GENERAL QUESTIONS

1) (FP and SP with Stealing) With no outs and R1 on 2B, B2 swings at and misses the pitch. R1 breaks for 3B and while remaining in the batter’s box, backs up to readjust their footing and bumps into F2 causing an errant throw. The umpire should rule:
   a. Play on no violation.
   b. The ball is dead. B2 is out for interference R1 must return to 2B.
   c. B2 is out for interference but the ball remains live.
   d. B2 is out and because they may have thrown out R1 they are also out.

2) (FP and SP with stealing) With R1 on 2B and B2 at bat, R1 attempts to steal 3B. As F2 attempts a pickoff, the throw accidentally hits B2’s bat, which is in B2’s hands, and rebounds toward the dugout allowing R1 to advance to home and score. The umpire should rule:
   a. B2 is out for interference.
   b. R1 is out for B2’s interference.
   c. R1 is allowed to advance to 3B only.
   d. No interference and play stands.

3) A fake tag is a form of Obstruction. It occurs when the fielder, without the ball, deceives the runner thus impeding their progress. A fake tag can occur when the runner, as a result of the fake tag:
   a. Stops.
   b. Slides.
   c. Slows Down.
   d. All the above.

4) With no outs, R1 at 3B and R2 at 2B, B3 hits a long shot to the outfield fence. By the time F8 retrieves the ball R1 and R2 have scored. B3 is rounding 3B and coming home when R2 moves back to the home plate area to instruct B3 to slide at home plate for a close play. In doing so, R2 is hit with the thrown ball that in the umpire’s judgement F2 could have caught and it deflects away from F2 as B3 scores.
   a. R2 has committed interference.
   b. B3 is declared out.
   c. R1 and R2’s runs count since they scored before the interference.
   d. All of the above.

5) Bases Loaded with no outs. B4, #19, a legal but unreported substitute hits a home run. Before a pitch is made to B5 the coach of the defensive team appeals that #19 was illegal because there was no substitution and that the home run does not count. The correct ruling would be:
   a. The batter is put into the lineup and the home run is allowed.
   b. The batter is put into the lineup, declared out and the runners return to the bases occupied at the time of the pitch.
   c. The batter in not put into the lineup and is ejected for being an illegal substitute and the home run is not allowed.
   d. The batter is put into the lineup, declared out and the remaining runners are allowed to score.

6) R1 starting at 1B is obstructed between 1B and 2B by F3 on a base hit while missing 2B as they advance to 3B. The defense properly appeals R1 missing 2B and the umpire should rule:
   a. R1 is out for missing 2B. Missing the base takes precedence over the obstruction call.
   b. On the obstruction call R1 is protected to 2B and is placed back at 2B.
   c. The obstruction call nullifies the appeal and R1 is allowed to stay at 3B.
   d. R2 is allowed after the appeal to retouch 2B since they were protected to 2B by the obstruction call.

7) R1 at 1B, B2 hits a line drive to F6 who catches and throws to 1B to double off R1. R1 goes back to 1B standing and is hit in the back with the throw from F6 and the ball goes into the first base dugout. The correct ruling would be:
   a. Dead ball. R1 is awarded 3B as a result of the ball going into dead ball territory.
   b. Dead ball. R1 is awarded 2B as a result of the ball going into dead ball territory.
   c. Dead ball. No base award is made as R1 prevented F3 from catching the ball by returning standing up.
   d. None of the above.
8) With 1 out, R1 on 3B and R2 on 2B, B4 hits a fly ball on the 1B side of 2B almost directly at F4. As R2 takes a couple steps toward 3B they make contact with F6 who is moving toward the batted ball.
   a. Umpire signals and verbalizes “Dead Ball”; R2 is out for interfering with F6’s opportunity to field a batted ball.
   b. Umpire signals and verbalizes “Dead Ball”; R2 is out for interfering with F6’s opportunity of making a live ball appeal of R2 leaving early if the fly ball is caught.
   c. Umpire makes no call, this is nothing more than a “train wreck” both players were doing what they were supposed to.
   d. Umpire signals delayed dead ball and verbalizes “Obstruction.” F6 is guilty of obstructing R2.

9) R1 at 3B and R2 at 2B with two out and B5 is due up. B6 bats out of order and gets a base hit scoring R1, but R2 is thrown out at the plate. The defense properly appeals that B6 batted out of order. What is the correct ruling?
   a. B5 is declared out on appeal and R1 is allowed to score.
   b. B6 is declared out on appeal and R1 is allowed to score.

10) An example of an altered bat is:
   a. The safety rubber grip on the handle has been replaced with athletic tape.
   b. The end cap is held in place with athletic tape.
   c. Pine tar is on the safety grip and just above it on the taper.
   d. All the above.

