5.05 PETITIONS

- A. Any Senior athlete who has successfully petitioned the National Team Review Subcommittee, pursuant to the Exception noted below, may also be considered for placement on the 2022 Senior National Mixed Duet. Consideration is regardless of their prior participation or ranking in any of the Selection Process that has taken place.
- B. Petitions must be submitted prior to the end of the Trials event and any successful petitioner must be present at the start of the National Team training or the National Elite Camp.
- C. The National Team Review Subcommittee approves or denies the petition. However, the High Performance Manager (or Designee), in consultation with the National Team Coaching Staff, may replace the last ranked athlete(s), with one or more petitioners added from Section 5.06 A. above to finalize the 2022 Senior National Mixed Duet.

EXCEPTION: In the event of an athlete injury or illness as certified by a Physician approved by USA Artistic Swimming, or an extreme personal or family emergency or any other extenuating circumstances prior to or during the Senior National Mixed Duet Trials, which precludes the athlete from participating in the Trials, the athlete may petition the National Team Review Subcommittee. If the petition is approved, the successful petitioner shall be reinserted into the Selection Process at the appropriate Phase as an additional athlete.
