Any LASC which has over 300 registered athlete members may have one (1) additional delegate. Alternates may be elected from among the active members of the LASC. Alternate delegates must present a letter of authorization signed by the Administrative Chair upon arrival at the Annual Meeting.

B. The four (4) Zone Chairs. Each Zone may be represented by the Zone, Diversity, Equality and Inclusion, Education, Officials, and Technical Chairs, and that number of Athlete Representatives, elected by the Zone, who meet the requirements of Section 7.01 B of the USAAS Code, necessary to assure that at least thirty-three and three tenths percent (33.3%) are athletes.

Twenty-five (25) of the At-Large delegates shall be appointed by the President within forty-five (45) days of the conclusion of the Annual Meeting of the Board of Governors in even numbered years. **In the event that twenty-five (25) unaffiliated At-Large delegates are not able to be elected at the Annual Meeting of the Board of Governors, the President may appoint that number of unaffiliated At-Large delegates to reach twenty-five (25).** The At-Large delegates appointed by the President, as a group, shall be representative of the various LASCs and geographical areas of the country.

**5.10 Olympic International Committees:**

**A. International Relations Committee:**

1. The International Relations Committee shall:
   a. Select judges and other representatives who are not members of the National Team or its support staff, to attend international competitions, congresses and seminars, whether or not the Corporation sends a delegation representing the United States;
   b. Establish selection criteria and succession plans, and make recommendations to the Board of Directors for personnel for international positions, including but not limited to: the FINA Bureau, FINA TASC, PAQ Executive, PAQ TASC and any other international positions in other international organizations, as appropriate;
   c. Recommend to the Board of Directors, international competitions to be conducted in the United States;
   d. Initiate and accept invitations to/from foreign countries or organizations to send teams or individuals, except for National Team members, to participate in exhibitions or competitions in the United States or abroad. The High Performance Manager, with notification to the Vice President Olympic International and the International Relations Committee Chair, will be responsible for accepting invitations on behalf of National Team Members;
   e. Approve club options, special events, International Club Exchanges, private invitations and protocol for international delegations;
   f. Develop, recommend and implement other international exchange opportunities and the funding for such opportunities, in collaboration with the National Office staff.

2. The composition of the International Relations Committee shall include:

   b. The President of the Corporation;
   c. The Immediate Past Vice President Olympic International;
   d. U.S. representatives, if members of USA Artistic Swimming, to the FINA Bureau, the PAQ Executive or other international organizations;
   e. U.S. representatives to the FINA and PAQ TASCs or any other FINA or PAQ committees or commissions while representing USA Artistic Swimming;
   f. Three (3) Five (5) At-Large members elected by the Board of Governors at the Annual Meeting of the Board of Governors in the year of the Summer Olympic Games;
   g. That number of Athlete Representatives necessary to assure that at least thirty-three and three tenths percent (33.3%) of the International Relations Committee are athletes. The Corporation’s representative to the USOPC Athletes Advisory Council (“USOPC-AAC”) and USOPC-AAC Alternate shall be two (2) of these athletes. The remaining members of the International Relations
Committee who are Athlete Representatives shall be appointed by the AEC, meet the requirements of Section 7.06 A of the USAAS Code, and shall be retired from competition; and

1. The High Performance Manager, and a Diversity, Equity, and Inclusion committee member and any USA Artistic Swimming member who serves on any other FINA or PAQ committees or commissions shall serve as advisors without a vote.

3. If a member holds more than one (1) position on the committee, the Chair may appoint a replacement member who has international artistic swimming experience or serves as the USAAS member to the FINA Bureau, the PAQ Executive or other international organizations or serves on any other FINA or PAQ committees or commissions while representing USA Artistic Swimming.

4. Each member shall serve until the conclusion of the Board of Governors meeting after the next Summer Olympic Games, or until a successor is elected/appointed.

5. Those members of the International Relations Committee being considered for international positions or assignments shall excuse themselves from the discussion and vote.

