

2022 US Grand Prix Series

Where Olympic & Paralympic Journeys Begin

Welcome to the 2022 United States Grand Prix Series

Welcome to the second U.S. Grand Prix Series – a revolution in taekwondo events in the United States for 2022. The U.S. Grand Prix Series is a new, high quality, professionally produced series of events, consisting of three Grand Prix events, and a Grand Prix Final for the medalists in each Grand Prix – they are unlike anything the U.S. Taekwondo community has seen before, culminating in a glittering post season finale – the 2022 U.S. Grand Prix Final!

The Grand Prix Series will serve as the qualifying event for the 2022 U.S. National Taekwondo Championships, to be held in Salt Lake City, Utah.

KEY POINTS:

- All athletes who compete in the Grand Prix Series will be eligible for the National Championships
- All athletes who medal in the Grand Prix Series will additionally move on to the Post Season and compete in the Grand Prix Final.
- Athletes who meet both of the above criteria will be eligible to compete in both the National Championships and the Grand Prix Final
- Both the 2022 U.S. National Taekwondo Championships and the 2022 Grand Prix Final are classed as Major Tournaments on the National Team Pathways and count towards winning Dominant Athlete Status

ATHLETE REGISTRATION

Registration for all athletes, coaches, and referees will be done through [USATKD Sport80](#). All registrations must be completed by the registration deadline. **There will not be any onsite registration for coaches or athletes.**

If you need assistance registering for the event, please view a short [video](#) that has been provided.

Athletes can still register for the Grand Prix Series event if you are not a USATKD member. Once on the [USATKD Sport80](#) page:

1. Click on “Preview Upcoming Events”, located under the login tab.
2. Click on the “Enter” tab for the Grand Prix Series registration.
3. Answer the question at the bottom of the page and follow the registration instructions within the site.

All athletes and coaches must register and pay in full by the early registration dates to receive the early registration fee. If payment is not received by early registration deadline you will be required to pay the final registration fee.

Registration Deadlines end at 11:59 p.m. MT.

Athletes aged 18 and older must complete the U.S. Center for SafeSport course each year.

The SafeSport and background check must be completed in your [Sport80](#) profile.

First Time SafeSport - <https://sport80.zendesk.com/hc/en-us/articles/360054619112-How-do-I-take-SafeSport-core-training->

SafeSport Refreshers - <https://sport80.zendesk.com/hc/en-us/articles/360054619252-How-do-I-take-a-SafeSport-refresher-course->

These will update automatically every 24 hours if you follow the link through your [Sport80](#) profile.

Athletes will need to check their belt information in the belt section. Athletes must have a belt color added in your Sport80 profile. Not having belt information will prevent you from being able to select any events for the Grand Prix Series. Black belt athletes will need to upload a copy of their black belt certificate in [Sport80](#).

World Class Black Belt athletes will also need to upload a copy of their US Passport or US Birth Certificate before being able to select any events for the Grand Prix Series. This can be uploaded in the Identification Verification section of your profile.

Double check that your profile is updated with your correct address. The state you have listed in your profile will be used to determine which Grand Prix you will attend.

USATKD has a NO REFUND policy.

Event Credentials – Athletes will receive an event credential via email prior to the start of the tournament. All participants must provide a valid ID to weigh-in. There will be no exception to this policy. Valid ID can be any of the following: school ID, state issued ID, GAL, or passport. If the athlete is a minor and does not have a valid ID then the parent/legal guardian must provide a copy of their birth certificate.

METHOD OF COMPETITION & COMPETITION RULES

The current competition rules for all divisions will be used. To view current version, go to:
<http://www.teamusa.org/usa-taekwondo/v2-events/competition-rules>

Sparring - A single elimination format will be applied to all sparring divisions. A random draw will be completed prior to the start of competition to determine brackets.

