personnel to be identified can be an Assistant Coach(es), Team Representative(s), Chaperone(s), and Team Manager(s)
 - a. The Team Manager position is primarily reserved for, but not restricted to, junior level members (members who are registered in a junior level membership category or are under the age of 18) participating with a junior team in a non-player capacity. These members cannot be placed in any team staff position other than “Team Manager”. Junior level staff members must be at least 10 years of age. USA Volleyball and the event arbitrators reserve the right to conduct random ID checks on any staff person listed on the roster at any time.
3. ALL team personnel (players and staff) are to be registered with their Member Organization and verified on the roster by the required deadlines.
4. Those persons whose names appear on the verified roster receive credentials for admission and are permitted to sit on the bench. Credentials will be issued to verified personnel only. Duplication of personnel from one roster to another **WILL NOT** result in additional credentials.
5. The player credentials are NOT VALID for adults or parents of the players.
6. **ALL CREDENTIALS ARE NONTRANSFERABLE AND WILL BE CONFISCATED IF MISUSED.** The Championship Committee reserves the right to conduct random and periodic ID checks during competition.
7. **Credentials will not be replaced if lost or stolen.** It is highly recommended that an adult control the credentials when the players are inside the playing area of the venue, and that players write their names on the back of the credentials. Tickets will have to be purchased for players and staff who do not have their credentials when entering the venue.
8. Teams must have ID (copies of driver’s license, birth certificate, passport or state/federal ID—photo ID is preferred if available) for EACH playing and non-playing participant on the roster at all times during competition. It is to be shown upon request to any authorized representative of the Championship Committee, USAV Staff, Arbitrator or the Event Security Staff.

UNIVERSITY ATHLETE & COLLEGE RECRUITING INFORMATION

University Athlete is the official college coach's communication tool for the Girls Junior National Event.

All player data is extracted from Advanced Event Systems (AES) and supplied to colleges on their PDAs. Teams that submit incomplete player information are putting their athletes at a disadvantage for recruiting purposes. It is the responsibility of the Team Representative/designee to input the data into the registration system (AES) accurately and completely for all players. Player information will be supplied to colleges for 15-18 age divisions only.

University Athlete is an important tool for all participants, parents and coaches. Most colleges obtain important information on student-athletes from data collected by University Athlete. For more information on University Athlete please visit their website at www.universityathlete.com.

OFFICIALS & OFFICIATING

The Officials Administrative Committee will assign the first and second referee for all matches. It is expected that there will be enough certified referees and candidates present to allow USAV to assign both first and second referees for every match. However, teams should be prepared to provide an adult referee. Anyone taking the assignment must be minimally certified through their region process and verified on the roster.

Teams are responsible for providing an officiating/work crew for Matches in which they are not scheduled to play. Those work assignments can be found in the official play schedule. For planning purposes, be prepared to provide the following officials:

- Second Referee (GJNCs provides R2)
 - Must be a rostered adult for **ALL** age division Matches
- Certified Scorer (PENALTIES NOTED BELOW)
- Scoreboard Operator
- Libero Tracker
- 2 Line Judges

Non-rostered personnel may be allowed to work on the officiating Team, with the exception of the R2 position, provided they can provide documentation that they are registered with a Region of USAV to include a current membership, cleared background screening, and is SafeSport trained, as well as have the appropriate certifications. Appropriate paperwork would need to be provided for Foreign Team personnel.

- A Team's failure to have a complete officiating crew—including a rostered adult for that Team—available and on time for an officiating assignment will result in the Team having to forfeit the first game of its next Match.
- For every minute an officiating Team is late to fulfill its assignment, one (1) point will be awarded to that Team's next opponent in the first game of the next Match for up to 25 points. No more than 25 points will be awarded to the Team's next opponent, even if the Team designated to officiate misses the entire Match. The time that determines how many penalty points are assessed begins at the start of the receiving Team's warm-up.
- A Team will forfeit its entire next Match for failing, a second time, to have an officiating crew available on time for an officiating assignment.

**Penalties for missing officiating assignments in a three-way tie breaker differ from these Team Officiating Duties penalties (see Procedures for Breaking Ties in Championship Manual).*

STAY & PLAY POLICY

WHAT IS USAV'S STAY AND PLAY POLICY?

The 2019 USAV Girls 18s Junior National Volleyball Championships is Stay and Play. This means that in order to compete in the tournament, you must be staying in one of the official room blocks set up by Team Travel Source. All reservations must be made through the official link below or through the link provided by Team Travel Source to your housing contact.

HOUSING CONTACTS: Please make sure that your parents know that they should NOT call the hotels directly or book with a direct hotel website. These reservations as well as third party bookings (Expedia.com, Hotels.com, etc.,) will not be compliant with the Stay and Play policy.

Team Travel Source guarantees the lowest group rates available (exclusions include unconfirmed room types, non-cancellable rates, employee rates, government rates, advanced purchase rates, AAA and AARP rates). Team Travel Source will work with any club or team that may have a special situation (please see Exemptions).

WHY IS THERE A STAY AND PLAY POLICY?

Reasons for implementing the Stay and Play policy are to increase the amount of room nights available to teams and clubs and to help secure the lowest group rates. By increasing the amount of room nights actually used, USA Volleyball is able to prove to the host cities our positive impact on their local economy, thus building stronger relationships as well as helping to offset event expenses, enabling USAV to keep costs down.
