OUR PURPOSE & MISSION

USA FIELD HOCKEY IS THE NATIONAL GOVERNING BODY FOR THE SPORT OF FIELD HOCKEY IN THE UNITED STATES.

USA Field Hockey’s purpose is to be an Effective Sport Leader, by generating and allocating resources to achieve its mission to:

- **Grow the Game** by promoting and developing field hockey as a sport for all, sport for life.
- **Serve & Inspire Membership** by helping people achieve their field hockey ambition and creating value for membership.
- **Succeed Internationally** by performing well in elite competitions and enhanced high-performance programming.

OUR HISTORY

The United States Field Hockey Association (USFHA) was founded in 1922 by Constance Applebee to govern women’s field hockey in the United States. Six years later in 1928, the Field Hockey Association of America (FHAA) was founded to govern men’s field hockey in the United States. In April 1993, the USFHA and FHAA merged to form the United States Field Hockey Association. Later that year, the name was changed to just USA Field Hockey. In 2022, the organization celebrated its 100th anniversary.
OUR VISION | USA FIELD HOCKEY STRATEGIC PLAN 2023 - 2028

EFFECTIVE SPORT LEADER
USA Field Hockey will effectively lead the sport by operating with integrity and transparency, embracing change to govern, developing effective policies, evolving and adopting innovation, and promoting field hockey with excellence.

GROW THE GAME
USA Field Hockey will Grow the Game by promoting and developing field hockey as a sport for all, a sport for life.

FIELD HOCKEY IS THRIVING IN THE UNITED STATES

SUCCEED INTERNATIONALLY
USA Field Hockey will succeed internationally with both sport success and strong sport infrastructure.

SERVE & INSPIRE MEMBERSHIP
USA Field Hockey will serve and inspire membership by providing programs and partnerships that encourage individuals and organizations to take advantage of the benefits the sport and organization can provide.
EFFECTIVE SPORT LEADER

USA Field Hockey will effectively lead the sport by operating with integrity and transparency, embracing change to govern, developing effective policies, evolving and adopting innovation, and promoting field hockey with excellence.

STRATEGIC PARTNERSHIPS: USA Field Hockey will cultivate and develop purposeful sports industry strategic partnerships.

UNITED STATES OLYMPIC & PARALYMPIC COMMITTEE
Work closely with the United States Olympic and Paralympic Committee (USOPC) as the certified national governing body to help the organization achieve international success and use provided resources to better provide programming offerings and initiatives.

INTERNATIONAL HOCKEY PARTNERS
Support the International Hockey Federation (FIH) and Pan American Hockey Federation (PAHF) through delivery of collective programs and United States representation within their governance structures.

SPORT INDUSTRY PARTNERS
Achieve mutually beneficial partnerships with organizations who embrace the mission. The organization will work with partners to develop consistency in the field hockey experience across all levels of play so that constituents understand and value the sport in all competitive playing opportunities.

CLUBS
Collaborate to serve and promote all clubs to achieve their goals and aspirations. The organization will improve the club experience through enhanced communication and networking, increased engagement, competition and development opportunities.

STATE CHAPTERS
Work with State Chapters to better serve regional and local field hockey opportunities, promote and develop new initiatives and grow statewide membership, partners and stakeholders.

VENUE PARTNERS
Have quality and world class facilities for the National Teams, events and programs.
EFFECTIVE SPORT LEADER

GROWTH: USA Field Hockey will prudently generate and use and allocate the organization’s assets across a variety of competing priorities.

ASSET ALLOCATION
Allocate assets based upon the strategic initiative priorities.

MEMBERSHIP
Develop, regularly update and grow the membership program to create value for members with a fee-based structure that promotes membership recruitment and retention.

RESOURCES
Actively seek and generate financial support through a variety of sources including commercial sponsorships, licensing, philanthropic giving and grants.

PROGRAMS & EVENTS
Support programs and events, and will develop and regularly update a sustainable fee-based structure, based on a fair exchange of value for the programs and services offered, to generate sport growth.

TECHNOLOGY
Strive to use technology and available product advancements to deliver membership services, programs, events and communicate effectively. Develop and update digital resources that provides value and engagement to members, constituents, and the greater field hockey community.

GOVERNANCE
Ensure the highest level of governance, policies and processes to meet and, where possible, exceed regulatory requirements and best practice.
EFFECTIVE SPORT LEADER

COMMUNITY: USA Field Hockey will be community focused. The organization will support the community by investing in people, positive experiences and personal growth through field hockey.

STAFF
Attract and retain a qualified and inspired staff, and provide a motivating work environment.

VOLUNTEERS
Continue to develop a culture of respect and recognition in valuing volunteers and those who give to the sport, to help deliver events and programs.

