1. Citizenship: Athletes must be citizens of the United States at the time of nomination and have a valid U.S. Passport that will not expire for six months after the conclusion of the Games.

2. Minimum IF standards for participation (if any): Must be born January 1, 2002 or later to be able to participate as a 17U player in 2019 and 18U player in 2020.

3. Other requirements (if any):

   USA SOFTBALL PLAYER POOL.
   Athletes meeting the above eligibility requirements are eligible to be selected as a member of the USA Softball U18 Men’s National Player Pool (the “Pool”). Athletes must be a member of the Pool at the time of selection to be eligible for nomination to a USA Softball U18 Men’s National Team. Athletes who are members of the Pool shall include the following:

   i. Athletes identified through the ongoing screening process described in Section I(B)(2)(b), below, and selected for inclusion in the Pool by the Men's National Team Selection Committee (“MNTSC”).

B. Tryout Events:

1. Provide the event names, dates and location of all trials, events and/or camps to be used as part of the selection process.

   Observation at Evaluative Events.
   It is anticipated that athletes will be observed by one (1) or more members of the MNTSC at the events listed below (“Evaluative Events”) or by video analysis submitted. Such observation is for the purpose of evaluating athletes with respect to the Selection Criteria. If fewer than every member of the MNTSC is present at an Evaluative Event, those present will submit a written report of their observations to the remaining members of the MNTSC. This list does not include the ongoing screening events described in Sections
l(B)(2)(b), below, at which observations are made for the purpose of general scouting.

i. Vasser Michigan Tournament July 27-28, 2019

ii. 2019 USA Softball U18 Men’s Open Tryout to be held in Vasser, MI July 28-29, 2019 (it is intended that members of the MNTSC will attend);

iii. Other Men’s or Boy’s Fast Pitch Events

iv. Video submitted by athletes or coaches

The events at which athletes will be evaluated are subject to change.

2. Provide event names, dates, locations and description of how athletes qualify for any “preliminary or qualifying” events or procedures that are prerequisites to attend any of the events listed above in Section l(B)(1)(if any).

   a. Membership in Pool.
      Athletes must be a member of the Pool to be selected to attend any of the events listed above in Section l(B)(1).

   b. Ongoing Screening.
      From time to time, one (1) or more members of the MNTSC will observe athletes at various events including but not limited to softball camps and clinics, interscholastic softball competitions and events, club or league softball events, video, and events coordinated by USA Softball. This screening is an ongoing process and will continue throughout the year. Observation by members of the MNTSC at such events is solely for the purpose of general scouting. The MNTSC will not be individually evaluating each athlete competing at each event. Instead, general scouting will be conducted so that athletes can be identified who perform at a level which the MNTSC believes is competitive in the current international field. Players identified through the ongoing screening process will be considered for placement in the Pool by the MNTSC.

C. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become team nominees.

   1. Observation of Athletes.
      At the Evaluative Event described in Section l(B)(1), above, one (1) or more members of the MNTSC will observe and evaluate athletes. Observation and written evaluation duties may be divided among the members of the MNTSC and each member’s observations will be reported to the other members of the MNTSC. Athletes will be observed in order to develop information about the athletes with regard to the Selection Criteria. It is intended that the
observation of athletes will be an ongoing process and that all observations at events, will be considered in the selection decisions. As indicated in these Selection Procedures, athletes may move into the Pool throughout this process and not every member of the Pool will participate in each event. As a result, it is possible that each athlete being considered in selection for a Team may not have been observed at the same Evaluative Events or as many Evaluative Events as other athletes also being considered for that particular Team.

2. **Selection of the U17/18 Men’s World Cup Team**

The athletes selected will have been evaluated at one of the evaluative events listed in I.B.1 will have the opportunity to be selected to the U17/18 Men’s World Cup Team. The MNTSC will select the roster 15 athletes on or before August 26, 2019. The selections will be based upon the Selection Criteria.

3. **Selection Criteria.**

In selecting athletes to be members of the Teams, the MNTSC will consider information, such as observation (including video) and statistics of both objective and subjective nature, that pertains to the criteria listed below in the categories of Offensive Performance, Defensive Performance, Pitching Performance, Physical Strength and Conditioning Performance, and Other Considerations (the “Selection Criteria”). II. REMOVAL OF ATHLETES

A. USA Softball has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by the USA Softball may be removed as a nominee for any of the following reasons, as determined by the USA Softball:

- Voluntary withdrawal. Athlete must submit a written letter to the USA Softball CEO/Executive Director.
- Injury or illness as certified by an approved USA Softball physician (or medical staff). If an athlete refuses verification of his illness or injury by an approved USA Softball physician (or medical staff), his injury will be assumed to be disabling and he may be removed.
- Violation of the USA Softball Code of Conduct (Attachment A) (also see below).
- If USA Softball has any other specific reason, list those reasons here:

1. **Player's Pool.** An athlete selected as a member of the Pool participates in the Pool at the discretion of the MNTSC and may be recommended for removal from the Pool by the MNTSC for any action determined by the MNTSC to be detrimental to a Team, USA Softball
or any USA Softball athlete, coach or staff. If an athlete is recommended for removal from the Pool, he will receive written notification of such removal recommendation from the MNTSC. Any member of the coaching Staff, the MNTSC, the USA Softball National Office Staff, or a team member may report to the MNTSC a circumstance, which he believes to warrant removal of an athlete from the team. The MNTSC shall determine whether or not such removal is warranted. The MNTSC would then recommend removal of the athlete to the USA Softball Board of Directors. An athlete who may be removed from a Team pursuant to this provision has the right to a hearing based on the recommended decision of the MNTSC pursuant to the USA Softball Board of Directors Policy – National Teams.

4. **Teams – Illness/Injury.** In the event, an athlete selected as a member of one of the Teams suffers from an injury or illness which, in the opinion of an USA Softball approved physician selected by the athlete, renders the athlete unable to participate in Team events, the athlete can be recommended for removal from the Team, either permanently or temporarily, by the MNTSC. If an athlete refuses verification of an illness or injury by an USA Softball approved physician, the injury will be assumed to be disabling and the athlete may be removed from the Team.

5. **Teams – Voluntary Withdrawal.** An athlete may voluntarily withdraw from membership on one of the Teams by submitting a written letter to the USA Softball Director of National Teams.

6. An athlete who may be removed from the Team pursuant to this provision has the right to a hearing pursuant to the USA Softball Board of Directors Policy – National Teams.

**B.** An athlete may be removed from Nomination or from the Team at any time for violation of IOC (for the Olympics), PASO (for the Pan American Games), WBSC, USOC, USADA and/or WADA anti-doping protocol, policies and

The MNTSC will provide the athlete written approval or denial of the waiver request within five (5) business days of receiving verification, unless it is a time sensitive issue, in which case the decision will be made immediately.