6. International Relations Review Subcommittee:
   a. The International Relations Review Subcommittee shall:
      (1) Review and approve Club Option applications, including funding recommendations when available. See Appendix F.
      (2) Determine athlete eligibility to participate when a Masters international competition has limited entries. See Appendix F.

      (5) One (1) person selected by the Vice President Olympic International who exhibits knowledge of the sport, knowledge of the international scene in elite artistic swimming, and demonstrates a fair and unbiased disposition.

Rationale: 1) Reduced the committee to a maximum of 12 members – 8 members + 4 athletes. 2) To maintain balance between elected and appointed members to ensure the membership has a voice on the committee as well as checks and balances. 3) To ensure continuity by keeping the Immediate OIVP on the committee as well as the FINA and PAQ TASC members who represent USAAS. 4) To allow the Chair to appoint additional members (to not exceed the total of 12) to fill any duplicate positions as 1 person holding 2 positions does not receive 2 votes on the committee. 5) To maintain both subcommittees in their current form. 6) Eliminate the President as the President is an ex-officio member of the committee along with the Vice President and Athlete Vice President.

Item 32, Passed/Failed in Committee, Recommended for Approval/Rejection by the Board of Directors

ITEM 33: Proposal to revise Code, Article 5 Committees, 5.10 B National Team Program Committee

B. National Team Program Committee:

1. The High Performance Manager is empowered with all decision-making authority necessary for the formulation, development and implementation of a National Team program. The High Performance Manager will work in a collaborative manner with the Vice President Olympic International, the International Relations Committee Chair and the National Team Program Committee in exercising this authority.

2. The National Team Program Committee shall:
   a. Provide input to the High Performance Manager regarding, and endorse:
      (1) Selection procedures for athlete members for all National Teams;
      (2) Selection procedures for staff members for the Pan American and Olympic Games Teams; and
The USA Artistic Swimming National Team Quad Plan, developmental programs and training camps.
b. Assist in the implementation of the USA Artistic Swimming National Team Quad Plan, developmental programs and training camps.
c. Help develop a plan to identify and train artistic swimmers as potential National Team members.
d. Collaborate with the Coaches’ Board to enhance the coaches’ education program.
e. Foster communication with the Judges’ Board to ensure cohesive programs.

3. The composition of the National Team Program Committee shall include:
   a. The High Performance Manager, as Chair;
   b. The Immediate Past Vice President Olympic International;
   c. National Team Head Coach;
      d. Two (2) Three (3) Seven (7) National Team Coaches, selected by the High Performance Manager, following the Annual Meeting of the Corporation in the year of the Summer Olympic Games, from the pool of National Team Coaches, shall serve a four (4) year term;
      e. Three (3) Four (4) At-Large members, who are not members of the pool of National Team Coaches, shall be elected by the Board of Governors at the Annual Meeting of the Board of Governors in the year of the Summer Olympic Games to serve a four (4) year term;
      f. That number of Athlete Representatives necessary to assure that at least thirty-three and three tenths percent (33.3%) of the National Team Program Committee are athletes. The Corporation’s representative to the USOPC Athletes Advisory Council (“USOPC-AAC”) and USOPC-AAC Alternate shall be two (2) one (1) of these athletes. The remaining members of the National Team Program Committee who are Athlete Representatives shall be appointed by the AEC, meet the requirements of Section 7.06 A of the USAAS Code, and shall be retired from competition; and
      g. The Corporation’s representatives to the FINA and PAQ TASCs or any other FINA or PAQ committees or commissions while representing USA Artistic Swimming, the NGB Council of the USOPC and a Diversity, Equality Equity and Inclusion committee member shall serve as advisors without a vote.

