INTRODUCTION

USA Water Ski & Wake Sports (USA-WSWS) strives to provide a safe environment for its members and is committed to create an atmosphere that is free of harassment and abusive practices. ***USA-WSWS and its affiliated Sport Disciplines will not tolerate any form of harassment, abuse or misconduct and will uphold a zero-tolerance policy.***

There are many positive reasons to participate in one of USA-WSWS's nine Sport Disciplines, but like all sports, it can also be a high-risk environment for misconduct: emotional, physical, sexual, bullying, harassment and hazing. *All forms of harassment, abuse and misconduct are unacceptable and in direct conflict with USA-WSWS values and ideals.*

Misconduct may damage an athlete's psychological well-being. Athletes who have been mistreated experience social embarrassment, emotional turmoil, psychological scars, and loss of self-esteem. Misconduct may also have a negative impact on family, friends and the sport. Misconduct often hurts an athlete's competitive performance and may cause him or her to drop out of the sport entirely.

This SafeSport Handbook includes various policies that apply to all USA-WSWS members, clubs, programs, events and activities, and specifically includes abuse prevention policies relating to youth athletes and participants. It also acts as an educational tool for USA-WSWS members. This handbook focuses on the following:

- Recognizing and reducing circumstances for potential abuse to occur
- Information on USA-WSWS's required screening and background check program
- The availability and procedures for any person to report suspected abuse or misconduct (including protections from any retaliation or repercussions for such reporting)
- The procedures and means by which USA-WSWS and its sport disciplines, member clubs and programs should respond to allegations of abuse and misconduct

Through the USA-WSWS SafeSport Program, USA-WSWS is committed to providing the safest possible environment for all participants.

SAFE SPORT: ANTI - HARASSMENT AND ABUSE POLICY

What is SafeSport?

SafeSport is an initiative of the United States Olympic and Paralympic Community and its National Governing Bodies to recognize, reduce and respond to misconduct in sport. USA-WSWS has adopted this policy as a part of that effort, and as a part of its effort to prevent harassment or abuse from occurring. This policy defines what conduct is prohibited, outlines the training that is available to help prevent misconduct (and who is required to complete that training), and outlines what action should be taken when suspicions or allegations of misconduct occur. **Individuals should not attempt to evaluate the credibility or validity of any harassment or abuse allegations before taking action under this policy; rather, this policy should be followed whenever those circumstances arise.** This is particularly important in cases involving the harassment or abuse of minors.

Who does this Policy apply to?

This policy applies to all “Participants” who are defined to include the following persons:

- Persons who are members of USA-WSWS, including coaches, volunteers, officials, athletes and others (including persons affiliated with USA-WSWS clubs, whether or not those persons are members of USA-WSWS);
- All USA-WSWS office staff and board members;
- Members of any national or international team staff;
- Anyone within the governance or disciplinary jurisdiction of USA-WSWS;
- Anyone who is authorized, approved, or appointed by USA-WSWS to have regular contact with or authority over Minor Athletes and Minor Participants.

Further information regarding the requirements for Participants, such as background screening and SafeSport training, are found in the “USA Water Ski SafeSport Certification Requirements” attachment to this policy.

Participants shall be subject to the jurisdiction of USA-WSWS and/or the U.S. Center for SafeSport with respect to the investigation and resolution of any allegations that such Participant may have violated this policy and are subject to any actions taken by the U.S. Center for SafeSport or USA-WSWS relating to the enforcement of this policy.

More information about the SafeSport initiative and programs can be found at <https://uscenterforsafesport.org/>.

PROHIBITED CONDUCT

These “Prohibited Conduct” provisions apply to all Participants, irrespective of their age. These Prohibitions apply to everyone acting within USA-WSWS’ jurisdiction and are not restricted to “participant-athlete” contacts. Additional Minor Athlete and Minor Participant Protection Policies and Guidelines are discussed below.

Sexual Abuse and Misconduct: It is the policy of USA-WSWS that there shall be no sexual abuse or misconduct. This includes any sexual activity where consent is not or cannot be given is prohibited.

USA-WSWS members and Participants shall not engage in sexual harassment or abuse, which includes, and is not limited to, nonconsensual sexual solicitation, physical advances or contact, or verbal or nonverbal conduct that is sexual in nature. This prohibition includes sexual contact that is accomplished by deception, manipulation, force or threat of force (regardless of the age of the Participants), and all sexual interactions between an adult and a minor (regardless of whether there is a deception or the minor understands the sexual nature of the activity). Inappropriate touching or contact is prohibited, which includes, but not limited to, nonconsensual touching, hugging, kissing, sexually oriented behavior, sexually suggestive electronic or written communications, sexually stimulating or otherwise inappropriate games.

