However, a US Speedskating Association that has re-joined as a member of US Speedskating shall operate under a two (2)-year probationary period during which time it will not be eligible to vote on any matters brought before US Speedskating Associations or US Speedskating Association presidents. The Board of Directors may establish such membership requirements as the Board shall deem necessary and appropriate. No privilege of membership shall be made available until all membership requirements are satisfied.

5.5 **Dues and Fees.** US Speedskating may establish such rules and procedures for the manner and method of payment of fees, the collection of delinquent fees and the proration or refund of fees, as the Board shall deem necessary or appropriate. A member shall have the right to a hearing prior to termination so long as the hearing is held not less than five (5) days before the effective date of the suspension or termination.

5.8 **Transfer of Membership.** Membership in US Speedskating is not transferable, unless to a successor of a corporate member, which proposed transfer must first be approved by US Speedskating in writing to be effective. The US Speedskating Annual Meeting shall be held annually during the second (2nd) quarter of each year at the time and place as determined by the agreement of the President and Executive Director. Failure to hold an annual US Speedskating Annual Meeting as required by these Bylaws shall not work as a forfeiture or dissolution of US Speedskating or invalidate any action taken by the Board of Directors or Officers of US Speedskating.

5.9.3. Special Meetings. A special meeting of the members, for any purpose or purposes, may be called by the President, or shall be called by the President if US Speedskating receives a written demand or demands stating the purpose or purposes for which it is to be held, signed and dated by at least five percent (5%) of the members described in Sections 5.1 and 5.2. The close of business on the thirtieth (30th) day before delivery of the demand or demands for a special meeting is the record date for the purpose of determining whether the five percent (5%) requirement has been met. If notice for a special meeting pursuant to Section 5.9.5 of these Bylaws is not given within thirty (30) days after the written demand or demands are delivered as set forth in this Section 5.9.3, the person signing the demand or demands may set the time and place of the meeting and give notice thereof pursuant to Section 5.9.5.

ii. An individual shall be determined to be “independent” if he or she has no material relationship with US Speedskating or the ISU, either directly or through an organization that has a material relationship with US Speedskating or the ISU. A relationship is “material” if, in the reasonable judgment of the Nominating and Governance Committee, it would interfere with the individual’s independent judgment.

Without limiting the parameters described in the prior paragraph, an individual will not be considered independent if, within the preceding two (2) years, he or she:

(A) **Requirements.** The President of US Speedskating or at least fifty percent (50%) of the Directors may call a meeting of the Board of Directors. Notice of each
regular and special meeting of the Board of Directors stating the date, time and place of the
meeting, and, in the case of a special meeting, the purpose or purposes for which the
meeting is called, shall be given to each Director at such Director’s business or residential
address at least five (5) days prior thereto by the mailing of written notice by first class,

or after the time and date of the meeting stated in the notice. Except as otherwise provided
in this Section 6.12(B), the waiver shall be in writing, signed by the Director entitled to the
notice and filed with the minutes or the corporate records. Such waiver shall be delivered
to US Speedskating for filing with the corporate records, but such delivery and filing shall
not be conditions of the effectiveness of the waiver. A Director’s attendance at or
participation in a meeting waives any required notice of the meeting unless the Director,
on arriving at the meeting or prior to the vote on a matter not noticed in conformity with
this Article 6 of these Bylaws, objects to lack of notice and does not vote for or assent to the
objected-to action.

6.13 **Deemed Assent.** A Director of US Speedskating who is present at a
meeting of the Board of Directors when corporate action is taken is deemed to have
assented to all action taken at the meeting unless: (i) the Director objects at the beginning
of the meeting, or promptly upon the Director’s arrival, to holding the meeting or
transacting business at the meeting and does not thereafter vote for or assent to any action
taken at the meeting; (ii) the Director contemporaneously requests the Director’s dissent
or abstention as to any specific action taken be entered in the minutes of the meeting; or
(iii) the Director causes written notice of the Director’s dissent or abstention as to any

adjournment thereof or by US Speedskating promptly after the adjournment of the
meeting. Such right of dissension or abstention is not available to a Director who votes in
favor of the action taken.