Poomsae - All poomsae divisions will be seeded for the first round according to the [USATKD National Rankings sponsored by Tusah](#). Designated Poomsae will be selected from the Compulsory Poomsae and will be published to the [USATKD website](#) approximately one week from the start of the tournament.

Board Breaking and Demonstration Team - Judges scoring based on the rules set-forth online.

QUALIFICATION

The Grand Prix Series tournaments are open to any athlete that resides in the United States. Athletes must have a USATKD membership to participate in a Grand Prix Series tournament. Participating in one Grand Prix tournament will qualify the athlete for the National Championships, in Salt Lake City, Utah.

***Participating means** athletes must have officially weighed-in at the event scales and/or participated on the competition mats in front of the event referees and received a place within the division.

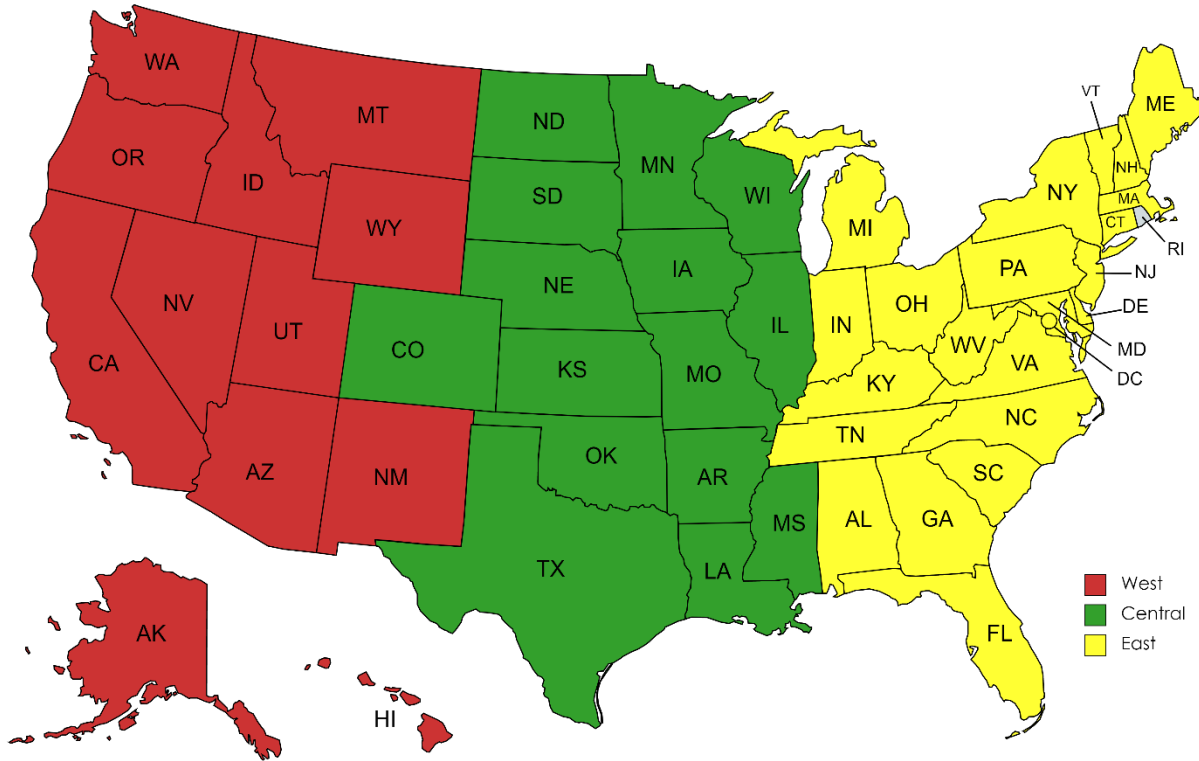

Athletes competing in the World Class divisions must have proof of US citizenship uploaded in their profile in Sport80.

