* Effective as of January 1, 2020.

** Test to be administered at a USATKD Referee Camp, or by special arrangement with the Referee Chair.
6.1. USATKD will publish the announcement of WT International Referee Seminars and application deadlines in a timely manner. Interested referees should apply in writing, including all documentation of meeting the requirements, to the Referee Chairman, with a copy to the USATKD Referee Programs Manager.

6.2. A USATKD referee with dual citizenship who elects to become a WT International Referee through their native country without meeting USATKD requirements for IR recommendation will continue to be recognized at their highest USATKD referee level attained.

- Example: An individual with New Zealand citizenship relocates to the USA and enters the USATKD Referee Program, attaining C level. Wishing to attend the WT IR Certification Course, they secure a recommendation from the NZL TKD Federation, and become certified as a WT International Referee from New Zealand.

- The referee may be selected for a USATKD-certified event, but for administrative purposes will be considered to be a USATKD C-level Referee and will receive a stipend for that level. In order to be paid at the rate for WT International Referees at USATKD-sanctioned events, they will have to meet USATKD promotion criteria up to A level.

**Article 7. Referee Seminars, Camps and Online Education**

7. The Referee Chair will have full authority concerning the operation of USATKD Kyorugi and Poomsae referee certification Seminars and camps, under the direction of the USATKD Executive Director and will be taught by instructors who have been trained and certified by USATKD.

- USATKD reserves the right to schedule some referees to leave the event during the last day of competition, where practical, and may not provide the final night’s hotel room in those cases. These arrangements will be made in advance, with agreement of the Referee Chair and the referees involved.

8.5. In lieu of meals, USATKD may elect to provide referees a *per diem* allocation based on current U.S. Government Services Administration rates for the city in which the event is held.

Article 10. Recommendation for Appointment to International Events

10. For World Taekwondo-sanctioned events—including international championships, selection camps, special training, etc.—requiring NGB nomination or recommendation, the Referee Chair will prepare a list of qualified U.S. International Referees. This list will form the basis for recommendations to WT, with the number of referees determined by WT, and the order based on evaluation of skills, service to USATKD and record of participation in USATKD national events. Final determination will be made by the Referee Chair, with the approval of the USATKD Executive Director. All international recommendations are subject to World Taekwondo approval.

10.1. Selection of U.S. International Referees for the U.S. Open will be made by the Referee Chair in consultation with the USATKD Executive Director and Referee Director.

- In order to ensure a truly international competition experience, 70% of International Referees appointed to the U.S. Open shall be from non-USA countries, with no more than 30% from the U.S.

   12.9. I will recuse myself from any match in which my personal or professional relationship with a contestant or coach may give an appearance of conflict of interest or lack of impartiality.
Protests, Sanctions and Disciplinary Matters

13. Protests, sanctions and any other formal disciplinary matters arising at USATKD-sponsored events shall be dealt with in the manner prescribed in the current version of USATKD Competition Rules. The handling of these matters shall be consistent with due process protections guaranteed by the Ted Stevens Olympic and Amateur Sports Act and by USATKD bylaws.

13.1. The Referee Chair and Vice Chair(s) have full authority to investigate any misconduct, violations of the rules, and/or misjudgments committed by any referee while officiating at USATKD National Championships or other USATKD-sponsored event, and to take any appropriate action deemed necessary.

   - Written warning and evaluation report.
   - Temporary or permanent removal from current ring assignment or reassignment of ring duties.
   - Recommendation to proceed with a formal Extraordinary Sanctions Committee.

13.4. If a duly-convened Extraordinary Sanctions Committee finds that the referee’s misconduct, misjudgment or misapplication of the competition has not been severe enough to warrant strong disciplinary action, the referee may still be required to undergo remedial training; e.g., attendance at one or more Referee Camps or Seminars, individual coaching, or other corrective training as needed.

13.5. If a duly convened Extraordinary Sanctions Committee finds that the referee has committed severe, repeated and/or intentional misconduct, misjudgment or misapplication of the competition rules, the following actions may be taken:
   - Probation of a period not to exceed three years. During the probationary period, the referee must attend from one to three Referee Development Camps, or other training as may be required, as determined by the Referee Chair and Extraordinary Sanctions Committee. The referee may be appointed to USATKD-sanctioned events, where his/her actions and conduct will be closely monitored to determine that errors in misjudgment or misapplication of the competition rules have been corrected.
   - Temporary or permanent revocation of referee certification. All referee certification will be revoked, and the referee will be prohibited from participating in any USATKD referee activities.
   - Temporary or permanent suspension of USATKD membership.
13.6. If the referee is a WT International Referee, the Referee Chair and the USATKD Executive Director shall report the findings of the Extraordinary Sanctions Committee to the Referee Office of the WT, with a copy to the WT Referee Chair.

13.7. A referee facing an Extraordinary Sanctions Committee has the following rights:

13.8. If the Extraordinary Sanctions Committee determines that the referee is to be removed from the competition, USATKD may deny the referee’s stipend for any days not worked but shall not revoke the referee’s room and board. Alternately, USATKD may elect to compensate the referee for any incremental travel expense incurred for leaving the competition early.

13.9. If the referee disagrees with the finding of the Extraordinary Sanctions Committee, he/she may appeal the decision to the USATKD Executive Director, and the Executive Director may refer it to the USATKD Ethics Committee.
