1.3 Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process.

Team Size: U.S. Paralympics Boccia aims to field a Team that will be internationally competitive at the 2021 Americas Championships. The maximum team size will be seven (7) athletes. Athletes meeting any of the below criteria shall be selected to the Team.

Team & Pair make-up: Per World Boccia’s Competition Guidelines for World Opens, Regional Championships and Paralympic Games, each Team and Pair must include at least one female athlete to comply with the World Boccia female quota.

Team Selection Process

- Athletes must participate in three of the four events/virtual opportunities listed in Section 1.2.1 in order to be selected:

- The selection process will include athlete choice of one of two opportunities for video trials in person or virtually (see section 1.2.1.A.i. and 1.2.1.A.ii. above). The skills to be evaluated are listed in Attachment C of these selection procedures and simulate game play scenarios in each respective boccia division. Whether in person or virtually, a U.S. coach must certify the video.
- Athletes at the Selection Evaluation Camp in Kansas on October 7, 2021 will be measured in both tactical and technical skills (Attachment C) during head-to-head competition. The specific location for this event is Olathe, KS North High School from 9 a.m. to 4 p.m. CST.
- The Selection Committee will evaluate performance data from the final results at the USA Boccia National Championships 2021.

2. DISCRETIONARY SELECTION

2.1. Provide rationale for utilizing discretionary selection (if any):

The sport of Boccia is not a measured or timed event. It is a closed skill environment that is ever changing with each shot on the floor of competition. It is the belief of U.S. Paralympics Boccia that the discretionary selection criteria set outlined below, which includes subjective components in the evaluation of performance and ability, will result in the selection of athletes to comprise the most competitive Team and/or Pair(s).

2.2 List the **discretionary criteria** and explain how they will be used (if any):

A. Boccia athletes:

The U.S. Paralympics Boccia Discretionary Selection Committee will consider the following performance-related factors (which are not in priority order):

The sport of boccia is not a measured or timed event. Boccia is a closed skill event in which the environment is constant with the only change factor being the most recent ball thrown. In the selection of athletes who will compete together as a Team/Pair, it is impossible to make selection decisions based solely upon objective criteria.

Technical

Athletes will be evaluated on the following technical core skills (jack ball placement, first ball, ability to score and block, push, climb balls, covering up, and ricochet) based on performance. Athletes will be evaluated on experience and knowledge of the game.

Tactical

Athletes will be evaluated on tactical awareness in game situations including (shot selection, order of play, when to come onto court, awareness and implementation of playing to teammate(s) strengths to advantage team/pair, clock management, advantaging team/pair by implementing game plan after knowing opponents strengths/weakness).

Psychological/Social

Attitude: This applies both on and off the court, respecting those athletes he/she plays with and against, staff, coaches and officials. To act in a sportsmanlike manner consistent with the spirit of fair play and responsible conduct.

Leadership: Leading by example with a positive influence on all those around him/her.

Teamwork: Cooperative effort to be the best he/she can be, working with their teammates to fulfill one common goal, success.

Coachable: Always open to constructive feedback, embracing new ideas and putting the Team's needs before his/her own.

Ambassador: Acting in a manner that would be pleasing to the program, sport, country, and else affiliated. Doing what is right, even when no one is watching. Refraining from conduct that would detract from their ability or that of their teammates to attain peak performance.

B. Sport Assistant/Ramp Operator:

Sport Assistants assist BC1 sport class athletes. The sport assistant stays outside of the competitor's playing box but can stabilize or adjust an athlete's playing chair and give the ball to the player when requested.

The Ramp Operator is defined as a competition partner by World Boccia and IPC, and therefore is selected based upon the preference of the respective athlete who is competing in the BC3 division.

Sport Assistants and ramp operators are not included in the maximum team size as defined in section 1.3 above.

The U.S. Paralympics Boccia Discretionary Selection Committee will consider the following factors in the selection of sport assistant(s) and ramp operator(s): (which are not in priority order):

- i. Preference of the qualified athlete;
- ii. Demonstrated expertise of the sport assistance required – must have expertise and experience in the sport of boccia;
- iii. Knowledge and understanding of the World Boccia rules and regulations for competition.

Sport assistants and ramp operators will be held to the same standards and code of conduct as outlined in these Procedures.

The sport assistant and ramp operator position(s) are contingent on the selection of the respective BC1 and/or BC3 athlete to be supported. If the selected athlete declines his/her selection or is subsequently removed from the team after selection, the respective sport assistant/ramp operator also loses his/her place on the team.

