

USA Weightlifting Board of Directors
Week Commencing March 18, 2019
Teleconference and Email Vote.

A teleconference was held to discuss proposals for improvement requested by the Board of Directors to the Selection System, Stipend System and 2018 World Championships Selection Calendar.

A quorum was not available on the conference call, so in order to ensure every board member had an opportunity to vote, an email vote was taken the following day:

A proposal was put forward by the staff to amend the International Code of Conduct to prohibit the use of alcohol for any member of a delegation at any time representing USA Weightlifting and to prohibit sexual contact between members of a delegation except between those with a pre-existing relationship and marriage. This measure serves only for delegations going forward yet to be named, and does not seek to inhibit the rights of athletes outside of the time spent in an international delegation (camp or event)

Prohibition of Alcohol
