**Instructions:**

- The following applicable blanks must be completed and signed by the Supervising Scorer and the Chief Scorer of the tournament in which the experience was completed for each event for which you are making application. Work must be completed in a three-year time frame.
- All of the work in each section must be performed during separate AWSA-sanctioned tournaments unless otherwise noted. Signatures on outdated applications will be accepted for requirements on the current form if the old form is attached to this application.
- Upon completion, send the application to USA Water Ski & Wake Sports (USA-WSWS), Attention Officials' Programs, for processing. Retain a copy of this application for your records. If you are continuing to work on another event, use your copy of the submitted application to continue to obtain signatures and receive credit for the other event(s). Remember, if there is a newer released application, you must attach this copy to the new application when submitting it to USA-WSWS.

**Attention Supervising and Chief Scorers:** Please be discriminating. AWSA cannot maintain a high standard of scorers' qualifications unless you assume the responsibility of approving only qualified applicants. **For practical exercises, applicants must practice under the supervision of an AWSA-rated Regular or Senior Scorer for a minimum of six (6) skiers.**
