USA Track & Field

Dear Max,

Enclosed is the United States Olympic and Paralympic Committee's (USOPC) report on the 2019 Compliance Checklist for USA Track & Field, Inc. (USATF). We want to express our appreciation for the time you and your staff spent completing the Checklist and providing documents during the review.

USATF was compliant as it specifically relates to the compliance checklist report for the questions outlined below in the following areas: governance/managerial; financial capability; due process and athlete representation; athlete safety; and anti-doping. There were no deficiencies found and USATF is fully compliant with the 2019 USOPC Compliance Checklist. There is an additional observation in the report that when implemented, will improve the grievance policy language.

The report will be presented to the USOPC Athlete and NGB Engagement Committee and be made available on TeamUSA.org. We hope you found the review process to be helpful. If you have any suggestions, please do not hesitate to share them with us.

Sincerely,

2019 COMPLIANCE CHECKLIST REPORT

USA Track & Field

OBJECTIVE AND SCOPE

The objective of the review is to verify USATF is in compliance with key elements of the Ted Stevens Olympic and Amateur Sports Act, the USOPC Bylaws and certain USOPC policies, in order to demonstrate ongoing commitment to the values and requirements of membership in the USOPC. The scope includes the 2019 Compliance Checklist certified by USATF and the supporting documents provided by USATF. Compliance Checklist procedures are designed to verify that certain NGB policies are in place. This Compliance Checklist does not conclude on the effectiveness of any policies reviewed. ADDITIONAL OBSERVATION

During the review we identified an additional area for improvement. This additional observation does not impact the compliant status but could impact it in the future.

Do you provide procedures for the prompt and equitable resolution of grievances of your members?

USATF provides for binding arbitration in Article 18 of its Bylaws, however, makes no reference to binding arbitration in Regulation 21 "Formal Grievances and Disciplinary Proceedings" of its Operating Regulations. It would provide clarity if the grievance procedures allowed for binding arbitration.

USATF Action Plan: *USATF has agreed to modify its language in Regulation 21 later this year to make this clarification and address any outstanding USOPC concerns.*

CONCLUSION

USATF is fully compliant with the USOPC's Compliance Checklist. The Compliance Checklist does not conclude on the effectiveness of any policies reviewed. Additional audit procedures are completed on select NGBs each year to verify various policies and processes are being followed.
