NTP athletes may be identified as Full-time or Part-time. With respective designation there may be differences in services and benefits.

World Cup & World Senior Team Qualified- Service/benefits granted to athletes who have signed the USS athlete agreement, qualified and committed to participation with a Senior World Cup/World Team in the previous or current season.

The above information in this Athlete Services grid is for the purpose of better understanding program and status benefits for US Speedskating athletes.

USS and the athletes recognize that many of the benefits outlined above are driven through partnership agreements. These agreements may be amended, terminated and or new partnerships may be put in place during the course of the competition season.

USS retains the right to change the intended services or benefits above determined by the terms of various USS partnership agreements.

If the intended services or benefits change during the season, athletes have the right to terminate their USS Athlete Agreement with written notification to the USS Program Director.