11) R1 at 3B and R2 at 2B with one out. B4 hits a deep fly ball that is caught. R1 tags up but is physically assisted by the third base coach to leave properly, R2 properly tags up and scores ahead of a close play at home. The umpire called R1 out for the assistance by the coach and allowed the run scored by R2 to count. This is a proper ruling since a coach assisting a runner does not result in a dead ball.
   a. True.
   b. False.

12) R1 at 3B, R2 at 2B and R3 on 1B with two out. B6 hits a ball to the outfield and is thrown out trying to reach 3B, scoring all three runners prior to the out, but R2 missed 3B. The defense properly appeals the missed base. The correct ruling is:
   a. No appeal is allowed as B6 was the third out, all three runs count.
   b. R2 is declared out and no runs are allowed to count.
   c. R2 is declared out and two runs are allowed to count.
   d. R2 is declared out and one run is allowed to count.

13) B1 hits a fly ball to the outfield where F9 catches the ball for the first out. While B1 was leaving the plate area, F2 tripped B1 causing B1 to fall to the ground. What is the correct ruling?
   a. Delayed Dead Ball and when the ball is caught, B1 is awarded 1B due to obstruction.
   b. Delayed Dead Ball once the ball is caught, B1 is given the option to bat again.
   c. Delayed Dead Ball and when the ball is caught the obstruction is ignored and B1 is out on the caught fly ball.

R1 scored from 3B and B5 is advancing to 2B when the defense appeals that B5 missed 1B for a fourth out appeal nullifying the run by R1. The correct ruling should be:
   a. The appeal is honored and no runs count.
   b. B5 is called out but R1's run still counts.
   c. R2 was the third out therefore there is no appeal of B3 allowed and R1's run counts.
   d. None of the above.

15) In Junior Olympic Pool Play or Senior Slow Pitch the coach elects to bat all 20 players on their roster. During the game, B6 deliberately crashes into F5 on a close play at 3B. The Plate Umpire deemed the crash to be flagrant. What is the correct ruling?
   a. The player committing the act is disqualified and an out is taken in their position in the batting order.
   b. The player committing the act is warned and there is no further penalty.
   c. The player committing the act is ejected, the line-up is compressed to 19 players, and not out is recorded.
   d. The player committing the act is ejected and the game is forfeited.
16) With one out and R1 on 3B, R2 on 2B, B4 hits a fly ball that is caught by F7. Both R1 and R2 tag up and score. An appeal is made at 3B and the Plate Umpire declares R1 out for leaving early. What is the proper ruling?
   a. This is the third out but R2 scores because this is a timing play.
   b. This is the third out and the defense has the option of making a fourth out appeal to nullify R2’s run.
   c. This is the third out and no runs score.
   d. None of the above.

17) An exception to the statement that “a runner cannot be called out between the bases they are obstructed” is:
   a. If they passed another runner.

   c. Interference is called and all runners must return to the last base touched prior to the interference.
   d. The assisted runner is declared out and play continues.

19) B1 gets a hit with an illegal bat. While B1 is on 1B, a pitch is delivered to B2 who is standing in the batter’s box with the same bat. After the pitch, the defense brings the illegal bat to the attention of the umpire. The umpire should rule the following:
   a. B1 is out and remove the bat from the game and B2 bats using a different bat.
   b. B2 is out and remove the bat from the game.
   c. B1 and B2 are out and remove the bat from the game.
   d. Neither B1 nor B2 is out, and B1 bats again because a pitch was not thrown.

   a. Illegal pitch is the correct ruling; no foreign substance may be used on the ball.
   b. Illegal pitch is the correct ruling, but F1 should also be ejected for using a foreign substance on the ball.
   c. This is an incorrect ruling; dirt is not a foreign substance and does not have to be wiped off before coming in contact with the ball.
   d. Illegal pitch is the correct ruling, and the umpire will issue a warning to F1 and notify their coach; if any other defensive player uses a foreign substance on the ball they will be ejected.

21) With R1 on 1B B2 hits a long fly ball to deep left center field. R1 thinking the ball will not be caught runs and rounds 2B. F8 makes an amazing catch and throws the ball back to 1B to appeal R1 leaving early. When the ball is released R1 is between 2B and 3B. The ball gets by F3 and goes into dead ball territory. When the ball enters dead ball territory R1 is between 2B and 1B on their way to tag up at 1B. What is the proper award?
   a. R1 is awarded 3B.
   b. R1 is awarded 2B.
   c. R1 is awarded Home.
   d. R1 is returned to 1B.