Any act or conduct described as sexual abuse or misconduct under federal or state law is also prohibited.

Sexual misconduct also includes any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority.

Note:

- ❖ An imbalance of power is always assumed between a coach and an athlete, regardless of age.
- ❖ Minors cannot consent to sexual activity with an adult. See Minor Athlete Protection Policies and Guidelines.

Harassment also includes the creation of an environment through behavior or course of conduct that is insulting, intimidating, humiliating, demeaning or offensive. Harassment usually occurs when one person engages in abusive behavior or asserts unwarranted power or authority over another, whether intended or not. It includes, for example, name-calling, taunts, threats, belittling, unwelcome advances and requests for sexual acts, as well as undue threats to perform or succeed. Harassment includes child abuse.

MINOR ATHLETE AND PARTICIPANT ABUSE PROTECTION POLICIES AND GUIDELINES

These Minor Athlete and Participant Protection Policies and Guidelines apply to interactions under USA-WSWS’ jurisdiction with all minors, including athletes and other Participants. In addition to these Athlete and Participant Protection Policies and Guidelines, the above “Prohibited Conduct” provisions also apply to all interactions with minor athletes and other Participants.

Definitions:

The following **definitions** apply to these Minor Athlete Protection Policies and Guidelines:

“Adult Participant” is any Participant who is 18 years of age or older (see definition of Participant on p. 4).

“Minor Athlete” is an **athlete or other Participant** under 18 years of age, who participates in, or who has participated within the last 12 months in, an event, program, activity or competition that is part of, or partially or fully under the jurisdiction of USA-WSWS.

“Authority” exists when one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also, see the Power Imbalance definition in the U.S. Center for SafeSport’s Code.

“Partial or Full Jurisdiction” includes any event (including all travel and lodging in connection with the event) sanctioned by USA-WSWS or conducted by any of its affiliated clubs. Also included are any facilities that may be owned, leased, rented or used by USA-WSWS or any of its affiliated clubs for practice, training, or competition.

“In-Program Contact” is any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete related to sport, including (but not limited to) sanctioned events and facilities, and also includes any practices, camps or clinics, training or instructional sessions, pre/post event meals or outings, team travel, team or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

“Local Affiliated Organization” means any regional, state or local club affiliated with USA-WSWS.

“Regular contact” means ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete. This includes coaches, and team managers, staff, physicians and trainers.

“USOPC” means the U.S. Olympic & Paralympic Committee.

Exceptions:

“Close-in-Age” Exceptions apply to certain policies and allow for In-Program Contact between an Adult Participant and a Minor Athlete if:

- A. The Adult Participant has no authority over the Minor Athlete; and,
- B. The Adult Participant is not more than four (4) years older than the Minor Athlete.

Note: these exceptions (under these Minor Athlete and Participant Protection Policies and Guidelines) are different than any close-in-age exception in the SafeSport Policy and Code pertaining to misconduct.

“Dual Relationships” Exceptions apply to certain policies where the Adult Participant has a relationship with a Minor Athlete that is outside of the sport program. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually.

“Personal Care Assistant” Exceptions apply to Adult Participants working as Personal Care Assistants with a Minor Athlete, as set forth in these Minor Athlete and Participant Protection Policies and Guidelines. Personal Care Assistants are persons to assist an athlete requiring help with activities of daily living and preparation for athletic participation. The support can be provided by a Guide for Blind or visually impaired athletes, or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant Personal Care Assistants must be authorized by the athlete’s parent/guardian.

Note that many of these exceptions (Close-in-Age, Personal Care, or Dual Relationship exceptions) require parent/guardian consent. USA-WSWS recommends that parents and guardians take training on child abuse prevention before providing consent under these policies. A free parent course is available at <https://safesporttrained.org/#/public-dashboard>.

These background checks have been implemented to promote a safe, nurturing, and supportive environment for USA-WSWS athletes and members, including an environment that is safe and appropriate for minors. This background screen program also discourages the presence of those who may seek to harm athletes, and help protect USA-WSWS member clubs, programs, events, and all members from liability that could arise from allowing a previous offender to have access to minor participants. Although no background screen program can guarantee that incidents of abuse or other violations will not occur, it is intended as a preventative risk management tool for the benefit of all participants.

USA-WSWS requires screening of the following members:

- USA-WSWS board of directors and sport discipline boards of directors
- All USA-WSWS certified instructors/coaches
- Any participant (athlete) or staff of national or international teams (Team USA representing USA-WSWS)

- Show ski team show directors and assistant directors
- Junior development coaches and leadership, or any independent contractor serving in such a role.