Grand Prix Series INFORMATION PACKET

Athletes can only attend the Grand Prix region in which their home state resides. Athletes cannot attend more than one Grand Prix or travel outside their region. An athlete's home state will be defined by the address listed in their Sport80 profile.

See the map below to know which Grand Prix to attend.

Created with mapchart.net

If you cannot attend your designated Grand Prix or your poomsae pairs/teams partners are in a different region, please submit in writing to ewininger@usatk.org a detailed explanation of why you cannot attend that Grand Prix in your regional and why you would like an exemption to attend a different Grand Prix tournament.

Include the following in the letter:

- Athlete Name and USATKD Membership Number
- Athlete Home State
- Grand Prix you would like to attend

USATKD uses the date December 31 of the given year (December 31) to determine the age of all competitors. Example: an athlete turns 15 on October 26 they would compete as a 15-year-old in the Grand Prix even though they are 14 years old at the time of the event.

National Championships and Grand Prix Final

All color belt athletes will be eligible to compete in the National Championships and Grand Prix Final at the current belt in which they hold. For example, an athlete competed at the Grand Prix in June as a green belt but has since tested and received their blue belt. This athlete may now compete at the USATKD National Championships as a blue belt. **EXCEPTION:** If an athlete competed at the Grand Prix as a red belt and has since been promoted to black belt, the athlete **MAY NOT** compete in any black belt division.

All athletes in the Dragon, Tiger, Youth, Cadet Grassroots, and Ultra divisions as well as color belt athletes in the Cadet, Junior, and Senior divisions will be allowed to move weight divisions from the weight category they qualified in at the USATKD Grand Prix if needed. It is encouraged that athletes make the “qualified” weight. You can change weight categories through the final athlete registration deadline at no additional fee.

World Class black belt Cadet, Junior, and Senior qualified athletes will be allowed to move up one weight division from the weight division at the National Championships or Grand Prix Final from what they qualified in at the Grand Prix Series tournament. For example, if the athlete qualified in the Fin weight division at the Grand Prix, then the athlete can only move up to the Fly weight division at the National Championships and Grand Prix Final.

DOBOK & EQUIPMENT STANDARDS

1. Official Uniform (Dobok)

All contestants must wear a white Taekwondo V-neck USATKD/WT uniform (dobok) in good condition. Black belts must wear black-collared uniforms. Color belts must wear white-collared uniforms; color belts cannot wear black-collared uniforms. Patches, embroidery, logos, team names, country names, athlete names, and stripes are permitted on the uniform; they can be up to 12" x 4" on each leg or arm for a total of four. Logos or names on the back of the uniform and patches on the chest area of the uniform are also allowed.

No tape will be allowed on any part of the uniform.

Poomsae contestants may wear either the standard V-neck USA/WT uniform (as specified above) or WT-designated Y-neck competition poomsae uniforms appropriate to the contestant’s division.

WT Y-neck uniforms may have a national flag patch and country code displayed on the uniform consistent with WT guidelines. **Poomsae uniform may only be worn in poomsae divisions (no sparring or breaking divisions).**

2. Protective Equipment

Contestants shall wear an approved trunk protector, head protector, groin guard (mandatory as of 1/1/2017 for both male and female sparring competitors), gloves (see explanation below), forearm protector, shin-instep protectors, approved sensing socks (if using an electronic Protector and Scoring System) and a mouth guard before entering the Contest Area.

The head protector must be firmly tucked under the left arm when entering the Contest Area and shall be put on the head after bowing to the opponent before the start of the contest.

The groin, forearm, and shin-instep protectors must be worn inside the Taekwondo uniform. Wearing of any other items on the head other than head protector shall not be permitted, except for religious reasons. A previously approved religious item shall be worn beneath the head protector and inside the dobok and shall not cause harm or obstruct the opposing contestant.