6.14 **Quorum and Voting.** A majority of the Directors in office
immediately before a meeting begins shall constitute a quorum for the transaction of
business at any meeting of the Board of Directors, and the vote of a majority of the
Directors present in person at a meeting at which a quorum is present shall be the act of
the Board of Directors, unless otherwise required by the Nonprofit Corporation Act, the
Articles of Incorporation or these Bylaws. If less than a quorum is present at a meeting, a
majority of the Directors present may adjourn the meeting from time to time without further notice other than an announcement at the meeting, until a quorum shall be present.

6.15 **Voting by Proxy.** Directors may not vote or otherwise act by proxy.

6.16 **Meetings by Telephone.** Members of the Board of Directors or any committee thereof may participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may hear each other during the meeting. A Director participating in a meeting by this means is deemed to be present in person at the meeting. The malfunctioning of a telephone, computer or other device shall not invalidate a meeting held by telephone.

Board Directors shall be permitted to request items for inclusion on the agenda for Board meetings.

All Board Director contact with members of US Speedskating’s management team, other than the Executive Director, outside of Board meetings shall be directed to the Executive Director, though this requirement is not intended to curtail the ability of the auditor or legal counsel to advise the Board (as opposed to individual Board Directors) directly of appropriate matters. Members of management other than the Executive Director shall not contact Board Directors without the consent of the Executive Director.

6.21 **Action Without a Meeting.** Action to be taken at a meeting of the Board of Directors may be taken without a meeting if the action is approved by a majority of the Directors. The action must be evidenced by one (1) or more written consents describing the action taken and signed by each Director. Such consents shall be included in the minutes filed with the corporate records reflecting the action taken. Action taken under this Section 6.21 is effective when a majority of Directors have signed the consent,
unless the consent specifies a different effective date. A consent signed under this Section 6.21 has the effect of a meeting vote, and may be described as such in any document.

6.22 **Compensation.** Directors on the Board of Directors shall not receive compensation for their services as Directors, although the reasonable expenses of Directors may be paid or reimbursed in accordance with US Speedskating’s policies. If the Executive Director (or his or her designee) does not choose to treat a Complaint Against Another Member as a Disciplinary Matter, then he or she shall refer the Complaint to the Judicial Committee for a Hearing pursuant to Sections 14.15 through 14.28 of these Bylaws. In such a Hearing, the Complainant shall serve as the prosecutor of the claim at his or her sole expense, and US Speedskating shall in no way be required to prosecute or defend, or fund the prosecution or defense of, the claims set forth in the Complaint.

14.14 Assessment of Attorneys’ Fees and Costs. If a Complaint Against Another Member is referred to the Judicial Committee for a Hearing, the Hearing Panel may
but shall not be required to) award attorneys’ fees and costs under the following circumstances: (i) attorneys’ fees and costs may be awarded only to the prevailing party/parties and only against the non-prevailing party/parties, and (ii) attorneys’ fees and costs may be awarded only after the Hearing Panel has received argument and supporting documentation from the parties on the issue of fees and costs.

JUDICIAL COMMITTEE PROCESS AND HEARING

14.15 Administration of Matter Referred to Judicial Committee. The Judicial Committee shall administer and oversee matters referred to it under this Grievance Policy (a “Referral”) according to the procedures set forth below.

14.16 Appointment of Hearing Panel. Within ten (10) days after receipt of a Referral, the Chair of the Judicial Committee shall (i) appoint a Hearing Panel consisting three (3) disinterested and impartial individuals, at least one of whom must be an athlete meeting the definition for “Elite Athlete” as set forth in Section 5.1(A)(i) of these Bylaws (the “Hearing Panel”) to hear the Administrative Grievance, and (ii) name one (1) of the individuals of the Hearing Panel as Chair of the Hearing Panel (the “Chair”).

(A) Impartial Panel. If any party with a direct interest in the outcome believes that a Hearing Panel member is neither disinterested nor impartial, that party may challenge the participation of that Hearing Panel member to the Executive Director (or his or her designee). The Hearing Panel member in question shall thereafter be presented with the challenge and may, upon review, recuse himself or herself. If the Hearing Panel member in question does not recuse himself or herself, then the Executive Director (or his or her designee) shall review the objection and comments, if any, of the Hearing Panel member in question. If the Executive Director (or his or her designee) determines in his or her sole discretion that the Hearing Panel member’s service on the Hearing Panel may pose an appearance of impropriety, he or she may replace that member.