- 2.3 Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

U.S. Paralympics Boccia Discretionary Selection Committee

Boccia High Performance Manager
National Team Coach or Team Manager
Athlete Representative

- 2.3.1 Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

3. REMOVAL OF ATHLETES

- 3.1. Prior to submission by U.S. Paralympics Boccia to World Boccia and the 2021 Americas Championships Organizing Committee, an athlete who is to be selected to the team by U.S. Paralympics Boccia may be removed for any of the following reasons, as determined by U.S. Paralympics Boccia:
- 3.1.1 Voluntary withdrawal: Athlete must submit a written letter to U.S. Paralympics Boccia.

If an athlete refuses verification of his/her illness or injury by a physician (or medical staff) approved by U.S. Paralympics Boccia, his/her injury will be assumed to be disabling and he/she may be removed.
 - 3.1.4 Failure to participate in Mandatory Training and/or Competition as defined in Section 9 of these procedures.
 - 3.1.5 Violation of U.S. Paralympics Boccia Code of Conduct (Attachment B).

- 3.1.6 Re-Classification of an athlete by World Boccia, such that the athlete's qualifying performance would not have qualified him/her for the team.
- 3.1.7. Removal by World Boccia of the event in which the athlete qualified for the Team from the program of the 2021 Americas Championships.

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per the USOPC Complaint Procedures for U.S. Paralympics National Teams and Paralympic Programs and the USOPC's Bylaws, Section 9.

- 3.2. Once athlete entries have been submitted to the Local Organizing Committee by the USOPC, the USOPC has jurisdiction over the Team, at which time, in addition to any applicable U.S. Paralympics Code of Conduct, the USOPC's Code of Conduct and Grievance Procedures apply. **U.S. Paralympics
COMPLAINT PROCEDURES
January 1, 2020**

ARTICLE I. ADMINISTRATION OF COMPLAINTS

Section 1. Types of Complaints.

U.S. Paralympics has the authority to hear and render decisions on the following types of complaints:

- a. Administrative Grievances. Any alleged violation of or grievance concerning: any U.S. Paralympics rule, regulation, or any U.S. Paralympics program or service;
- b. Opportunity to Participate Complaints. Any alleged denial, or alleged threat of denial, of an athlete, coach, trainer, manager, administrator or official's opportunity to participate in competition or activity authorized or organized by U.S. Paralympics;
- c. Disciplinary Actions. Any alleged violation of U.S. Paralympics Code of Conduct, or any other rule or regulation relating to conduct, other than alleged violations of the U.S. Center for SafeSport's ("USCSS") SafeSport Code.

Complaints must be filed pursuant to the specific procedures set forth for each type of complaint and on the form provided by U.S. Paralympics.

Section 2. USOPC Dispute Resolution Unit.

The United States Olympic & Paralympic Committee's ("USOPC") Dispute Resolution Unit ("DRU") will generally administer and oversee all complaints. The DRU will be responsible to ensure that all complaints are heard in a timely, fair and impartial manner. Respondents will be afforded basic due process rights as described in the procedures below. The DRU may promulgate procedures in addition to those set forth in these Complaint Procedures for the effective administration of reports or complaints filed with or referred to U.S. Paralympics.

The DRU will be responsible for determining if a complaint filed with the DRU (1) was properly filed; (2) satisfies the minimum requirements for that type of complaint; (3) should be redesignated as a different type of complaint; and (4) if the applicable filing fee has been submitted. If the DRU determines that a complaint was not filed properly or failed to satisfy the minimum requirements for such complaints, then the DRU will provide the parties the opportunity to remedy the deficiencies and re-file. When making this initial determination of the propriety of filing and the adequacy of the complaint, the DRU may not make any decisions or judgments based on the merits of the complaint, nor may the DRU make any determination that the complaint was frivolous. If the DRU determines that a complaint was filed using the improper designation (e.g., an opportunity to participate complaint was filed as an administrative grievance), then the DRU will notify the parties of the mis-designation and treat it according to the proper designation. If any deficiencies in the filing are identified as a result of the re-designation, then the DRU will provide the parties the opportunity to remedy the deficiencies and re-file.

ARTICLE II. GENERAL HEARING PROCEDURES

Section 1. Hearing Panel Appointment.

Upon the filing of a complaint, the DRU will appoint a Hearing Panel consisting of three (3) disinterested individuals to hear the complaint. The DRU will also appoint a chair of the Hearing Panel from the three individuals selected. At least one (1) member of the Hearing Panel will be an Athlete Representative. An Athlete Representative must have (1) within the ten (10) years preceding election, represented the United States in the Olympic, Pan American, Paralympic, or Parapan American Games, World Championships, event designated as an Operation Gold event, or, in a team sport, an international championship recognized by the International Federation of the sport; or (2) within the twenty-four (24) months preceding election demonstrated that they are actively engaged in amateur athletic competition by finishing in the top half of U.S. Paralympics national championships or, in a team sport, have been a member of U.S. Paralympics national team. Members of the panel need not be involved in the respective sport.