4. National Team Review Subcommittee:
   a. The National Team Review Subcommittee shall:
      (1) Resolve petitions related to athlete eligibility to participate in National Team Trials. See Appendix E.
      (2) Resolve petitions related to athlete injury or illness during the National Team Trials Selection process. See Appendix E.
   b. The composition of the National Team Review Subcommittee shall include:
      (1) The Chair, appointed by the Vice President Olympic International;
      (2) The Vice President Olympic International;
      (3) The High Performance Manager;
      (4) Two (2) Athlete Representatives selected by the High Performance Manager who are unaffiliated with any of the athletes in contention, who meet the requirements of Section 7.06 A of the USAAS Code, and shall be retired from competition; and
      (5) One (1) person selected by the Vice President Olympic International who exhibits knowledge of the sport, knowledge of the international scene in elite artistic swimming, and demonstrates a fair and unbiased disposition.

Rationale: 1) Same as the IR Committee, including the addition of the USOPC-AAC Alternate as one of the required athletes. 2) Maintains consistency between the 2 committees. 3) Based on the USOPC requirement to have term limits, there is the potential for the National Team Head Coach to term out of the committee. The proposal has been updated as of 7/13/2022 to show that position is now a named position and cannot be removed based on term limits. Maintained the same size of the committee by reducing the appointed coaches to 2.

**Implementation:** Since the elected members of both IR and NTP committees are elected in the year of the Summer Olympic Games (which would have been done in 2020 if held) and to address the oddity of the Games being held in 2021 rather than 2020 due to Covid, I suggest implementing this new structure change
in 2024. If we change the elected members now, then they don’t hold the position for 4 years as the next Games are in 2024.

Item 33, Passed/Failed in Committee, Recommended for Approval/Rejection by the Board of Directors

ITEM 34: Proposal to revise Admin Rule Article 20, Eligibility, 20.02 Membership

Change all occurrences of “PAQ” in the Code to “PanAm”, when referring to PanAm Aquatics.

Rationale: The organization has changed its official acronym. Housekeeping.

Item 35, Passed/Failed in Committee, Recommended for Approval/Rejection by the Board of Directors

ITEM 36A: Proposal to revise Code, Article 5, Section 5.04: Standing Committee Term Limit

5.04 Term of Service: Unless otherwise defined in the USAAS Code, the term of service on a Standing Committee shall be two (2) years, and shall begin immediately following the Annual Meeting of the Corporation, in the year of their appointment/election. Committee members may be reappointed/relected to a second, third or fourth term, but may serve no more than eight (8) consecutive years on the same Standing Committee. A committee member, who is appointed Committee Chair following their third term, may serve up to an additional two (2) terms [four (4) additional years] on the same Standing Committee.

- A committee member who is replaced must wait as many consecutive years as have been served consecutively, with a maximum of two (2) years off the Standing Committee before being eligible for reappointment/relection to the same Standing Committee. In the event a committee member is selected to fulfill a remainder of a term, which has been vacated, this selection shall not count towards the two (2) years of eligibility. This committee member shall have four (4) full terms of eligibility remaining.
A. **Attendance:** When a committee member has been absent from two (2) consecutive meetings without reasons acceptable to the Committee Chair, the Committee Chair, with approval of their respective Officer, shall have the right to declare that such a member has forfeited their position and shall be considered for removal for cause according to Section 5.04 B below. The Committee Chair, with approval of their respective Officer, may fill the vacancy according to Section 5.04 C below.

B. **Removal:** Committee members may be removed for cause at any duly noticed committee meeting, and after being provided an opportunity for the committee member to be heard by the committee, upon the affirmative vote of at least two-thirds (2/3) of the committee. Any vacancy occurring on a committee shall be filled in accordance with Section 5.04 C below. No committee member shall be subject to removal based upon how they vote as a member, unless such voting is determined to be part of a violation of the Code of Ethics (Appendix P).

C. **Vacancies:** In the event a vacancy occurs on a committee, the group, person or Zone responsible for appointing or electing the position initially shall fill the position for the duration of the term. **If a replacement is not able to be appointed or elected, then a former Standing Committee member with an expired term limit may fill a vacancy.**

Rationale: The USOPC now requires term limits for all officers, committee chairs and committee members.

