g. the individual receives any compensation from the USA-NKF, directly or indirectly;

h. the individual is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with the USA-NKF;

i. the individual is the parent or close family member or coach of an athlete who has competed in a protected competition;

j. the individual is a member of the USA-NKF in a membership category that participates in competitions;

m. the individual receives compensation as a karate instructor; or

n. the individual is qualified to serve as an “athlete representative” under Section 8.5 (or any successor provision) of the USOPC Bylaws in the sport of Karate.

Independent Directors must continue to meet the definition of independent perspective for the entire
term and any successive term with the exception of holding any governance position with USA-NKF, PKF or WKF and reimbursement of expenses related thereto.
