Players, Coaches, and Families,

Congratulations on earning a berth to the 2020 USA Softball GOLD Nationals 18u Division! Your team is recognized as one of the top fastpitch softball teams in the country and USA Softball believes you’ve earned that recognition. GOLD Nationals gives your athletes the opportunity to showcase their abilities in front of college coaches and even members of the National Teams Selection Committee. On top of being the Softball Capital of the World®, USA Softball Hall of Fame Complex is finishing renovations including a completely new, sand-based Stadium Field and your athletes will be the first Junior Olympic players to play here upon its completion!

The USA Softball GOLD Nationals 18u Division will be hosted July 19 – 25 in Oklahoma City, Okla. at the National Hall of Fame Complex. The tournament will be a five-game guarantee consisting of three pool play games and double-elimination bracket play. There will be a blind-draw for Pool Play & Bracket Play which will take place at the coaches meeting. To participate in this event, your team will need to register with your local association and make sure you have all documents in place which will be explained in this packet. Every adult that plans to be assisting the team in the dugout or on the field must complete a background check and SafeSport Training. In addition, at least one coach must have ACE Certification completed.

Sunday morning, we will be hosting a Future Stars Recruitment Camp at the USA Softball Hall of Fame Complex. This camp is designed to get your athletes working directly with college coaches from across the United States with a focus on skill enhancement drills and measurement testing. Additional information is included in this packet. You will also find other important information in this packet including things to do in OKC, hotel accommodations, medical centers, team check-in, and more. We will be using a secondary complex, Wildhorse Park, located in Mustang, Okla. and will be working to make sure every team plays at the Hall of Fame Complex. Unfortunately, we cannot guarantee every team will play on the Stadium Field.

We look forward to your participation in this prestigious softball event presented by USA Softball, the National Governing Body of Softball in the United States. Additional information can be found at www.teamusa.org or by contacting Julie Whiteaker at (405) 425-3446; jwhiteaker@usasoftball.com.

Respectfully,

Julie Whiteaker

Things to do in Oklahoma City

Come to Remember at the Oklahoma City National Memorial & Museum

If you’ve never made it inside of the Oklahoma City National Memorial or it’s been years since your last visit, it’s worth a stop when you’re in town. The Memorial recently went through a $10 million renovation upgrading the museum with state-of-the-art technology, hands-on exhibits and new artifacts. Detailed information on the investigation—including Timothy McVeigh’s vehicle he was driving when he was pulled over and arrested—as well as the trail of evidence that was left behind, are all a part of the new enhancements. Also added to the museum is a 40-foot glass overlook creating a seamless connection between the museum and memorial outside, with stunning views of the ever-changing Oklahoma City skyline.

Experience OKC's Newest Urban Park

Scissortail Park is Oklahoma City's newest 40-acre outdoor recreation space just steps away from the core of downtown Oklahoma City. Stroll through the gardens and groves, relax on the lawn, catch a concert or live performance, play like a kid on the Children's Playground and get on the water with pedal boat, kayak and standup board rentals from the Boathouse.
**Escape to a Tropical Oasis**

The Crystal Bridge Tropical Conservatory at the Myriad Botanical Gardens in downtown OKC offers a unique design that has earned global attention and praise. It is 224 feet long, 70 feet in diameter and is covered by 3,028 translucent acrylic panels. Once inside, you’ll be welcomed by two distinct climates, some 750 varieties of plants and a cascading waterfall. It’s a beautiful oasis that is a must-see next time you’re in town.

**About Exchange Boathouse**

Providing access to the Western Basin of the Oklahoma River, the Exchange Boathouse is the launching point for a 4000m training course that is included in the river’s designation as a U.S. Olympic & Paralympic Training Site. The boathouse also houses the University of Oklahoma women’s rowing team.

Located in the Stockyards City District, 2.5 miles west of the Boathouse District, the Exchange Boathouse echoes elements of the Chesapeake Boathouse with its translucent polycarbonate walls and columns of light illuminating the night sky.
Penn Square Mall

Central to the city, you’ll find Penn Square, one of the two large malls with everything the family will need. Dillard’s, Macy’s and JC Penney serve as the anchors, and inside you’ll find OKC’s only Apple and Microsoft stores, as well as Ann Taylor and Madewell.

Science Museum Oklahoma and Oklahoma City Zoo

Science Museum Oklahoma’s hands-on activities will teach kids about everything from space exploration to crime scene investigation. Next door in the Adventure District, the Oklahoma City Zoo has more than 2,000 animals and amazing exhibits. Both have regular events for various ages.

Frontier City and Hurricane Harbor Oklahoma City

Frontier City offers more than 50 rides and attractions, including four roller coasters, an outdoor water park and concerts all summer. At Hurricane Harbor Oklahoma City, more than 30 slides, pools and water fun will keep them cool in summer.