NOTE: a member could potentially serve 10 years if appointed Chair immediately after serving maximum number of terms.

Implementation: Term limits are not to be implemented retroactively to current members of committees, but will take effect 1/1/2023. This will avoid potentially removing all experienced members from committees. Exception: Term limits for National Team Program and International Relations which, if approved, will take effect in 2024.

**Item 36A, Passed in Committee, Recommended for Approval by the Board of Directors**

**ITEM 36B: Proposal to revise Code, Article 5, Section 5.04: Standing Committee Term Limit**

5.04 **Term of Service:** Unless otherwise defined in the USAAS Code, the term of service on a Standing Committee shall be **four (4) two (2) years**, and shall begin immediately following the Annual Meeting of the Corporation, in the year of their appointment/election. **Committee members may be reappointed/reelected to a second term, but may serve no more than eight (8) consecutive years on the same Standing Committee. A committee member may serve up to an additional four (4) years, if appointed Committee Chair immediately after serving as a committee member.**

- A committee member who is replaced must wait as many consecutive years as have been served consecutively, with a maximum of four (4) years off the Standing Committee before being eligible for reappointment/reelection to the same Standing Committee. In the event a committee member is selected to fulfill a remainder of a term, which has been vacated, this selection shall not count towards the four (4) years of eligibility. This committee member shall have two (2) full terms of eligibility remaining.

A. **Attendance:** When a committee member has been absent from two (2) consecutive meetings without reasons acceptable to the Committee Chair, the Committee Chair, with approval of their respective Officer, shall have the right to declare that such a member has forfeited their position and shall be considered for removal for cause according to Section 5.04 B below. The Committee Chair, with approval of their respective Officer, may fill the vacancy according to Section 5.04 C below.

B. **Removal:** Committee members may be removed for cause at any duly noticed committee meeting, and after being provided an opportunity for the committee member to be heard by the committee, upon the affirmative vote of at least two-thirds (2/3) of the committee. Any vacancy occurring on a committee shall be filled in accordance with Section 5.04 C below. No committee member shall be subject to removal based upon how they vote as a member, unless such voting is determined to be part of a violation of the Code of Ethics (Appendix P).

C. **Vacancies:** In the event a vacancy occurs on a committee, the group, person or Zone responsible for appointing or electing the position initially shall fill the position for the duration of the term. **If a
replacement is not able to be appointed or elected, then a former Standing Committee member with an expired term limit may fill a vacancy.

Rationale: The USOPC now requires term limits for all officers, committee chairs and committee members. NOTE: a member could potentially serve 12 years if appointed Chair immediately after serving maximum number of terms.

In the event an officer is elected to fulfill a remainder of a term of office, which has been vacated, this election shall not count towards the two (2) years of eligibility. This officer shall have four (4) two (2) full terms of eligibility remaining.

Rationale: The USOPC now requires term limits for all officers, committee chairs and committee members. NOTE: a member could potentially serve 10 years if appointed President immediately after serving maximum number of terms.

In the event an officer is elected to fulfill a remainder of a term of office, which has been vacated, this election shall not count towards the four (4) two (2) years of eligibility. This officer shall have two (2) full terms of eligibility remaining.

Rationale: Provides consistency with the same term as the Independent Directors (total of 8 years possible. This will also provide time to see the work done by the Officers implemented over an 8-year period if so desired. If approved, other sections of the Code will be updated as housekeeping. Note: no changes to Athlete Representative term of service. NOTE: a member could potentially serve 12 years if appointed President immediately after serving maximum number of terms.

**ITEM 40A: Proposal to Revise Article 7, Athletes Representation, Section 7.02, Athletes Executive Council**

In addition, the USOPC-AAC Alternate Representative and the AEC Immediate Past President shall be nonvoting members of the AEC. The AEC shall have the authority to act for the Athletes Committee between meetings and shall appoint Athlete Representatives to the Standing Committees listed in Section 5.01 of the USAAS Code (with priority consideration given to the Athlete Representatives currently serving on the Athletes Committee). Each AEC member is an ex-officio member of all Standing Committees within their area of responsibility and shall communicate athlete opinion and advice to each committee.

