April 1, 2022

Para-cycling Athletes,

On behalf of U.S. Paralympics Cycling and the Local Organizing Committee, I’d like to thank you for being a part of this year’s U.S. Paralympics Cycling Open in Huntsville, AL. This is the second year for this great event, and our partners in Huntsville have put together a first class competition for 2022.

As you may be aware, this event serves as the selection race for the upcoming World Cups in Europe, and the staff at U.S. Paralympics Cycling, Medalist Sports, the Huntsville/Madison Chamber, and Cummings Research Park have prepared a truly elite competition which will include a new, additional race this year: the Handcycle Relay on Friday evening, which will showcase downtown Huntsville.

I’d like to ask that you please review the details in this technical guide carefully, as it will provide you with important information about the competition and all associated requirements concerning COVID-19 protocols, athlete safety, and competition rules. If you have questions about the event, please don’t hesitate to contact me.

Thanks again for your participation at the Para-cycling Open and see you in Huntsville!

Sincerely,

Ian
Ian L. Lawless, Director
