*Team Travel Source will use a system that will include LIVE inventory availability for lottery clubs!

- Team Travel Source will send a complete list of hotel options to all Tier 1 teams and Tier 2 teams in the lottery.
- Each club will be assigned a date/time that the housing portal will be open for your selection based on lottery position. You will be sent the link as well as a username/password at that time.
- Once you receive the link and login information, you will be able to see all hotel options and actual number of rooms available. You will then be able to select the rooms you'd like in your block.
- After you submit your request, Team Travel Source will build your block in Passkey and send your customized link within 48 business hours.
- Clubs can pre-book 10% more than what they utilized in 2019 in Dallas. If more rooms are needed, they will need to be booked via the standard reservation process that opens in January.
- The room nights for local clubs at the 2019 BJNC were based on their 2018 BJNC room night numbers.
- Team Travel Source will set aside rooms downtown for both tiers: Tier 1 and Tier 2. The amount of rooms will vary based on availability and USAV/Team Travel Source discretion.

*** All lottery thresholds will remain the same for the 2021 BJNC Lottery**

To increase your chances of qualifying for the 2021 lottery, please make sure to REQUIRE all your parents and anyone traveling with your club to book through Team Travel Source. Rooms booked outside of Team Travel Source will NOT be counted toward your lottery allotment for 2021.