3. Personal Requirements

All competitors shall keep their nails cut short and shall not wear any articles that may injure or endanger an opponent. Any competitor whose hair, in the opinion of the referee, is so long as to risk causing inconvenience to other competitors shall be required to tie it back securely. Ponytails must be tucked inside the headgear and may not hang out below the helmet so that in the opinion of the referee, it is causing risk or inconvenience to other competitors.

- Metallic Articles
 - Contestants are not allowed to wear any kind of metallic articles or hard objects, such as rings, eyeglasses (including prescribed safety or sport eyeglasses or eye goggles), necklaces, watches, bracelets, earrings, etc.
- Personal Hygiene
 - All competitors must maintain the highest standard of personal hygiene, keep their nails cut short, and groom their hair neatly. Ponytails must be tucked inside the headgear and may not hang out below the helmet so that in the opinion of the referee, it is causing risk or inconvenience to other competitors.

Any violators of Section 1, 2, and 3 of this Article will be required to correct the violation within one minute, or face disqualification.

Taping on the foot and hand shall be allowed for the protection of athletes. For an injury, the minimum amount of tape that will protect the area should be used. Taping of feet and hands will be strictly checked during the athlete inspection process; if there is a question, the inspector or referee should have the wrapping examined and approved by the Tournament Medical Staff. Under no circumstances will a hard splint or cast—no matter how small—be allowed.

There will be no taping beneath the sensor socks unless it is approved by the Commission Doctor because of injury.

4. USATKD Equipment Standards

Belt Colors: Only WT/USATKD belt colors will be allowed—black, poom (black and red), red, blue, green, yellow. Belts with stripes will be allowed. (Red belt cannot wear a poom belt)

Gloves: World Class Cadet Black Belts (12-14), Junior Black Belts (15-17) and Senior Black Belts and Color Belts are required to wear USATKD/WT-approved Taekwondo gloves. Gloves may be red, blue, or white; white is preferred. However, red and blue are allowed. If the competitor chooses to wear red or blue gloves, they must correspond with the color of the chest protector. Gloves must be open finger style, as shown below. For all other divisions, gloves are optional and must comply with the above rule. Cloth gloves or hand covers are not allowed.

Properly fitting head protector: Unless electronic PSS head protectors are used, all participants must provide their own red, blue or white head protector with no markings other than corporate logos. Red and blue are preferred; white is only allowed for color belt divisions and 6-7 year-old black belt divisions. The color of the head protector must correspond with the color of the chest protector. Cracks or defects in the headgear will not be allowed.

Mouth guard: All athletes are required to use a mouth guard. MOUTH GUARDS MAY BE ANY COLOR, EXCEPT FOR RED.

Groin protection: All male athletes are required to wear a protective cup, which must be inside the pants during competition. Groin protection is also required for female athletes and must be worn inside the uniform.

Properly fitting chest protector: For the USATKD National Championships, an electronic Protection and Scoring System (PSS) will be used, and all athletes will be provided a red and blue full-body WTF trunk protector. Both players must use the same size PSS.

Shin and instep protection: Shin and instep protectors are REQUIRED, and they must be made of foam, cloth or vinyl. PSS sensor socks with built-in instep padding are also allowed. The instep protector may be red, blue, or white, but must correspond with the color of the chest protector; any color shin protector is allowed. Cloth or foam knee pads are permitted.

Forearm guard: Forearm guards are REQUIRED and it is mandatory that athletes wear only foam, cloth, or vinyl products. Any color forearm guard will be allowed. Cloth or foam elbow pads are permitted.

***Please Note:** USATKD reserves the right to disallow any uniform or equipment if it is found to be unsafe, offensive or degrading.*

SPARRING

Note: Not exceeding means the weight limit is defined by the criterion of one decimal place away from the stated limit. For example, not exceeding 50kg is established as until 50.0kg with 50.1kg being over the limit and resulting in disqualification. Over: Over 50.00 kg marks occur at the 50.1kg reading and 50.0kg and below is regarded as insufficient, resulting in disqualification.