22) With R1 on 2B, B2 hits a ground ball to left field. After rounding 1B they are obstructed between 1B and 2B, the umpire signals obstruction and in their judgement B2 would have only reached 1B had there been no obstruction. As F7 returns the ball to the infield, B2 returns and touches 1B as R1 tries to score from 2B. As a play is made on R1 at the plate for the first out of the inning, B2 attempts to advance to 2B and is thrown out.
   a. Once R1 is thrown out, a dead ball is called and B2 is awarded 1B.
   b. Once R1 is thrown out, a dead ball is called and B2 is awarded 2B.
   c. Both R1 and B2 remain out as a result of the play.
   d. Once B2 is thrown out, a dead ball is called and B2 is awarded 1B. R1 remains out.

   a. True.
   b. False.
24) With no outs, R1 on 2B and R2 on 1B, B3 hits a line drive to F4, who is not able to make the catch and the ball deflects off their glove. While in
the air, the ball strikes R2 who tried to avoid the ball. The ball deflects off R2 and is caught in the air by F3. The umpire should:
a. Signal and verbalizes “Dead ball”; R2 is out for interfering with F3’s opportunity to make an out, R1 is returned to 2B and B3 is awarded 1B.
b. Rule no catch and signal “Safe”; the ball remains live.
c. Signal and verbalize “Dead ball”; B3 is out and R1 is returned to 2B and R2 is returned to 1B.
d. Signal and verbalize “Out”; B3 is out on the catch and the ball remains live.

25) With no outs and R1 on 1B, B2 hits a ground ball to F5, who makes a wild throw toward the outfield side of 1B. R1 stops at 2B and makes no
attempt to advance further. B2 touches 1B and contacts F3 who is retrieving the overthrown ball. The umpire should:
a. Signal delayed dead ball and verbalize “Obstruction” when F3 impedes the progress of B2. Once the play is over the umpire should award B2
2B and R1 3B due to the obstruction.
b. Signal and verbalize “Dead Ball”; B2 is out for interfering with F3’s ability to retrieve the thrown ball.
c. Signal delayed dead ball and verbalize “Obstruction” when F3 impedes the progress of B2. Once B2 safely reached 1B, the base they would
have reached had there been no obstruction, there is no additional penalty.
d. Make no call, this is a “train wreck” and neither side should be penalized.

26) B2 is in the batter’s box with the heel of their foot touching the back line of the box. Once the pitch is released and during the batting motion,
the heel of the batter’s foot is in contact with the ground outside the batter’s box because of a twisting motion. At the time B2 contacts the
ball the heel is outside the line with the rest of the foot in the box as the ball goes back to the back stop. What is the correct ruling on the
play?

rundown and is tagged out between 3B and home plate. After R2 is put out for the third out, R1 goes back to touch home plate before the
defense makes a fourth out appeal on R1 for missing the plate.
a. R1 would be called out if properly appealed as a fourth out appeal.
b. R1’s run would count, and no appeal would be allowed.
c. R1 is not allowed to return and touch a base after the third out is recorded.
d. None of the above.
31) With one out and no runners on base, B2 hits the top of the ball resulting in a short hit with a lot of back spin. B2 drops their bat in fair territory and runs toward 1B. The bat and ball make contact for the second time in fair territory with the ball coming to rest in fair territory. The umpire:
   a. Judges that the bat was stationary, and the ball rolled into the bat with no intent to interfere; live ball that will become fair once touched in fair territory.
   b. Judges that the bat was intentionally dropped to interfere and prevent the ball from rolling foul; dead ball, B3 is out, all runners must return to the base occupied at the time of the pitch.
   c. Judges that the bat was rolling toward the ball when the second contact was made; dead ball, B3 is out, all runners must return to the base occupied at the time of the pitch.

Where do we place R1 and R2?
   a. R1 on 3B and R2 at 2B.

F1 throws the ball to F3 at 1B who catches the ball and steps on the orange portion of the base prior to R1 returning to 1B. What is the proper ruling?
   a. If R1 makes it back to 1B before F3 touches the white portion of the base they should be called safe.
   b. Umpire should call dead ball and award R1 1B since F3 only touched the contrasting color of the base.
   c. Umpire calls R1 out since F3 can use any portion of the double base on an appeal.
   d. All of the above.

The pitcher continues their motion and just before the pitcher releases the ball R1 leaves the base and the base umpire calls the violation. What is the correct ruling?
   a. Since it occurred first, only the illegal pitch is enforced. R1 is advanced to 2B and B2 has a 1 ball and no strike count.
   b. Both penalties are enforced. R1 is out for leaving early and B2 has a 1 ball no strike count.
   c. Since R1 leaving early is an immediate dead ball only the leaving early penalty is enforced.
   d. Since there were penalties from both teams a no pitch is declared.

   b. This is not legal and cannot be done.
   c. This is a legal change but can only be done one time per game.