A. The members of the AEC, with the exception of the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives, the **AEC Collegiate Representative** and the **AEC Masters Representative**, shall be elected by the Athletes Committee at the Annual Meeting of the Corporation to serve a two (2) year term as follows:
   1. The AEC Vice President Diversity, Equality and Inclusion, AEC Vice President Olympic International, and AEC Secretary shall be elected in even numbered years.
   2. The AEC Vice President Competitive Operations and AEC Vice President Member Development shall be elected in odd numbered years.

B. The AEC President shall be directly elected by athletes, who meet the requirements of Section 7.06 A, in even numbered years to serve a two (2) year term. See Section 7.08 below.
   1. The AEC President shall serve a one (1) year term as the AEC Immediate Past President. The term shall begin immediately following the conclusion of the term of the AEC President and shall be a nonvoting member of the AEC.

C. The USOPC-AAC Representative and the USOPC-AAC Alternate Representative shall be elected in the Olympic year to serve a four (4) year term. See Section 7.07 below.

D. The Athlete At-Large Representative and the General Board of Directors Athlete Representatives shall be directly elected by athletes, who meet the requirements of Section 7.06 A, in odd numbered years to serve a two (2) year term. See Section 7.08 below.

E. **Responsibilities:**
   1. AEC President: Shall chair both the AEC and the Athletes Committee, shall serve on the Board of Directors, and shall be responsible for the committees listed in Section 5.01 A of the USAAS Code.
   2. AEC Vice President Competitive Operations: Shall be responsible for the committees listed in Section 5.01 B of the USAAS Code.
   3. AEC Vice President Diversity, Equality and Inclusion: Shall be responsible for the committees listed in Section 5.01 C of the USAAS Code.
   4. AEC Vice President Member Development: Shall be responsible for the committees listed in Section 5.01 D of the USAAS Code.
   5. AEC Vice President Olympic International: Shall be responsible for the committees listed in Section 5.01 E of the USAAS Code.
   6. AEC Secretary: Shall be responsible for recording all proceedings of the meetings of the AEC and the Athletes Committee.
7. The USOPC-AAC Representative: Shall serve in the absence of the AEC President, shall serve on the Board of Directors and shall be responsible for reporting USOPC matters to the AEC, the Athletes Committee and the Board of Directors.

8. The USOPC-AAC Alternate Representative: Shall serve in the absence of the USOPC-AAC Representative and shall be a nonvoting member of the Board of Directors.

9. The Athlete At-Large Representative: Shall serve in the absence of both the AEC President and the USOPC-AAC Representative, shall serve on the Board of Directors and shall be responsible for communicating athlete opinion to the Board and the Athletes Committee.

11. AEC Collegiate Representative: Shall serve on the Collegiate Committee.

12. AEC Masters Representative: Shall serve on the Masters Committee.

F. All AEC members, with the exception of the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives, shall meet at least the minimum requirements of Section 7.06 B below at the time of their election. The AEC President, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives shall meet the requirements of Section 7.06 A below at the time of their election. The USOPC-AAC Representative and the USOPC-AAC Alternate Representative shall meet the requirements of Section 7.07 below.

Rationale: Include mandatory representation on the AEC for Collegiate and Masters athletes. The trends show that there is consistent National Team representation that is virtually guaranteed by the designated 10-year athlete positions; and club representation through the additional officer positions that are typically elected at Convention. The perspective of Collegiate and Masters athletes is not guaranteed and as a committee that represents the athletes, the AEC would like to see guaranteed representation from all groups within the organization.

e. Two (2) collegiate coach representatives from each Collegiate Region, elected by the respective Collegiate Region at the Collegiate Regional Championships. Item 40B, Passed/Failed in Committee, Recommended for Approval/Rejection by the Board of Directors

