Policy Name: USOPC Minor Athlete Abuse Prevention Policies

Date of Issuance: 01-01-2022

Policy Owner: Chief Security & Athlete Safety Officer

Applies to: BOD, USOPC Staff, and Others (as below)

Purpose: To establish clear requirements for interactions between Adult Participants and Minor Athletes.

Policy Statement: The mission of the United States Olympic & Paralympic Committee (USOPC) is to empower Team USA Athletes to achieve sustained competitive excellence and well-being. In effectuating this mission, the USOPC strives to transform the culture of sport by promoting healthy environments free of misconduct and abuse.

The USOPC recognizes that youth-adult relationships can be healthy and valuable for development. Policies regarding one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that the USOPC limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

Federal legislation and the U.S. Center for SafeSport (the Center) both promulgate rules, policies, and procedures to protect and govern the wellbeing of athletes and this policy reinforces and builds on those principles by providing specific application for the USOPC.

Section 1. Definitions

Adult Participant: Any adult (18 years of age or older) who is:

1. An employee or board member of the USOPC;

2. Within the governance or disciplinary jurisdiction of the USOPC;

3. Authorized, approved, or appointed by the USOPC to have regular contact with or authority over Minor Athletes; or

4. Otherwise deemed a Participant in accordance with the USOPC Athlete Safety Policy (available at: http://teamusa.org/USOPCAthleteSafetyPolicy), and further outlined in the USOPC Participant & Training Model within that policy.
**Adult Participant Personal Care Assistant**: An Adult Participant who assists an athlete requiring help with activities of daily living (ADL) and preparation for athletic participation. This support can be provided by a guide for blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant PCAs must be authorized by the athlete’s parent/guardian. PCAs must have Regular Contact with Minor Athlete(s) other than the Minor Athlete for whom they provide care, or the PCA must be hired by the USOPC to be considered an Adult Participant Personal Care Assistant and subject to this policy.

**Amateur Athlete**: An athlete who meets the eligibility standards established by the National Governing Body or Paralympic Sports Organization for the sport in which the athlete competes.

**Authority**: When one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person, or where a Power Imbalance exists as defined in the U.S. Center for SafeSport’s SafeSport Code for the Olympic and Paralympic Movement (the Code).

**Close-in-Age Exception**: An exception applicable to certain sections of this policy when an Adult Participant does not have authority over a Minor Athlete and is not more than four years older\(^1\) than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception only applies within this policy, and not regarding conduct defined in the Code (and adopted as Prohibited Conduct in the USOPC Athlete Safety Policy).

**Dual Relationships**: An exception applicable to certain sections of this policy when an Adult Participant has a dual role or relationship with a Minor Athlete, such as a coach of a Minor Athlete who is also that Minor Athlete’s aunt or uncle, and the Minor Athlete’s parent/guardian has provided written consent at least annually authorizing the exception.

**Electronic Communications**: Refers to any and all communications taking place electronically, which includes, but is not limited to, phone calls, videoconferencing, video coaching, texting, email, and social media.

**In-Program Contact**: Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

**LAO**: A regional, state, or local club or organization that is directly affiliated with an NGB or that is affiliated with an NGB by its direct affiliation with a regional or state affiliate of said

---

\(^1\) The age difference will be evaluated utilizing the birthdates of the Adult Participant and the Minor Athlete.
NGB. LAO does not include a regional, state, or local club or organization that is only a member of a National Member Organization of an NGB.

**Minor Athlete:** An Amateur Athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of the USOPC, an NGB, or LAO.

**NGB:** a U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the USOPC pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq.

**Partial or Full Jurisdiction:** Includes any USOPC sanctioned event (including all travel and lodging arranged by the USOPC in connection with the event), or any facility that the USOPC owns, leases, or rents for practice, training, or competition.

**Regular Contact:** Ongoing interactions during a 12-month period where an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s).

**USOPC:** The U.S. Olympic & Paralympic Committee

**USOPC Delegation Event:** Events to which the USOPC officially sends an individual or group of individuals on behalf of the USOPC and/or the United States.

USOPC Minor Athlete Abuse Prevention Policies

Appendix A

Organizational Requirements

The USOPC must implement proactive policies designed to prevent abuse. These organizational requirements are described below.

   a. One-on-one interactions
   b. Meetings and training sessions
   c. Athletic training modalities, massages, and rubdowns
   d. Locker rooms and changing areas
   e. Electronic communications
   f. Transportation
   g. Lodging

---

6 These components are contained in the USOPC’s MAAPP in the Therapeutic and Recovery Modalities and Manual Therapy section.
2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies in Part IV. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. The USOPC may choose to implement stricter standards than the model policies.

      iii. Investigating and enforcing violations of the policies.

5. The USOPC must have a reporting mechanism to accept reports that an Adult Participant is violating the USOPC’s Minor Athlete Abuse Prevention Policies. The USOPC must appropriately investigate and resolve any reports received, unless the violation is reported to the Center, and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

c. Policy Approval and Submission Process

1. The USOPC submitted the USOPC’s MAAPP to the Center for review and approval on January 29, 2021, and received approval for the policy on August 27, 2021.

---
\(^7\) The USOPC does not currently have any LAOs.