The complaining party or responding party may object to the appointment of any member of the Hearing Panel on the grounds of bias, conflict of interest, or such other grounds on which the party believes the panel member should be disqualified. The objection, along with relevant information, will be provided to the USOPC Ethics Officer to review any potential grounds for disqualification. The USOPC Ethics Officer will timely render a determination of whether the appointed panel member should be disqualified, and, if the panel member is disqualified, a replacement panel member will be appointed promptly.

Section 2. Notice of the Complaint.

Upon the filing of a complaint, the chair of the DRU will provide acknowledgement of receipt of the complaint to the complainant.

Upon determining that the complaint was properly filed and satisfied the minimum requirements of a complaint of the type asserted, the DRU will promptly provide written notice to the respondent that a complaint against him or her has been received, along with a copy of the complaint. The notice will include an explanation of the allegations or charges made against the respondent, the respondent's opportunity to provide a response, any potential consequences if applicable and the right to have a representative present and provide assistance throughout the proceedings. For cases involving the opportunity to participate, written notice will be provided to all known affected parties.

Section 3. Right to a Representative

Any party to a proceeding under these Complaint Procedures has the right to have a representative present during such proceedings at his or her own expense.

Section 4. Conduct of the Proceedings.

The Hearing Panel will rule on all motions and other matters raised in the proceeding.

A respondent may file a motion to dismiss a complaint against him or her on if:

- (a) the complaint was filed after the applicable statute of limitations for such complaints has expired; or

(b) the complaint fails to allege any conduct that could be construed as constituting a violation of any applicable rule, policy, or procedure of U.S. Paralympics.

If the complaint is not dismissed, the Hearing Panel will hold a hearing on the complaint. The Hearing Panel will provide to all parties a schedule for the proceeding. The Hearing Panel also will set such other rules regarding the proceeding and the conduct of the hearing as it deems necessary.

In advance of the hearing, the parties may exchange a list of anticipated witnesses, with a brief description of their expected testimony, and any exhibits that the parties anticipate using at the hearing.

The hearing will be informal, except that testimony will be taken under oath. The hearing may be conducted by teleconference or videoconference, if necessary or convenient to the parties. Each party will have the right to appear personally or through a representative.

The Hearing Panel will be required to determine whether, based on the evidence presented, the party seeking relief has proven its entitlement to relief by a preponderance of the evidence.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter will be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript will be paid for by the party requesting the transcript.

Section 5. Written Decisions.

A decision will be determined by a majority of the Hearing Panel. The Hearing Panel's decision will be in writing and distributed to the parties promptly following the close of the hearing.

Section 6. Statute of Limitations.

All complaints must be filed within one hundred and eighty (180) days of the occurrence of the alleged violation, grievance, denial or threat to deny.

Section 7. Informal Resolution/Mediation.

For all reports and complaints, U.S. Paralympics may attempt to informally resolve the dispute at any time. An informal resolution will be in writing and will be considered a final disposition of the matter.

For any report involving allegations of violations of U.S. Paralympics Code of Conduct that is resolved informally, U.S. Paralympics will notify the reporting party that the matter has been resolved. U.S. Paralympics may, but is not required to, provide the reporting party with the details of the resolution. If an informal resolution is reached and the matter is final, the reporting party cannot pursue the complaint further.

Section 8. Due Process.

The parties will be afforded basic due process rights, including, but not limited to, the following:
each party will have the right to appear personally or through a representative.

Respondents will receive written notice of any alleged violation or complaint against them, along with an explanation of the potential consequences.

Respondents will be given a reasonable time before a hearing in which to prepare a defense.

The Hearing Panel will hold the hearing in a prompt and timely manner. The Hearing Panel will use best efforts to hold the hearing within thirty (30) days of receipt of the complaint, and to issue its written decision within fifteen (15) days thereafter.

All parties will be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument.

Members of the Hearing Panel will have the right to question witnesses or the parties to the proceeding at any time.

All parties will receive a written decision from the Hearing Panel, which will include notice of the applicable appeal procedures.

Section 9. Expedited Procedures.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the DRU is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the Hearing Panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 10. Interim Measures.

In the case of Disciplinary Actions, prior to the matter being heard on the merits, it may be necessary to implement interim measures against the respondent in the following circumstances: (i) to ensure the safety or well-being of others, or (ii) where an allegation is sufficiently serious. Where either such circumstance exists, U.S. Paralympics may immediately implement interim measures to protect others, provided the respondent is afforded an opportunity for a provisional hearing within a reasonable amount time, including allowing to request expedited procedures if it affects an individual's opportunity to participate. The provisional hearing is not a full hearing on the merits. The sole issue before the Hearing Panel is whether there is reasonable cause to impose an interim measure. Interim measures may include, but are not limited to, altering training schedules, providing chaperones, limiting contact, removal from the venue and suspensions. The respondent will still be afforded with a hearing on the merits in a timely manner thereafter.