ITEM 41: Proposal to Revise Article 7, Athletes Representation, Section 7.02, Athletes Executive Council

7.02 Athletes Executive Council:
E. Responsibilities:
1. AEC President: Shall chair both the AEC and the Athletes Committee, shall serve on the Board of Directors, and shall be responsible for the committees listed in Section 5.01 A of the USAAS Code, and shall select an Athlete Representative from among the AEC members who has retired from competition to serve as AEC Vice Chair, when the USOPC-AAC Representative has not yet retired from competition.
2. AEC Vice President Competitive Operations: Shall be responsible for the committees listed in Section 5.01 B of the USAAS Code.
3. AEC Vice President Diversity, Equality and Inclusion: Shall be responsible for the committees listed in Section 5.01 C of the USAAS Code.
4. AEC Vice President Member Development: Shall be responsible for the committees listed in Section 5.01 D of the USAAS Code.

5. AEC Vice President Olympic International: Shall be responsible for the committees listed in Section 5.01 E of the USAAS Code.

6. AEC Secretary: Shall be responsible for recording all proceedings of the meetings of the AEC and the Athletes Committee.

7. The USOPC-AAC Representative: Shall serve as AEC Vice Chair if they are retired from competition, shall serve in the absence of the AEC President, shall serve on the Board of Directors and shall be responsible for reporting USOPC matters to the AEC, the Athletes Committee and the Board of Directors.

8. The USOPC-AAC Alternate Representative: Shall serve in the absence of the USOPC-AAC Representative and shall be a nonvoting member of the Board of Directors.

9. The Athlete At-Large Representative: Shall serve in the absence of both the AEC President and the USOPC-AAC Representative, shall serve on the Board of Directors and shall be responsible for communicating athlete opinion to the Board and the Athletes Committee.

10. General Board of Directors Athlete Representatives: Shall serve on the Board of Directors and shall be responsible for communicating athlete opinion to the Board and the Athletes Committee.

Rationale: The USOPC requires that the Athletes Executive Council includes a vice chair and recommends that that role be filled by a retired athlete. The AEC proposes that the USOPC AAC-Representative serve as the vice chair, as the code currently states that they serve in the absence of the AEC President. If the USOPC AAC-Representative is not retired, then we propose that the AEC President selects a retired athlete from other elected members of the AEC.

ITEM 42: Proposal to Revise Article 7, Athletes Representation, Section 7.02, Athletes Executive Council

7.02 Athletes Executive Council: There shall be an AEC composed of six (6) AEC Officers, the USOPC Athletes Advisory Council (“USOPC-AAC”) Representative, the USOPC-AAC Alternate Representative, the USOPC-AAC Alternate Representative, and the General Board of Directors Athlete Representatives as set forth herein. In addition, the USOPC-AAC Alternate Representative and the AEC Immediate Past President shall be nonvoting members of the AEC. The AEC shall have the authority to act for the Athletes Committee between meetings and shall appoint Athlete Representatives to the Standing Committees listed in Section 5.01 of the USAAS Code (with priority consideration given to the Athlete Representatives currently serving on the Athletes Committee). Each AEC member is an ex-officio member of all Standing Committees within their area of responsibility and shall communicate athlete opinion and advice to each committee.

Rationale: The USOPC requires that the AAC Alternate is a voting member of the Athletes Executive Council.

ITEM 43: Proposal to Revise Article 7, Section 7.04, Procedures for General Athlete Representative Nominations, Elections and Vacancies

7.04 Procedures for General Athlete Representative Nominations, Elections and Vacancies:

A. During the General Athletes Meeting at the LASC, Zone, U.S. Collegiate, or U.S. Masters Championship, an open election shall be held to elect the respective number of Athlete Representatives, with the exception of the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives, as set forth
in Section 7.01 above. The current Athlete Representatives shall, respectively, chair the elections of their successors for all the Athlete Representative positions except AEC Officers, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives.

1. The AEC President shall conduct elections of all AEC Officers, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives.

