

2021 Committee Report

Mission

The USA Triathlon Women's Committee is a resource for female athletes of all levels and socioeconomic backgrounds by mentoring professional growth and providing opportunities for women in the sport of triathlon.

2021 Accomplishments

- Awarded 4 Individual awards on our Facebook page for more engagement and added in a diversity and inclusion award. The winner were highlighted on our page and sent certificates.
- Awarded the Judy Flannery award in memory of her.
- Increased the followers on our Facebook page
- Hosted Facebook Live sessions geared towards new triathletes
- Posted daily news articles on women in triathlon, inspirational quotes, in hopes the USAT WC page becomes an outlet for women in multisport.

2022 Objectives

- Add 1-2 new engaged committee members.
- Transitioning to new Committee Chair
- Continue with our individual awards and Just Flannery award
- Reach more women on our Facebook page to try and become more of an outlet for women in triathlon

Conclusion

We will continue supporting women in triathlon through guidance and providing support via social media and being a sounding board for USA Triathlon Women's engagement efforts.
