SANCTION NUMBER: 60-17-72455

ELIGIBILITY: To enter this event you must be a member in good standing when you submit your entry and remain a member through the time your session ends at the competition you are entering, and:

- 1) **Ensure that your entry and fee is received by the USA Weightlifting National Office by May 25th 2:00pm MST**
- 2) Meet the qualifying total described above during the qualifying period, also described above.

- 3) However, in completing this entry form, you may elect to use an announced Entry Total (ET) that is lower than your qualifying total, but that lower total must at least equal the qualifying standard total for the bodyweight/age category you are entering (if no entry total is listed in your entry form, your qualifying total as described will automatically be used for your ET). Please note that the total of your starting attempts at the competition must at least be within 20kg (men) /20kg (women) of your ET, and if your ET qualifies you for an A session you must start within 20kg of the minimum total for the A session. No extra lifters will be permitted in this competition
- 4) Athlete's age is determined as of December 31st, 2017
- 5) For team competitions, the team must be named and affiliated to the associated USA Weightlifting club at the time of registration. Changes made at the Verification Meeting may be for reserve choices to scoring choices only. No club affiliation changes.

ENTRY DEADLINE:

May 25th, 2017 all entries, team or individual, whether made online, via fax regular mail or express service, must be received with payment by the National Office no later than 2:00pm MST May 25th, 2017. Entries and/or payments received after that time will be rejected.

QUALIFICATION FOR 2017 INTERNATIONAL COMPETITIONS:

For full information on qualifying for 2017 International Competitions see the 2017 Athlete Reference Guide for International Competition (to be published late 2015).

Note that the dates, locations, and presentation of the above events are subject to changes and adjustment as specified on the IWF (International Weightlifting Federation) and PAWF (Pan American Weightlifting Federation) calendars.

Note that you may qualify for an international team based on your Weight rather than your weight class you are competing in at any given Championship. For example, you may compete in the 56Kg. category weighing 49.99Kg., you will thus rank for an international team at the 50Kg. category.

BODYWEIGHT CATEGORY CHANGES AND FINAL VERIFICATION OF ENTRIES & MEETING:

The Entry Form you submit to the USA Weightlifting office by the entry deadline is your official entry to the competition and the information therein will be verified and used to create a Tentative Start list. However, you can make changes to your bodyweight category up until 5:00 pm Mountain Time, Tuesday June 20th, by notifying the National Office, in writing, of the desired change, if you have made the qualifying total for that category. You may also make a change at the Verification of Final Entries Meeting that will take place on Thursday, June 22nd, 2:30pm, in a room to be announced. You can also change your entry Total at or prior to the Verification Meeting, but in no event can it be below the Qualifying Start Total for the category in which you will be lifting. If you were placed in an A session on the basis of your original ET, and your revised ET is lower than the minimum total for the A session of the category you will compete in, you must lift in the B session for that category (if any) and must be prepared to alter your schedule to do that. Please note in selecting your ET that the total of your starting attempts at the competition must at least be within 20kg (men) /20kg (women) of the QT, and if you are selected for an A session with 20kg/20kg of the minimum total for the A session. No extra lifters will be permitted in this competition, except in the case of an international trials session.

TECHNICAL CONFERENCE: Thursday June 22nd, 2017, 8:00pm. Anyone who does not attend the Technical Conference agrees to accept all decisions made at the Technical Conference. The final Start List will become available immediately after this meeting and any changes to the lifting schedule will be announced at that time. A preliminary list of participants (subject to change) will be available at <http://weightlifting.teamusa.org> within 3 days after the entry deadline.

Please enter me in the 2017 National Youth Championships to be held on June 22-25, 2017, at Georgia International Convention Center in Atlanta, Ga. I certify that I am an amateur in good standing. In consideration of my entry in the competition, I do hereby waive, and release USA Weightlifting, Georgia International Convention Center, TBD and any meet hotel, and their respective directors, officers, officials, agents, and competition personnel, hereinafter known as the "Organizers," from any and all causes of action, loss, liability, claims and demands of every kind and nature, which I or my heirs or personal representatives may have for bodily injury, for expenses of medical treatment, hospitalization, and other care rendered to me in the event of my injury or illness, or for any and all other costs, damages or losses suffered or incurred by me or occasioned to me in connection with my travel to and from, and my participation in, the competition and related activities, except that the forgoing waiver and release shall not apply to injuries, damages, and losses resulting from the gross negligence and/or wanton misconduct of the Organizers or to bodily injuries and medical expenses covered by accidental death, dismemberment and/or loss of sight and medical reimbursement insurance policies maintained by the Organizers.

I agree to be filmed and photographed under conditions approved and authorized by the USA Weightlifting, to include the use of my name, biographical information, public appearances, interviews, photographs, portrait and motion pictures and television recordings of my weightlifting performance and grant to USA Weightlifting and Organizers the right to record and make use of the same, and to authorize others to do so in promoting the competition and the success of the weightlifting team on which I compete, to promote the image of USA Weightlifting, its sponsors and advertisers, and the sport of amateur weightlifting, and to fund the activities of the USA Weightlifting.

