

USA Weightlifting
Board of Directors Teleconference Minutes
August 20, 2015

Board Members Present: CJ Stockel, Paula Aranda, Colin Burns, Butch Curry, Jasha Faye, Terry Grow, Dan Foerster, Ursula Papandrea, Ari Sherwin, Emmy Vargas

Staff: Michael Massik, Peter Roselli

Meeting called to order at 10:10pm EDT

The meeting was convened in order to clarify the intent of a motion that was passed on August 9, 2015. Members of the Board believed that the wording of the August 9th motion regarding eligibility to the final qualifier could be confusing in regard to “locked-in” places. After discussion, a new motion was made that the Board believed reflected their intent and would be more easily understood by any interested party.

Motion (Mr. Burns): To include in the eligibility for this final qualifier, in addition to those that qualified under the reinstated Handbook language, those athletes whose totals back through the 2014 World Championships equal or exceed the 11th place female or 12th place male results on the World Championships ranking list post 2015 Nationals.

Second: Mr. Faye

In favor: Paula Aranda, Colin Burns, Jasha Faye, Terry Grow, Ursula Papandrea, Emmy Vargas, Ari Sherwin, CJ Stockel

Opposed: Butch Curry, Dan Foerster

Motion passes

(Please note: this action of the Board replaces the original motion from the August 9th meeting of the Board)

Motion: To approve the entry of Ian Wilson to the final qualifier under the injured athlete provision of the Athlete Handbook.

Motion passes

Meeting adjourned 11:20 EDT

For the sake of clarity, the Minutes of both the August 9th meeting and the August 20th meeting are presented together in this document.