14.17 Documents Provided to Panel. Within ten (10) days of the appointment of the Hearing Panel, the Executive Director (or his or her designee) will provide to the Chair of the Hearing Panel a copy of each of the following documents: (i) the Complaint; (ii) all materials filed with the Complaint, if any; (iii) any written response or other materials previously submitted by the Respondent(s), if any; and (iv) any relevant documents in the possession of US Speedskating.

14.18 Provision of Complaint and Materials. The Hearing Panel shall ensure that all relevant parties have been provided with the relevant materials described in Section 14.17 of these Bylaws. These materials may be provided by: (i) hand delivery; (ii) mailing by certified U.S. mail, return receipt requested, postage prepaid, to the current address of the party(ies) served as reflected in the records of US Speedskating; (iii) by overnight delivery by a recognized courier that maintains a record of the delivery to the current address of the party served as reflected in the records of US Speedskating; or (iv) via email to the current email addresses of the parties as reflected in the records of US Speedskating.
Speedskating. For purposes of this Policy, service shall be deemed complete, as appropriate, as follows: (i) at the time of personal hand delivery or delivery of the email; (ii) three (3) business days after deposit of the certified envelope in the U.S. mail, postage prepaid; or (iii) one (1) business day after depositing for shipment by overnight courier.

(A) **Affected Parties.** The Hearing Panel shall ensure that any affected parties described in Section 14.8(A) are provided with the relevant materials described in Section 14.16. The Hearing Panel may also determine that individuals not listed by either the Complainant or US Speedskating as an affected party shall be given notice. Any party named as an affected party shall be eligible to participate fully in the Grievance Process, including the Hearing. Any party notified of the Complaint as a potentially affected party shall be bound by the decision of the Hearing Panel, even if he or she chooses not to participate.

(B) **Possible Dismissal of Complaint.** The Hearing Panel shall have the authority to dismiss a Complaint if it determines that the Complaint is not appropriate for the Hearing process, including without limitation a lack of jurisdiction or inappropriate subject matter for the Grievance Policy.

14.19 **Discovery; Exchange of Documents, Witness Lists and Evidence.** The Hearing Panel shall determine whether, and to what extent, discovery and exchange of documents will be allowed or required, subject to the understanding that the Hearing process is meant to be efficient and streamlined. The Hearing Panel shall also set the deadline for the exchange of witness lists and evidence to be presented at the Hearing.

14.20 **Time and Place of Hearing.** The Chair of the Hearing Panel will select the time and place for the Grievance Hearing so as to have the Hearing occur at the earliest convenient date consistent with the need to provide the parties with adequate time to prepare. In any event, the Hearing shall be scheduled not fewer than fifteen (15) days, nor more than ninety (90) days, after appointment of the Hearing Panel, unless the Hearing is to be expedited or the Hearing Panel specifically determines that a longer period is necessary in the interests of justice. The Hearing Panel shall also shorten all time periods as it deems necessary and appropriate in order to render a decision in a timely manner under the circumstance of the Grievance and taking into consideration any related deadline(s), forthcoming competition(s) or event(s).

14.21 **Manner of Hearing.** The Chair will conduct the Hearing in person, by telephonic conference call, video conference or other similar electronic means whereby all parties participating (namely, the Complainant and Respondent) may hear each other during the Hearing. The Chair will communicate information about the Hearing schedule to the Executive Director (or his or her designee) and all interested parties. An in-person Hearing shall not be mandatory. Unless the Hearing Panel, in its sole discretion, determines an in-person Hearing is required, Hearings may be held by telephonic or video conference where practical.

14.22 **Minimum Standards for Hearing.** The procedures to be followed at the Hearing shall, at a minimum, include the opportunity for each party to (i) be
represented by counsel (at that party’s expense), (ii) present oral or written evidence, (iii) cross-examine witnesses, and (iv) present such factual or legal claims as may be relevant to their respective claim(s) or defense(s).