2. The Athlete At-Large Representative shall conduct the election for the AEC President, the USOPC-AAC Representative and the USOPC-AAC Alternate Representative.

B. All registered athletes present shall be eligible to vote except in the election of the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives. See Section 7.07-7.08 below.

C. Candidates for office must be members of the Corporation, should be consenting and need not be present to be elected, with the exception of the election of the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives. See Section 7.07-7.08 below.

D. Every club present at the meeting shall have one (1) nomination if they desire. A club may decline to nominate a candidate, but it may not relinquish its nominating privilege to another club.

E. Five (5) additional candidates may be nominated from the floor.

F. A primary election shall be held to limit the number of candidates to four (4) if there are more than six (6) nominees.

G. All elections shall be completed and results announced by the conclusion of the competition or event.

H. A challenge to any election results must be made in writing to the Chair of the election. When a challenge has been filed, the Chair shall notify the AEC President and AEC Secretary. A candidate (or their designated representative) who challenges the results has the right to review the ballots in the company of the Tellers and the Chair of the Election Committee.

I. Procedures for Filling a Vacancy: The AEC shall have the authority to fill a vacant AEC position, with the exception of the AEC President, USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, and the General Board of Directors Athlete Representatives between meetings of the Athletes Committee. Alternates, as listed in 7.05 below, shall be considered by the AEC to fill the AEC vacated position. If there are no alternates for the vacated AEC position, the AEC may nominate an Athlete Representative who meets the requirements of the vacated position. A notice of open nomination, including position requirements and a nomination submission deadline, shall be issued to all Athletes Committee members asking if they are interested in filling a vacated AEC position. If the AEC President, the USOPC-AAC Representative, the USOPC-AAC Alternate Representative, the Athlete At-Large Representative, or the General Board of Directors positions are vacated, the position(s) shall be filled in accordance with 7.07 or 7.08 below.

J. Holding more than One (1) Position: In the event that not enough athletes run for AEC Officer positions, Athlete Representatives may hold simultaneous positions on the AEC and the Board of Directors (i.e., AEC Vice President and USOPC-AAC Representative). Athletes cannot hold simultaneous positions on the Board of Directors.

Rationale: This is an abandoned rule that has not been followed. We have had more than one nomination from many different clubs in years past.

**ITEM 44A: Proposal to Revise Article 3, Board of Directors, Section 3.02 E, Composition**

**3.02 Composition:**

E. That number of Athlete Representatives necessary to assure that at least thirty-three and three tenths percent (33.3%) of the Directors are athletes, and one (1) of them shall be a retired athlete. The Athlete Representatives serving on the Board of Directors shall consist of the following:

1. The Athletes Executive Council (“AEC”) President;
2. The Corporation’s representative to the USOPC Athletes Advisory Council (“USOPC-AAC”);
3. The Athlete At-Large Representative;
4. The General Board of Directors Athletes; and

For eligibility and election procedures, see Article 7 of the USAAS Code.

Rationale: To include any AEC members who are elected to the USOPC AAC Leadership Group in the AEC and the BOD. Other NGB’s have made this change.

ITEM 45: Proposal to Revise Appendix D, LASC Name, Zone and Region

Proposal to merge Central California and Pacific Associations into one, the Pacific Association

Rationale: In approximately 1995 the Pacific Association was split into two, Pacific and Central California associations. For the past 25+ years the Cypress Swim Club has been the only continuously active club in the Central California Association and has been the only club for the past 15 years. Even during the single year that we had three active teams, Central California continued to hold all competitions in conjunction with the teams from the Pacific Association, and we continue to do that to this day, along with holding joint Annual Association Meetings, as for the past 25+ years we have basically continued to operate as if we were just one association. In addition, all clubs which would be affected by this change are in favor of the proposal. Therefore, Central California requests to rejoin the Pacific Association at this time.

Item 45, Passed/Failed in Committee, Recommended for Approval/Rejection by the Board of Directors
