March 1, 2022

Dear Athletes and Teams,

U.S. Paralympics Cycling is excited to partner with Toyota, the Huntsville / Madison County Chamber, and Cummings Research Park, for the **2022 U.S. Paralympics Cycling Open**. We are thrilled to return for a second year of racing in the Rocket City!

We continue to partner with Medalist Sports, the UCI, and USA Cycling who will oversee and implement event production and help us ensure the Para-cycling Open is safe, inclusive, and a positive experience for all.

The 2022 event has been expanded to include a handcycle relay in downtown Huntsville on Friday night, and is also a part of the UCI international calendar for 2022, as a “C1” level race. Some COVID-19 protocols will be in place for the event, with more details to be announced in the coming weeks.

Please review the information included in this bulletin, and don’t hesitate to reach out if you have further questions!

On behalf of all of our community partners, we thank you for your participation at this year’s Para-cycling Open.

Yours in Sport,