14.23 Conduct of the Hearing. The Chair of the Hearing Panel shall preside over the Hearing, and shall make evidentiary rulings and otherwise control the conduct of the Hearing. The testimony of witnesses shall be taken under oath administered by the Chair of the Hearing Panel. The rules of evidence applicable to court proceedings shall not be strictly enforced, but the Panel shall give lesser weight to hearsay testimony, if admitted into evidence. The Chair of the Hearing Panel, in consultation with the other members of the Hearing Panel, shall set such time-lines and such other rules regarding the conduct of the Hearing as he or she deems appropriate and/or necessary. Testimony at a Hearing shall be taken under oath.

14.24 Recording the Hearing. Any party to a Hearing may cause the Hearing to be stenographically or electronically recorded. The cost thereof shall be borne by the party or parties requesting the recordation, and the nature of the recording process shall be announced on the record at the beginning of the Hearing. The recording or transcript shall be made available to every other party upon reimbursement of a pro rata share of the recording and transcription expense, and to the Executive Director (or his or her designee) and the Hearing Panel at no cost. No person may secretly record a Hearing, or cause a Hearing to be secretly recorded, in any form.

14.25 Burden of Proof. In the conduct of a Hearing, the burden of proof shall be upon the Complainant to prove his or her allegations by a preponderance of the evidence, except in the case of a Disciplinary Matter that is being disputed by a member, in which case the burden of proof shall be on US Speedskating to prove the allegations by a preponderance of the evidence. For purposes of these Bylaws, “preponderance of the evidence” means superiority in weight of evidence that is more convincing (even if minimally) than the evidence presented by the other party.

14.26 Decision of the Panel. Decisions on the merits of the Grievance and the form of remedies, including the nature and extent of discipline, shall be determined by a majority vote of the Hearing Panel. In the case of a Grievance Against US Speedskating, the Hearing Panel may (but is not required to), as part of its determination, order US Speedskating to refund all or a portion of the filing fee(s) described in Section 14.8. The Hearing Panel shall report its decision on the merits in writing within twenty (20) business days of the conclusion of the Hearing; provided, however, that if necessary due to time constraints, the Hearing Panel may render its decision orally, or in writing without reasoning, to be followed by a written decision as soon as practicable. The decision shall be sent to the parties and to the Executive Director (or his or her designee).

14.27 Legal Fees. Every party has the right to be represented by an attorney or other representative of his or her own selection in any proceeding under this Policy. However, each party shall pay his/her/its own legal and/or representation fees and costs in all proceedings under this Policy, unless such fees and costs are awarded by a Hearing Panel as provided in Section 14.14 of these Bylaws.
14.28 **Appeal.** Without limiting the ability of a member who is claiming that (i) his or her opportunity to participate has been denied to avail himself/herself of the process set forth in Section 9 of the USOPC Bylaws, (ii) US Speedskating is not in compliance with the requirements of Section 8 of the USOPC Bylaws and/or §§ 220522-220525 of the Sports Act as described in Section 10 of the USOPC Bylaws, and/or (iii) US Speedskating's recognition as a National Governing Body should be revoked as set forth in Section 11 of the USOPC Bylaws, a decision made by the Hearing Panel shall be final and binding and may not be appealed within US Speedskating.

**ARTICLE 15.**
**CODE OF ETHICS AND CODE OF CONDUCT**

15.1 **Code of Ethics and Code of Conduct.** US Speedskating shall adopt a Code of Ethics, an Ethics and Conflicts of Interest Policy and a Code of Conduct (the “Codes”) applicable to all US Speedskating Members, employees, Directors of the Board, Officers, and Standing Committees, other Committees, Task Force and/or Commission Members (the “Individuals Subject to the Codes”). The Individuals Subject to the Codes shall (i) annually certify compliance with the Codes. All US Speedskating employees, Directors of the Board, Officers, and Standing Committees, other Committees, Task Force and/or Commission Members shall execute Conflict of Interest disclosure statements within a timeframe to be determined by US Speedskating.

