This is your personal record of work performed at USA Water Ski & Wake Sports (USA-WSWS) sanctioned tournaments and clinics. This record will serve as an important backup to the officials records from by USA-WSWS in the case of a discrepancy.

At the conclusion of each event, have your performance record signed by the appropriate Chief Official or Clinic Instructor. Use a separate line or performance record for each rating type (i.e., judging, scoring, etc.). It is also important to verify with the Chief Scorer that your work is accurately recorded on the Tournament Officials' Record since this is how your work is credited at USA-WSWS. Most of these records are submitted electronically to USA-WSWS and imported into the officials' program. You can track your official ratings and tournament/clinic credits for rating maintenance and upgrade online through your **Member Dashboard** section of the USA-WSWS website.

Rating Maintenance/Upgrade: Refer to the AWSA Officials' Development Program Description, Quantitative Requirements for Advancement and Renewal, and the AWSA Judges & Scorers Policy Manual on the USA-WSWS website for further information.

Once you have completed all the quantitative requirements for upgrade to the next rating, and have allowed sufficient time for your most recent work to be recorded at USA-WSWS, please email officials@usawaterski.org and request verification of your status for upgrade. USA-WSWS will then assist you in initiating the next step.