Screening Policy

It is USA-WSWS’s policy that prior to the hiring of staff, awarding certification of instructors or designating any member into a position of influence or authority that each individual give consent to and passes a formal applicant screening process before performing or participating in USA-WSWS events and activities.

The background screen components will include a review of all criteria required under United States Olympic Committee criteria, including social security number validation, name and address history records, multi-jurisdictional criminal history searches, sex offender and national watch list checks, county criminal records for each location where the individual lives or has lived in the last seven years, federal district court records, and SafeSport disciplinary records. This background check is in addition to any motor vehicle records checks that may be required for USA-WSWS drivers. Full background checks will be conducted on all applicable individuals every two years, and supplemental, partial background checks will be conducted in in the off-years. All “full” and “supplemental”

background checks shall meet or exceed USOPC Background Check requirements and search components.

EDUCATION AND TRAINING

Education is a key component of any abuse and misconduct prevention strategy. Awareness training provides relevant participants with information necessary to monitor their organization, minimize the opportunities for abuse and misconduct, and respond to concerns more effectively. It is also a strong public statement that the organization places a priority on the safety of its participants.

To maintain a safe environment for USA-WSWS Participants, it is a requirement that the following Participants complete the “SafeSport Trained” Core training program (see below):

- Adult Participants who have regular contact with any athlete or other Participant who is a minor;
- Adult Participants who have authority over any athlete or other Participant who is a minor;
- Adult Participants who are USA-WSWS employees or board members.

Whether or not included in these general categories, Participants serving in positions listed in the attached “USA Water Ski SafeSport Certification Requirements” chart must complete the “SafeSport Trained” Core training program (see <https://safesporttrained.org/#/public-dashboard>). It is also strongly encouraged that all USA-WSWS members familiarize themselves with the USA-WSWS SafeSport Program. The more awareness USA-WSWS members have about abuse and misconduct, the safer the sport will be.

USA-WSWS has adopted the U.S. Center for SafeSport’s Core training materials as the official education and certification program and as an available resource to its members. Any required SafeSport Core training must be completed immediately for the above listed Adult Participants:

- Before regular contact with an athlete or Participant who is a minor begins; or
- Within the first 45 days of initial membership, or upon beginning a new role subjecting the Adult Participant to this policy.

The above listed Adult Participants must (1) complete the SafeSport Trained Core training program (in its entirety) every four (4) years; and (2) complete a refresher course on an annual basis every other year, beginning the calendar year after first completing the SafeSport Trained core. Medical providers can take the Health Professionals Course (see

<https://safesporttrained.org/#/public-dashboard> under Catalog) in lieu of the SafeSport Trained Core and are required to take the refresher courses on an annual basis if they are listed in the above criteria.

Training is available to parents (including parents of minor athletes and Participants) and other Adult Participants regarding the prevention and reporting of child abuse. See <https://safesporttrained.org/#/public-dashboard> under Catalog. Parents and other Participants are encouraged to take this training.

Training is available to minors regarding the prevention and reporting of child abuse, subject to parental consent. See <https://safesporttrained.org/#/public-dashboard> under Catalog.

Training other than the Core Center for SafeSport Training does not satisfy this policy.

Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at exemptions@safesport.org.

The Center will work with USA-WSWS regarding appropriate accommodations for persons with disabilities and individuals with limited English proficiency to satisfy the training requirements herein. USA-WSWS will provide reasonable accommodations and track any exemptions for individuals with disabilities and individuals with limited English proficiency.

Although USA-WSWS will track whether Adult Participants under its jurisdiction have completed the required SafeSport training, it is the personal responsibility of all Adult Participants to determine if they are required to complete and maintain SafeSport training as set forth above.

Certain jurisdictions in the United States may have mandatory training and testing that may apply to those who work or volunteer with youth athletes. All Covered Individuals must also comply with any state-mandated training and testing requirements.

REPORTING ABUSE AND MISCONDUCT

USA-WSWS requires that violations of this policy, as well as suspicions or allegations of child physical or sexual abuse, be immediately reported. **USA-WSWS members should not investigate suspicions or allegations of child physical or sexual abuse, or attempt to evaluate the credibility of validity of such allegations as a condition for reporting to the appropriate law enforcement authorities.**

Reporting Child Physical or Sexual Abuse

All such allegations must be reported to the U.S. Center for SafeSport, as well as notification to USA-WSWS that the report was made. **Contact your local law enforcement authorities if you have a reasonable suspicion that child sexual abuse or neglect has occurred, or have received a report of child sexual abuse or neglect. Reports or abuse not involving a minor may also be reported to local law enforcement authorities.** Information regarding state mandatory reporting laws may be found at <https://www.childwelfare.gov/topics/systemwide/laws-policies/state/>.