**ARTICLE 16.**
**FIDUCIARY MATTERS**

16.1 **Indemnification.**

16.1.1 **Scope of Indemnification.** US Speedskating shall indemnify each Director, Officer, Employee and volunteer of US Speedskating to the fullest extent permissible under the laws of the State of Missouri, and may in its discretion purchase insurance insuring its obligations hereunder or otherwise protecting the persons intended to be protected by this Section 16.1.1. US Speedskating shall have the right, but shall not be obligated, to indemnify any agent of US Speedskating not otherwise covered by this Section 16.1.1 to the fullest extent permissible under the laws of the State of Missouri.

16.1.2 **Savings Clause; Limitation.** If any provision of the Nonprofit Corporation Act or these Bylaws dealing with indemnification shall be invalidated by any court on any ground, then US Speedskating shall nevertheless indemnify each party otherwise entitled to indemnification hereunder to the fullest extent permitted by law or any applicable provision of the Nonprofit Corporation Act or these Bylaws that shall not have been invalidated. Notwithstanding any other provision of these Bylaws, US Speedskating shall neither indemnify any person nor purchase any insurance in any manner or to any extent that would jeopardize or be inconsistent with the qualification of US Speedskating as an organization described in section 501(c)(3) of the Internal Revenue Code, or that would result in the imposition of any liability under either section 4941 or section 4958 of the Internal Revenue Code.
16.2 **General Standards of Conduct.**

16.2.1. **Discharge of Duties.** Each Director, Officer and member of a Standing Committee or other Committee, Commission or Task Force shall discharge his or her duties in that position, (i) in good faith; (ii) with the care an ordinarily prudent person in a like position would exercise under similar circumstances; (iii) in a manner maintaining the confidentiality of proprietary and/or confidential information; and (iv) in a manner the individual reasonably believes to be in the best interests of US Speedskating.

16.2.2. **Reliance on Information, Reports, Etc.** In discharging his or her duties, a Director, Officer or member of a Standing Committee or other Committee, Commission or Task Force is entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, if prepared or presented by: (i) one (1) or more Officers or employees of US Speedskating whom the individual reasonably believes to be reliable and competent in the matters presented; (ii) legal counsel, certified public accountants or other persons as to matters the individual reasonably believes are within the persons’ professional or expert competence; or (iii) in the case of a Director, a Standing Committee or other Committee, Commission or Task Force of which the Director is not a member, as to matters within its jurisdiction, if the Director reasonably believes the Committee merits confidence. A Director, Officer or member of a Standing Committee or other Committee, Commission or Task Force is not acting in good faith if he or she has knowledge concerning the matter in question that makes reliance otherwise permitted by this Section 16.2.2 unwarranted.

16.2.3. **Director Not Deemed to Be a “Trustee”.** A Director, regardless of title, shall not be deemed to be a “trustee” within the meaning given that term by trust law with respect to US Speedskating or with respect to any property held or administered by US Speedskating including, without limitation, property that may be subject to restrictions imposed by the donor or transferor of such property.

16.3 **Conflicts of Interest.**

16.3.1. **Definition of Conflict of Interest.** A conflict of interest arises when any “responsible person” or any “party related to a responsible person” has an “interest adverse to the corporation.” A “responsible person” is any individual in a position to exercise substantial influence over the affairs of the corporation, and specifically includes, without limitation, directors and officers of the corporation. A “party related to a responsible person” includes his or her extended family (including spouse, ancestors, descendants and siblings, and their respective spouses and descendants), an estate or trust in which the responsible person or any member of his or her extended family has a beneficial interest or a fiduciary responsibility, or an entity in which the responsible person or any member of his or her extended family is a director, trustee or officer or has a financial interest. “An interest adverse to the corporation” includes any interest in any contract, transaction or other financial relationship with the corporation, and any interest in an entity whose best interests may be impaired by the best interests of the corporation including, without limitation, an entity providing any goods or services to or receiving any goods or services from the corporation, an entity in which the corporation has any business
or financial interest, and an entity providing goods or services or performing activities similar to the goods or services or activities of the corporation.

16.3.2. Disclosure. If a responsible person is aware that US Speedskating is about to enter into any transaction or make any decision involving a conflict of interest, (a “conflicting interest transaction”), such person shall: (i) immediately inform those charged with approving the conflicting interest transaction on behalf of US Speedskating of the interest or position of such person or any party related to such person; (ii) aid the persons charged with making the decision by disclosing any material facts within the responsible person’s knowledge that bear on the advisability of US Speedskating entering into the conflicting interest transaction; and (iii) in the case of a person who is directly involved in the conflicting interest transaction, not be entitled to vote on the decision to enter into such transaction.

