## **2. DISCRETIONARY SELECTION (if applicable)**

### **2.1. Provide rationale for utilizing discretionary selection (if any):**

The rationale for utilizing discretionary selection is to allow U.S. Paralympics Cycling the ability to select athletes based on their overall capabilities, performance and projected development, rather than on a single competition result.

### **2.2. List the discretionary criteria and explain how they will be used (if any):**

#### **A. Cycling athletes:**

The U.S. Paralympics Cycling Discretionary Selection Committee will consider the following performance-related factors (which are not in priority order):

- i. The athlete's performance in an individual event at UCI Para-cycling Road World Cup or Road World Championships from the 2018, 2019, or 2021 seasons.
- ii. The athlete's performance at the USA Cycling Road National Championships during the 2018 or 2019 seasons.
- iii. The athlete's performance in the time trial and/or the road race at the 2021 U.S. Paralympics Cycling Open.

- iv. The athlete's proven ability to win an individual medal in a specific event scheduled for the 2021 UCI Para-cycling Road World Championships.
- v. The athlete met a 2021 U.S. Paralympics Cycling National Team Standard.
- vi. The athlete is eligible and is likely to fill a position in a medal capable Handcycle Relay roster.
- vii. The athlete demonstrates a trend of improving performance in domestic or international competition, that when extended a reasonable distance into the future, intersects the current international performance standards for a top three (podium) finish.
- viii. The athlete can positively impact team performance.
- ix. The availability of an open start right for the athlete's event/sport class.

B. Pilot Athletes:

Pilot athletes are used for the B classifications (visually impaired). A pilot athlete will typically work with one (1) athlete during practice, competition and day-to-day activities; therefore, accreditation allocation is typically provided for one pilot athlete per qualified athlete as outlined in UCI Rule 16.3.006.

The U.S. Paralympics Cycling Discretionary Selection Committee will consider the following performance-related factors (which are not in priority order) in selecting pilot athletes to the team:

- i. Preference of the qualified visually impaired athlete.
- ii. Ability to positively affect the performance of the visually impaired athlete.
- iii. Demonstrated expertise of the pilot athlete—must have expertise and experience in the assigned athlete's specific event(s).
- iv. Knowledge and understanding of the UCI Rules pertaining to pilot athletes.

Pilot athletes will be held to the same standards and code of conduct as outlined in these Procedures.

The pilot athlete position is contingent on the selection of the visually impaired athlete to be piloted. If the visually impaired athlete declines his/her selection or is subsequently removed from the team after selection, the pilot athlete also loses his/her place on the team.

- 2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

U.S. Paralympics Cycling Discretionary Selection Committee

Director, U.S. Paralympics Cycling

Associate Director, Paralympic Performance Services

Director, Paralympic Operations

Athlete Representative

Athlete Representative

- 2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest

involving a member of the committee

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

### **3. REMOVAL OF ATHLETES**

3.1. Prior to submission by U.S. Paralympics to the UCI and the World Championships Organizing Committee, an athlete who is to be selected to the team by U.S. Paralympics Cycling may be removed for any reasons, as determined by U.S. Paralympics Cycling:

3.1.1. Voluntary withdrawal. Athlete must submit a written letter to the Director, U.S. Paralympics Cycling.

3.1.2. Injury or illness as certified by a physician (or medical staff) approved by U.S. Paralympics Cycling. If an athlete refuses verification of his/her illness or injury by a physician (or medical staff) approved by U.S. Paralympics Cycling, his/her injury will be assumed to be disabling and he/she may be removed.

3.1.3. Violation of the U.S. Paralympics Code of Conduct (Attachment A).

3.1.4. Re-classification by the UCI such that the athlete's qualifying performance would not have qualified him or her for the team.

3.1.5. Removal by the UCI of the event in which the athlete qualified for the team from the program of the 2021 UCI Para-cycling Road World Championships.

An athlete who is removed from the team pursuant to this provision has the right to a hearing per the USOPC Complaint Procedures for U.S. Paralympics National Teams and Paralympic Programs or the USOPC's Bylaws, Section 9.

3.2. Once athlete entries have been submitted to the Local Organizing Committee by the USOPC, the USOPC has jurisdiction over the team, at which time, in addition to the U.S. Paralympics Cycling Team Rules (Attachment C), the USOPC's Code of Conduct and Grievance Procedures apply. The USOPC's Code of Conduct and Grievance Procedures can be found at:

<http://www.teamusa.org/Athlete-Resources/Athlete-Ombudsman/Resources/Code-of-Conduct>

#### **4. REPLACEMENT OF ATHLETES**

4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:

- The athlete's performance in an individual event from the 2018, 2019, or 2021 season that aligns with the skills and times necessary to contribute to a handcycle relay medal at the 2021 World Championships.