Reporting Other Policy Violations

Any other allegations or reports of sexual-related misconduct should be reported to the U.S. Center for SafeSport, as well as notification to USA-WSWS that the report was made. **Contact your local law enforcement authorities if you have a reasonable suspicion that child sexual abuse or neglect has occurred, or have received a report of child sexual abuse or neglect.**

Other non-sexual related misconduct or inappropriate behavior should be reported to USA-WSWS.

Failure to Report

It is the obligation of USA-WSWS members and member clubs to report suspicions or allegations of abuse or misconduct, including compliance with all state mandatory reporting laws (see above link for more information). If a person in authority knows, or should reasonably have known, that harassment or abuse may have occurred and fails to report it or take appropriate action as set out in this policy statement, that person may be subject to disciplinary action.

Retaliations or Threats of Reprisal

Retaliation or threats of reprisal against an individual for filing a complaint under this policy or for participating or assisting in any procedure under this policy will be considered harassment for the purpose of this policy. Further, any person who makes groundless allegations or complaints of abuse or harassment may be subject to disciplinary action.

Reporting Procedure

If you are aware of or suspect any violation of USA-WSWS's policies on abuse and misconduct, you should do all of the following:

1. Report the abuse to authorities.

If the abuse and misconduct is criminal in nature, contact the authorities immediately.

In most states, you are obligated to bring this matter to the attention of local law enforcement or public child welfare organization and make a report. You must comply with all state mandatory reporting laws (see above link for more information),

2. How to Report:

To report to the U.S. Center for SafeSport, you may use the online reporting form at <https://uscenterforsafesport.org/report-a-concern/>, or call (833)-5US-SAFE.

To report a concern to USA-WSWS, you may contact Executive Director Nate Boudreaux, at nboudreaux@usawaterski.org or (863) 508-2095, with copies to USA-WSWS' President and the chair of USA-WSWS' Judicial Committee.

Protection for Reporting Parties

Although USA-WSWS will review all reports under this policy, anonymous reporting may make it difficult to properly investigate allegations. To the extent permitted by law, and as appropriate, USA-WSWS will keep confidential the complainant's name on request, not make public the name(s) of potential victims, the accused perpetrator or the people who made a report of child physical or sexual abuse to local law enforcement authorities. Regardless of the outcome of a complaint, USA-WSWS will support the complainant and her/his right to express concerns in good faith. However, false complaints or complaints made in bad faith are prohibited and may subject the complainant(s) to disciplinary action depending on the nature of the allegation or complaint.

Complaints, Investigations and Adjudications

All complaints or requests for investigations under USA-WSWS's Safe Sport policy (including complaints relating to the failure to report violations of this policy or to comply with state mandatory reporting laws, as discussed above) will be referred to the U.S. Center for SafeSport, which shall have the sole and exclusive authority and jurisdiction to investigate, conduct hearings, make preliminary rulings and issue final orders on complaints and requests for investigations under USA-WSWS's Safe Sport Policy. In certain cases, the U.S. Center for SafeSport may decline to exercise its jurisdiction over the matter, in which case the matter will be referred to the USA-WSWS Judicial Committee for handling under Article IX of the USA-WSWS Bylaws (including all due process requirements and policies thereunder). In cases where the U.S. Center for SafeSport has accepted jurisdiction,

the final decision of the U.S. Center for SafeSport shall be reported to the President of USA-WSWS and shall be binding upon and implemented by USA-WSWS.

For matters handled by USA-WSWS (in circumstances where the U.S. Center for SafeSport has declined to exercise jurisdiction over the matter), USA-WSWS may impose appropriate sanctions and penalties, including interim suspensions and permanent expulsions from membership, following the procedures set forth in the USA-WSWS Bylaws and other applicable policies. Any sanctions imposed by USA-WSWS shall be proportionate and reasonable, relative to the findings and conclusions of USA-WSWS as to what has occurred, and given consideration of the interest of USA-WSWS and its members to provide a safe environment for all participants in USA-WSWS activities, the nature and seriousness of the offense and its impact on the victim, and other information provided and considered by USA-WSWS relating to the complaint. Appropriate disciplines may range from a warning, to a reprimand, to a membership suspension or limitation for a period of time, or to a permanent expulsion from membership, and any continued participation or reinstatement to USA-WSWS activities may be conditioned upon the completion of specified requirements.

Notification

Following USA-WSWS's notice of a credible allegation that results in the imposition of sanctions against a member, USA-WSWS may provide such notifications as are deemed appropriate including notification of the other parties involved in the matter, publication of the sanctions, and/or notification of local law enforcement authorities.