16.3.3. Approval of Conflicting Interest Transactions. US Speedskating may enter into a conflicting interest transaction provided:

(A) the material facts as to the responsible person’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the Board of Directors or to a Committee of the Board of Directors that authorizes, approves or ratifies the conflicting interest transaction, and the Board or Committee in good faith authorizes, approves or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested Directors on the Board or Committee, even though the disinterested Directors are less than a quorum; or

(B) the material facts as to the responsible person’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the members, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the members entitled to vote thereon; or

(C) the conflicting interest transaction is fair as to US Speedskating.

16.4 Liability of Directors for Unlawful Distributions.

16.4.1. Liability to US Speedskating. A Director who votes for or assents to a distribution made in violation of the Nonprofit Corporation Act shall be personally liable to US Speedskating for the amount of the distribution that exceeds what could have been distributed without violating the Nonprofit Corporation Act if it is established that the Director did not perform the Director's duties in compliance with the general standards of conduct for Directors set forth in Section 16.2 of these Bylaws.

16.4.2. Contribution. A Director who is liable under Section 16.4.1 for an unlawful distribution is entitled to contribution: (i) from every other Director who voted for or assented to the distribution without relying on information described in Section 16.2 of these Bylaws; and (ii) from each person who received an unlawful distribution for the amount of the distribution whether or not the person receiving the distribution knew it was made in violation of the Nonprofit Corporation Act, to the extent the distribution to
that person exceeds what could have been distributed to that person without violating the Nonprofit Corporation Act or the Articles of Incorporation.

16.5 Loans to Directors and Officers. No loans shall be made by US Speedskating to any of its Directors, Officers, employees or members of its Standing Committees, other Committees, Commissions and/or Task Force. Any US Speedskating Director, Officer, employee or member of a Standing Committee, other Committee, Commission and/or Task Force who assents to or participates in the making of any such prohibited loan shall be liable to US Speedskating for the amount of such loan until the repayment thereof.

(B) Without consent of the Board of Directors, a membership list or any part thereof may not be obtained or used by any person for any purpose unrelated to a member’s interest as a member. Without limiting the generality of the foregoing, without consent of the Board of Directors, a membership list or any part thereof may not be:

   (i) used to solicit money or property unless such money or property will be used solely to solicit the votes of the members in an election to be held by US Speedskating;

17.6.2 **Written Demand.** A member may inspect and copy the records identified in Section 17.5 of these Bylaws only if:

(B) the records are directly connected with this purpose.
17.6.3. **Financial Statements.** Upon the written request of any member, US Speedskating shall mail to such member its most recent annual financial statements, if any, and its most recently published financial statements, if any, showing in reasonable detail its assets and liabilities and results of its operations.

Members who fail to comply with these requirements face suspension or termination of their membership by US Speedskating.

19.5 **Safesport.** As a condition of membership in US Speedskating and a condition for participation in any competition or event sanctioned by US Speedskating or its member organizations, each member and each athlete, coach, trainer, agent, athlete support personnel, medical or para-medical personnel, team staff, official, and other person who participates in US Speedskating or US Speedskating events (whether or not a US Speedskating member), agrees to comply with and be bound by the safe sport rules, policies, and procedures of the U.S. Center for Safe Sport and to submit, without reservation or condition, to the jurisdiction and rules, policies, and procedures of the U.S. Center for Safe Sport for the resolution of any alleged violations of those rules, policies, or procedures, as they may be amended from time to time. 21.2 Saving Clause. Failure of literal or complete compliance with any provision of these Bylaws in respect of dates and times of notice, or the sending or receipt of the same, or errors in phraseology of notice of proposals, which in the judgment of the Directors of the Board do not cause substantial injury to the rights of Directors, shall not invalidate the actions or proceedings of the Directors at any meeting.

ARTICLE 22.
EFFECTIVE DATE AND TRANSITION

22.1 Effective Date and Transition. These Bylaws shall be effective when adopted by the current Board of Directors; provided, however, that certain provisions will be implemented over time.