MEMBERS
Continue to focus on member-based events and programs reasonably customized to meet their needs, and with the field hockey experience of the participant at the heart.

SUPPORTERS
Continue to value the support of athletes, coaches, umpires, families, vendors, sponsors, spectators and fans at events and the viewers of televised and streamed competitions.

EQUITY, DIVERSITY & INCLUSION (EDI)
The organization believes that field hockey, and all sports, must be inclusive, accessible, affordable and safe to support a culture of belonging among all people regardless of race, gender, economic status, sexual orientation, physical ability and age.
GROW THE GAME

USA Field Hockey will Grow the Game by promoting and developing field hockey as a sport for all, a sport for life.

SPORT FOR ALL
USA Field Hockey believes that field hockey, and all sports, must be inclusive, accessible, affordable, and safe to support a culture of belonging among all people regardless of race, gender, economic status, sexual orientation, ability and age. USA Field Hockey strives toward a future in which field hockey is more reflective of the demographics of the United States. Field hockey is a sport for all, a sport for life.

The value of sport, and especially team sports, is undeniable. Field hockey provides mental, physical and social benefits and has the power to unite, strengthen and inspire participants at all levels, from grassroots to the Olympic Games.

RACE
Allocate resources and work strategically with partner organizations to support programs focused on increasing racial diversity in field hockey.

GENDER
Work with clubs and other partner organizations to promote and develop field hockey for all genders. Utilize best practices in sport to provide for fun, fair and inclusive competition at the recreational and elite levels.

ECONOMIC STATUS
Work with local leaders to expand affordable local and regional field hockey opportunities.

SEXUAL ORIENTATION
Work with clubs and other partner organization to create a welcoming, safe, all-inclusive philosophy and environment for all, regardless of sexual orientation.

ABILITY
Promote opportunities for recreational and elite play for all individuals, including those with disabilities.

AGE
Promote and develop opportunities for age and stage-appropriate participation and competition spanning from youth through older adults. Engaging and retaining adults and adult leaders, on and off the field, is critical to the organization’s success.
GROW THE GAME

SPORT FOR LIFE
USA Field Hockey will work with partner and member organizations, and individual leaders, supporting them to champion and grow field hockey throughout the United States for youth through older adults. Programs and resources for all stakeholders - athletes, families, coaches, umpires, leaders and fans - will be aligned with USA Field Hockey’s Core Values and American Development Model (ADM).

CLUBS & CLUB LEADERS
Support Club Leaders in building strong, effective, thriving organizations, encouraging them to utilize resources, collaborate and align with the organization’s values, best practices and mission, expanding local and regional play that is affordable and accessible.

REGIONAL REPRESENTATION & STATE CHAPTERS
Develop and expand the system of regional representation in the form of State Chapters, supporting them to become established across the country as the front-line of USA Field Hockey, with powerful communication and networking tools and resources at their fingertips. Their mission will be to Grow the Game, Serve and Inspire Membership and Succeed Locally and Internationally.

ATHLETES & FAMILIES
Support athletes and families by providing a robust American Development Model (ADM) with accompanying age and stage-appropriate equipment and training and competition recommendations that support athlete, coach, umpire and leader recruitment and development.

COACHES & UMPIRES
Establish strong collaboration between coaches and umpires locally, nationally and internationally, recognizing the important roles they play in the structure of field hockey and the need for growth in these professions for the sport to thrive. USA Field Hockey will develop uniformity in its coach and umpire education platforms and certification pathways.

COACHES
Provide content and services, networking opportunities, professional development resources and a certification pathway to attract, educate, inspire, recognize and retain new and experienced coaches across the United States. All training will be age and stage-appropriate, accessible, grounded in contemporary best practices and aligned with the USOPC, FIH and international coaching standards.

UMPIRES
Provide Umpire Training, Certification and a Ratings System, to welcome, recruit, educate, inspire, retain and recognize umpires everywhere, helping them network, develop and progress from first experience to elite officiating, including umpire management and technical officiating opportunities.

FIELD HOCKEY LEADERS & ADMINISTRATORS
Build and nurture relationships and partnerships with key field hockey stakeholder groups and individuals to efficiently promote and develop the sport and its leaders, and to capitalize on opportunities for synergies.

MULTI-SPORT ORGANIZATIONS & LEADERS (NON-SPECIFIC TO FIELD HOCKEY)
Nurture strategic partnerships with multi-sport organizations including schools, colleges and universities, parks and recreation, YMCA’s and others who are uniquely positioned to deliver sport to large groups of children and adults, and who offer accessible programs to underserved areas and demographics throughout the country.