I (and my parent or guardian, if I am a minor), agree that the Organizers and its agents, including competition personnel, may make judgments (with appropriate input from available medical personnel), as to my treatment, hospitalization or other medical care in the event of my illness or accidental injury in connection with my participation in the competition, should I be disabled or incompetent to make necessary and appropriate decisions concerning such treatment, hospitalization or other care. I authorize the Organizers, its agents and competition personnel to make such decisions for me as though they stood in a relationship to me of parent, guardian or next of kin should circumstances require the Organizers, its agents and competition personnel to make such judgments, and my next of kin cannot be timely and conveniently contacted to participate in the making of such judgments.

I hereby release and agree to hold the Organizers, its agents and competition personnel harmless from all expenses, causes of action, liability, claims and demands arising from good faith judgments made by the Organizers, its agents and competition personnel concerning my treatment, hospitalization and medical care in the event of my illness, injury or other emergent circumstances in connection with the competition.

I (and my parent or guardian, if I am a minor), agree that I will be financially responsible for treatment, hospitalization and other medical care rendered to me in the event of my illness, injury or other emergency circumstances in connection with the competition, except to the extent my injuries and medical expenses, if any, are covered by accidental death, dismemberment and/or loss of sight and medical reimbursement insurance policies maintained by the Organizers for my benefit, in which event I will nevertheless continue to be financially responsible for expenses of treatment, hospitalization and other medical care in excess of such policies' limits.

I understand the USA Weightlifting Board of Directors has adopted the following policy: The entry and qualifying deadlines for any National event are the ones specified in the Participation Contract and absolutely no entries will be accepted after the deadline.

This policy will remain in effect unless changed by the USA Weightlifting Board of Directors and may not be overridden by any individual or group, including but not limited to any USA Weightlifting committee, member, the event meet director or the National Office staff. This policy will be strictly enforced, without regard to statements or rumor to the contrary, regardless of the source of such statements or rumors. Athletes should be advised that USA Weightlifting will not be responsible for an athlete's unsuccessful attempt to register for the event online due to the absence of a minimum qualifying total in the athlete's record at the time registration is attempted, or for any other issue that would cause the athlete to be unable to successfully register online or via fax or regular mail. It is therefore strongly recommended that athletes not wait until the last minute to register, in case there is a problem.

DRUG USE AND BLOOD DOPING

All competitors in the 2017 Youth National Championships are subject to drug testing by the United States Anti-Doping Agency (USADA). A positive result for an IOC prohibited substance will be cause for disqualification from this event, and loss of eligibility. A negative test will demonstrate to the public and your competitors that you have earned your achievements ethically.

By registering to compete at this competition, you are consenting to be subject to drug testing on your urine, and accept the penalties if found positive for a prohibited substance. All athletes chosen are required to provide an acceptable specimen. Cooperation is mandatory; noncompliance will be cause for the same penalties as for a positive drug test.

Further information about the doping control process, the protection of your rights, and the status of specific medications is available from the U.S. Anti-Doping Agency and its Drug Reference Line (1-800-233-0393), 5555 Tech Center Drive, Suite 200, Colorado Springs, Colorado 80919-2372. The USADA website is www.usantidoping.org.

Over-the-counter medications, nutritional supplements, and even natural herbal supplements may contain prohibited substances. Always check first with your team doctor or the Drug Reference Line before taking any medication prior to competition.

I understand that drug-testing may be conducted on a formal basis for athletes weighed-in for this event or program and that the detection of use of banned drugs would make me subject to suspension by my sport's national governing body and USOC. By registering for this event, I agree to be subject to a drug test and its penalties if declared positive for a banned substance. I am aware that failure to appear for and comply with the drug test will be cause for the same penalties as for those who are positive for a banned substance. I further understand that the practice of blood doping is banned by the USA Weightlifting, the USOC, the IWF and the IOC and that to do so would make me subject to punitive action within existing policies. ** Names of athletes who test positive, the name of the substance and length of suspension will be listed in on the USA Weightlifting website. I know that I may call the USADA Hotline (1-800-233-0393), for any questions about medications and banned substances or practices.

I understand that, if for some reason I elect not to continue in the competition to the completion of an official total, or do not total, that I will still be eligible for the random drug test, and I will report to the Doping Control Officer and advise him/her that I am making myself available for random drug testing. I will not leave the meet site until excused by the drug control officer.

I understand that if I am a no show for drug testing, I am subject to receiving the maximum penalty of a 4-year suspension from the sport.

In providing my signature below I am signifying that I agree to all the terms, conditions, waivers, policies, descriptions and other information provided on the preceding pages of this document.
